Before using paper, consider

@File

Fast — Filing electronically, rather than on paper, can mean much faster processing of your refund and money in your account sooner.

Accurate — Generally, there are fewer errors on electronic filings than paper forms. Online programs make it easy to ensure you don't miss anything important.

Ecofriendly — A great majority of Massachusetts taxpayers file electronically. Help us to continue reducing our carbon footprint.

Affordable — About 70% of Massachusetts taxpayers qualify for free filing. See if you're eligible.

Give E-file a try this year!

**C'mon, admit it —
filing paper tax returns is no fun!**

**So forget about longer refund wait
times and calculation mistakes.
E-file this year!**

**There are three easy and
convenient ways to do it:**

1

File for Free Electronically

About 70 percent of Bay State taxpayers likely qualify to file both federal and state returns for free, enhancing fraud protection and cutting down on identity theft. Massachusetts joined the Free File Alliance, a nonprofit partnership between tax software companies, the IRS and the states to increase opportunities for taxpayers to e-file their tax returns for free. Check out the free filing options available to taxpayers at mass.gov/efile.

2

Commercial Tax Preparation Software

You can also E-file using DOR-approved commercial tax filing products or websites. Visit our website for a complete listing of approved websites and products. Although some of these products offer a paper filing option, you may only use that option if it incorporates a 2D barcode into the right-hand corner of all pages. If you have a 2D printing issue, be sure to contact the software manufacturer for instructions before filing to avoid having your return rejected. Also, be sure to use the correct 2D barcode mailing address: PO Box 7001 for refunds/no payments or PO Box 7002 for payments. See DOR's online tax form instructions for more information.

3

Paid Preparers

The majority of tax preparers recognize that their clients don't want mistakes, delays, or longer refund times so they offer e-filing for their customers. Moreover, Massachusetts law requires any preparer who completes more than 10 Massachusetts income tax returns to E-file (TIR 11-13 has a specific taxpayer opt-out provision to this law). Preparers who do file paper returns for their clients have specific requirements they must meet to avoid paying penalties and fines.

You'll find a list of DOR-approved tax preparers on the DOR website.

Major 2017 Tax Changes

Filing Due Dates

Form 1 is due on or before Tuesday, April 17, 2018. Because April 15, 2018 is a Sunday and the observance of Patriot's Day, a legal holiday in Massachusetts is on Monday, April 16, 2018, Massachusetts returns and payments otherwise due on April 15, 2018 will be treated as timely filed if they are filed on or before Tuesday April 17, 2018.

2017 Personal Income Tax Rates

Effective for tax years beginning on or after January 1, 2017, the tax rate on most classes of taxable income remains unchanged at 5.1%. The tax rate on short-term gains from the sale or exchange of capital assets and on long-term gains from the sale or exchange of collectibles (after a 50% deduction) remains at 12%.

Penalty for Failure to Obtain Health Insurance

Massachusetts requires most adults 18 and over with access to affordable health insurance to obtain it. In 2017, individuals must be enrolled in health insurance policies that meet minimum creditable coverage standards defined in regulations adopted by the Commonwealth Health Insurance Connector Authority ("Health Connector"). Individuals who are deemed able to afford health insurance but fail to obtain it are subject to penalties for each month of non-compliance in the tax year (provided that there is no penalty in the case of a lapse in coverage of 63 consecutive days or less). The monthly penalties, which will be imposed through the individual's personal income tax return, are set out in TIR 17-1 and are based on half of the minimum monthly insurance premium for which an individual would have qualified through the Health Connector.

Schedule HC, Health Care Information, must be completed by all full-year and certain part-year residents age 18 and over to notify the Department of Revenue whether or not they had health insurance for each month of 2017. Taxpayers who did not have coverage for all of 2017, or had a gap in coverage of four or more consecutive months will need to determine if they had access to affordable health insurance (through an employer, the government, or on their own) using worksheets and tables available for this purpose. If it is determined that a taxpayer could have afforded health insurance, the taxpayer has the right to appeal the application of the penalty due to hardship by requesting an appeal to the Connector on the Schedule HC.

For more information about the health care reform law, including the Department's regulation at 830 CMR 111M.2.1, Health Insurance Individual Mandate; Personal Income Tax Return Requirements, or the Health Connector's regulation at 956 CMR 6.00, Determining Affordability for the Individual Mandate, see the Health Connector's website at mahealthconnector.org or the Department's website at mass.gov/dor.

Annual Update of Circuit Breaker Tax Credit

Taxpayers age 65 or older who own or rent residential property located in Massachusetts are allowed a credit equal to the amount by which their real estate tax payments, or 25% of the rent constituting a real estate tax payment, exceeds 10% of the taxpayer's total income, not to exceed \$1,080. The amount of the credit is subject to limitations based on the taxpayer's total income and the assessed value of the real estate, which for tax year 2017 must not exceed \$747,000.

For purposes of calculating the credit, total income and maximum credit thresholds are adjusted annually. For tax year 2017, an eligible taxpayer's total income cannot exceed \$57,000 in the case of a single filer who is not a head of household filer; \$72,000 for a head of household filer; and \$86,000 for joint filers. In order to qualify for the credit, a taxpayer must be age 65 or older and must occupy the property as his or her principal residence. See TIR 17-8.

Employer Provided Parking, Transit Pass, and Commuter Highway Vehicle Benefits Exclusion Amounts

Massachusetts adopts Internal Revenue Code ("Code" or "IRC") § 132(f) as amended and in effect on January 1, 2005, which excludes from an employee's gross income (subject to a monthly maximum) employer-provided parking, transit pass, and commuter highway vehicle transportation benefits. For tax year 2017, the Internal Revenue Service has calculated, based on inflation adjustments contained in IRC § 132(f) as set forth in the January 1, 2005 Code, the 2017 monthly exclusion amounts of \$255 for employer-provided parking and \$135 for combined transit pass and commuter highway vehicle transportation benefits. Massachusetts adopts these 2017 monthly exclusion amounts as they are based on the January 1, 2005 Code. See TIR 16-16.

Changes to the Massachusetts Earned Income Tax Credit

A Massachusetts refundable earned income tax credit is available to certain low-income individuals who have earned income. To claim the Massachusetts credit, taxpayers must qualify for and claim the federal earned income tax credit allowed under

I.R.C. § 32, as amended and in effect for the taxable year. Taxpayers may claim the Massachusetts credit even if they do not have a filing requirement. To receive the credit, taxpayers must file a tax return and claim the credit. For 2017, the Massachusetts refundable credit remains at 23% of the computed federal credit. A person who is a nonresident for the entire year is not eligible for the credit.

For federal purposes, an individual who is married can qualify for the federal earned income tax credit only if the individual files a joint return. However, for purposes of claiming the Massachusetts earned income tax credit, a married taxpayer will satisfy the federal joint filing requirement if the taxpayer files a Massachusetts personal income tax return using a filing status of married filing separately and the taxpayer: (i) is living apart from the taxpayer's spouse at the time the taxpayer files the tax return; and (ii) is unable to file a joint return because the taxpayer is a victim of domestic abuse; and (iii) indicates on the taxpayer's income tax return that the taxpayer meets the criteria of clauses (i) and (ii). A taxpayer that is eligible for this filing exception should keep records that demonstrate they meet this criteria. See TIR 17-10 and additional form instructions on page 16.

Veteran's Hire Tax Credit

A new credit is available to businesses that hire veterans who live and work in Massachusetts. The credit is equal to \$2,000 for each qualified veteran hired. The business must employ fewer than 100 employees; be certified by the Commissioner of Veteran's Services; and qualify for and claim the federal Work Opportunity Credit allowed under I.R.C. § 51. A business may be eligible for a second credit for the next taxable year if the veteran continues to work for the business. The credit cannot be transferred or refunded. Any amount of credit that exceeds the tax due in the current taxable year may be carried forward to any of the three subsequent taxable years. The credit is available for qualified veterans hired after July 1, 2017. See TIR 17-10.

Low-Income Housing Donation Tax Credit

A new credit is available to individuals and businesses if they donate real or personal property to certain non-profit entities for use in purchasing, constructing or rehabilitating a Qualified Massachusetts Project. The credit is generally limited to 50% of the amount of the donation, but it may be increased to 65% by the Department of Housing and Community Development. The credit is a one-year credit that must be claimed in the year that the donation is made and is not refundable. Any credit amounts that exceed the tax due may be carried forward for five years. See TIR 16-15.

Economic Development Incentive Program Tax Credit

For economic development projects certified after January 1, 2017, the credit is no longer tied to the cost of property that would qualify for the investment tax credit allowed under G.L. c. 63, § 31A. Instead, the amount of credit allowed in each case is determined by the Economic Assistance Coordinating Council (EACC) based on numerous factors set forth in G.L. c. 23A § 3D. In addition to determining the amount of credit, the EACC will designate whether the credit is refundable. Recapture is required only if the EACC revokes the certification of a project and is no longer subject to the recapture provision of G.L. c. 63, § 31A(e). The amount of credit subject to recapture will be proportionate to the business' compliance with the job creation requirements applicable to a certified project. If a certified project is sold or otherwise disposed of, the credit allowed may be transferred to the purchaser of the certified project only if approved by the EACC. See TIR 16-15.

Certified Housing Development Tax Credit

The amount of credit available and the types of costs eligible for the credit have changed. The credit is available for 25% of "qualified project expenditures." Formerly, the credit was available for 10% of "qualified substantial rehabilitation expenditures." Additionally, the carry forward period for which the credit can be used has increased from five to ten years. See TIR 16-15.

Prepaid Tuition or College Savings Plan Deduction

A new deduction is available for purchases of or contributions made to an account in a pre-paid tuition program or a college savings program established by the Commonwealth. The deduction is capped at \$1,000 for a single person or head of household and \$2,000 for a married couple filing a joint return. The deduction is subject to recapture in the taxable year or years in which distributions or refunds are made from the tuition or college savings account for any reason other than (i) to pay qualified higher education expenses, as defined by Internal Revenue Code (IRC) § 529(e)(3); or (ii) the beneficiary's death, disability or receipt of a scholarship. See TIR 16-15.

Tuition Payment Deduction

Nonresidents and part year residents are no longer eligible for this deduction. See TIR 16-15.

1099-K Reporting

Every individual, business or other entity doing business in Massachusetts is required to annually report to the Department the names and addresses of all residents of Massachusetts to which it pays income subject to taxation. Effective for all Forms 1099-K filed beginning with the 2017 tax year, the

Department intends to require third party settlement organizations (TPSOs) to report the gross amount paid in settlement to a payee when the gross amount paid in settlement is \$600 or greater and is subject to taxation under G.L. c. 62, irrespective of the number of transactions between the TPSO and the payee. If you receive either a federal Form 1099-K or a Massachusetts Form M-1099-K that shows amounts paid to you, you must report taxable amounts on Schedule X, as other income, or if such amounts are derived from a trade or business, on Schedule C.

Current Code Provisions Massachusetts Adopts

As a general rule, Massachusetts does not adopt any federal personal income tax law changes incorporated into the Code after January 1, 2005. However, certain specific Massachusetts personal income tax provisions, as set forth in G.L. c. 62 § 1(c), automatically conform to the current Code. Provisions of the Code Massachusetts adopts on a current Code basis are (i) Roth IRAs, (ii) IRAs, (iii) the exclusion for gain on the sale of a principal residence, (iv) trade or business expenses, (v) travel expenses, (vi) meals and entertainment expenses, (vii) the maximum deferral amount of government employees' deferred compensation plans, (viii) the deduction for health insurance costs of self-employed taxpayers, (ix) medical and dental expenses, (x) annuities, (xi) health savings accounts, (xii) employer-provided health insurance coverage, and (xiii) amounts received by an employee under a health and accident plan. See TIRs 98-8, 02-11, 07-4, and 09-21 for further details.

Qualified Charitable Distribution from an IRA — IRC § 408(d)(8)

Under IRC § 408(d)(8), taxpayers age 70½ or greater are allowed to make tax-free distributions from traditional and Roth IRAs to qualified charities not to exceed \$100,000 per tax year. Massachusetts adopts this federal exclusion, as IRC § 408(d)(8) is adopted by Massachusetts on a current Code basis.

IRC § 179 Election to Expense Certain Depreciable Business Assets

Under IRC § 179, a taxpayer may elect to treat the cost of certain types of depreciable business property (i.e., tangible depreciable business assets acquired by purchase for use in the active conduct of a trade or business and certain qualified real property) as an expense rather than a capital expenditure, and deduct it in the year the property is placed in service, instead of depreciating it over several years. The maximum IRC § 179 expensing limitation is \$510,000, subject to an overall investment phase-out threshold of \$2,030,000. As a trade or business deduction under G.L. c. 62, § 1(c), IRC

§ 179 is adopted by Massachusetts on a current Code basis.

Code Provisions Not Adopted by Massachusetts:

Federal Bonus Depreciation Deduction — IRC § 168(k)

Under G.L. c. 62 § 2(d)(1)(N), Massachusetts specifically disallows the bonus depreciation deduction allowed under IRC § 168(k), as amended and in effect for the current taxable year. Therefore, Massachusetts does not adopt the five-year extension through tax year 2019 of the federal bonus depreciation deduction pursuant to the Consolidated Appropriations Act of 2016 (P.L. 114-113). See TIRs 02-11 and 03-25 for further details.

Domestic Production Activity Deduction — IRC § 199

For federal income tax purposes, under IRC § 199, a business entity that pays wages to employees and conducts qualified production activities is allowed a deduction for domestic production activities. Generally, in the case of a non-corporate taxpayer, the deduction allows a business with qualified production activities to deduct 9% of its U.S. adjusted gross income. Under G.L. c. 62 § 2(d)(1)(O), Massachusetts specifically disallows the domestic production activity deduction allowed under IRC § 199, as amended and in effect for the current taxable year. Therefore, Massachusetts does not adopt the two-year extension through tax year 2016 of the deduction allowable for income attributable to domestic production activities in Puerto Rico pursuant to the Consolidated Appropriations Act of 2016 (P.L. 114-113). See TIR 05-5.

Qualified Principal Residence Indebtedness Exclusion — IRC § 108(a)

Massachusetts does not adopt the federal exclusion for qualified principal residence indebtedness under IRC § 108(a) set to expire at the end of 2016, nor will Massachusetts adopt any federal extension of the exclusion enacted after the publication of these form instructions, as IRC § 108(a) was enacted after January 1, 2005.

Privacy Act Notice

Under the authority of 42 U.S.C. sec. 405(c)(2)(C)(i), and M.G.L. c. 62C, sec. 5, the Department of Revenue has the right to require an individual to furnish his or her Social Security number on a state tax return. This information is mandatory. The Department of Revenue uses Social Security numbers for taxpayer identification to assist in processing and keeping track of returns and in determining and collecting the proper amount of tax due. Under M.G.L. c. 62C, sec. 40, the taxpayer's

identifying number is required to process a refund of overpaid taxes. Although tax return information is generally confidential pursuant to M.G.L. c. 62C, sec. 21, the Department of Revenue may disclose return information to other taxing authorities and those entities specified in M.G.L. c. 62C, secs. 21, 22 or 23, and as otherwise authorized by law.

Filing Your Massachusetts Return

If you were a resident of Massachusetts and your gross income was more than \$8,000 — whether received from sources inside or outside of Massachusetts — you are required to file a Massachusetts income tax return. If your gross income was \$8,000 or less, you do not need to file a return.

If you did not live in Massachusetts but received Massachusetts source income in excess of your personal exemption amount multiplied by the ratio of your Massachusetts income to your total income, you must file as a nonresident on the Nonresident/Part-Year Resident Income Tax Return, Form 1-NR/PY.

If, during the taxable year, you either moved to Massachusetts or terminated your status as a Massachusetts resident to establish residency outside the state, and your gross income was more than \$8,000 — whether received from sources inside or outside of Massachusetts — you must file as a part-year resident on the Nonresident/Part-Year Resident Income Tax Return, Form 1-NR/PY.

What Is Gross Income?

Massachusetts gross income includes the following:

- ▶ all wages, salaries, tips, bonuses, fees and other compensation;
- ▶ taxable pensions and annuities;
- ▶ pension income from another state or political subdivision before any deduction;
- ▶ taxable IRA/Keogh and Roth IRA distributions;
- ▶ alimony;
- ▶ income from a business, trade, profession, partnership, S corporation, trust or estate;
- ▶ rental, royalty and REMIC income;
- ▶ unemployment compensation;
- ▶ taxable interest and dividends;
- ▶ gambling winnings;
- ▶ capital gains;
- ▶ forgiveness of debt;
- ▶ mortgage forgiveness;
- ▶ taxable portion of scholarships and fellowships; and
- ▶ any other income not specifically exempt.

Massachusetts gross income also includes the following, which are not subject to U.S. income tax:

- ▶ interest from obligations of states and their political subdivisions, other than Massachusetts and its political subdivisions; and
- ▶ income earned by a resident from foreign employment.

Massachusetts gross income does not include:

- ▶ interest on obligations of the U.S. and U.S. territories;
- ▶ Pension income received from a contributory annuity, pension, endowment or retirement fund of the U.S. Government or the Commonwealth of Massachusetts and its political subdivisions.
- ▶ amounts received as U.S. Social Security, public welfare assistance, Veterans Administration disability payments, G.I. Bill education payments, certain worker's compensation, gifts, accident or life insurance payments, or certain payments received by Holocaust survivors; and
- ▶ compensation earned by members of the armed forces for service in a combat zone (excluded to the same extent as under federal law).

Am I a Resident, Nonresident, or Part-Year Resident?

There are three different categories of resident status under Massachusetts tax law:

1. You are a Full-Year Resident if your residence (domicile) is in Massachusetts or if you maintain a permanent place of abode in Massachusetts and during the year spend more than 183 days, in the aggregate, in the state. If you fit this description you should file a Massachusetts Resident Income Tax Return, Form 1.

2. You are a Nonresident if you were not a resident of Massachusetts but earned Massachusetts income (e.g., from a job in Massachusetts). You must report such income by filing a Massachusetts Nonresident/Part-Year Resident Income Tax Return, Form 1-NR/PY.

3. You are a Part-Year Resident if you either moved into or moved out of Massachusetts during the taxable year. In this case, you must reduce certain income, deductions and exemptions based on the number of days you were a resident or on the amount of your income that is subject to Massachusetts tax. Part-year residents must file a Massachusetts Nonresident/Part-Year Resident Income Tax Return, Form 1-NR/PY.

If **both** categories 2 and 3 apply to you, you will have to **file both** as a nonresident and as a part-year resident. In these cases, you must file **one** Massachusetts Form 1-NR/PY and complete the Resident/Nonresident Worksheet, Schedule R/NR, to calculate the portion of income earned while a

part-year resident and the portion of income earned while a nonresident. If you are required to **file as both** a part-year resident and a nonresident, be sure to fill in the oval below the address section of Form 1-NR/PY to indicate that you are completing Schedule R/NR and enclose Schedule R/NR with your return.

See TIR 95-7 for more information regarding resident status. For information on how to file as a part-year resident/nonresident, visit DOR's website at mass.gov/dor or call (617) 887-6367 or toll-free in Massachusetts 1-800-392-6089.

Are Military Personnel Required to File?

If you enlisted in the service as a Massachusetts resident and have not established a new domicile (residence) elsewhere (refer to military guidelines), and if your gross income is more than \$8,000, you are required to file a Massachusetts resident income tax return. This applies even though you may be stationed outside of Massachusetts. The terms "residence" and "domicile" are used to denote that place where you have your permanent home and to which, whenever you are absent, you have the intention of returning. Nonresident military personnel stationed in Massachusetts may be subject to Massachusetts taxes and should file Form 1-NR/PY if they earn income from outside military sources.

Military Spouses: On November 11, 2009, the Military Spouses Residency Relief Act (P.L. 111-97) was enacted. For tax years beginning on or after January 1, 2009, the Act prohibits a servicemember's spouse from either losing or acquiring a residence or domicile for purposes of taxation because of being absent or present in any U.S. tax jurisdiction solely to be with the servicemember in compliance with the servicemember's military orders. In general, for Massachusetts tax purposes, the new law will affect only servicemembers and their spouses who are domiciled in a state other than Massachusetts. For more information see TIR 09-23.

The following example illustrates circumstances under which military pay is or is not taxable in Massachusetts. No guidance is intended on the tax treatment of such pay under the laws of other states. Generally, when income is taxable in two jurisdictions, a credit for taxes paid to the other jurisdiction is allowed on the taxpayer's return in the state of his/her residence.

Example: *Betsy enlisted in the Navy in Massachusetts, but moved with her husband, Eric, from Massachusetts to Delaware when she was stationed there. They did not change their domicile to Delaware. She received military income while her*

husband received income working as a reporter for a local newspaper.

Betsy's income from the Navy, as well as her husband's income from the newspaper, are both subject to Massachusetts income tax since she enlisted in the Navy in Massachusetts and they did not become residents of Delaware. Betsy and her husband are, therefore, Massachusetts residents, and any income they receive, whether derived in Massachusetts or not, is included in their Massachusetts gross income.

What Are the Rules for Filing a Joint Return?

A joint Form 1 is not allowed if both spouses were not Massachusetts residents for the same portion of 2017.

If your spouse died during 2017, you may still choose to file a joint return.

If you are legally married, you have the option of filing either a joint return or a married filing separate return. Married taxpayers who file a joint return are allowed to claim the following exemptions, deductions and credits which married taxpayers filing separate returns may not claim:

- ▶ a deduction of \$3,600 (\$7,200 for two or more dependents) for a dependent member of household under age 12, or dependent age 65 or over as of December 31, 2017 (not you or your spouse) or a disabled dependent;
- ▶ No Tax Status if joint Massachusetts AGI was \$16,400 or less plus \$1,000 for each dependent;
- ▶ Limited Income Credit if joint Massachusetts AGI is between \$16,400 and \$28,700 plus \$1,750 for each dependent;
- ▶ excess unused exemptions against interest income (other than interest from Massachusetts banks), dividends or capital gain income; and
- ▶ a senior circuit breaker tax credit which allows senior citizens meeting certain eligibility criteria to claim a refundable credit on their state income taxes for the real estate taxes paid on the Massachusetts residential property they own or rent, and which they occupy as their principal residence. The credit is the amount by which the real estate tax payment or 25% of the rent constituting real estate tax payments exceeds 10% of their total income, but not more than \$1,080. The credit is refundable to the extent the credit exceeds the taxpayer's tax liability.

How Do I File a Decedent's Return?

A final income tax return must be filed for a taxpayer who died during the taxable year. This return should include income received until date of death. It must be signed and filed by his/her ex-

ecutor, administrator or surviving spouse for the portion of the year before the taxpayer's death. Be sure to fill in oval 1 if the taxpayer who was listed first on last year's income tax return is deceased, or oval 2 if the taxpayer who was listed second on last year's income tax return is deceased. Also, enclose Form M-1310, Statement of Claimant to Refund Due on Behalf of Deceased Taxpayer, with the refund claimant's name and Social Security number clearly printed.

A joint return may be filed by a surviving spouse. In the case of the death of both spouses, a final return must be filed by their legal representative.

Any income of \$100 or more received for the decedent for the taxable year after the decedent's death, and for succeeding taxable years until the estate is completed, must be reported each year on Massachusetts Form 2, Massachusetts Fiduciary Income Tax Return. Form 2 is available online at mass.gov/dor.

If the decedent's return shows a refund due, and if the Probate Court has not appointed a legal representative and none is contemplated, a Massachusetts Form M-1310 must be enclosed with the return so the refund check may be made payable to the proper person.

Should I Make Estimated Tax Payments in 2018?

Every resident or nonresident who expects to pay more than \$400 in Massachusetts income tax on income which is not covered by Massachusetts withholding must pay Massachusetts estimated taxes. Estimated tax payments can be made online by using MassTaxConnect by visiting mass.gov/dor or by filing Massachusetts Form 1-ES. See line 39 instructions and TIR 04-25 for more information.

When to File Your Return

Your 2017 Massachusetts Form 1 is due on or before April 17, 2018.

Automatic Extensions

All taxpayers filing personal income tax returns are automatically granted a six-month extension of time to file their tax return as long as at least 80% of the total amount of tax ultimately due on or before the due date prescribed for payment of the tax has been paid. See TIR 16-10.

Also, if you owe no tax or you are making a payment of \$5,000 or more, you are required to file your extension electronically, either through E-File or via the web. Failure to do so will result in a

penalty. If you are making a payment of less than \$5,000, you also have the option of filing your extension electronically. If there is a tax due with your extension, payment can be made through Electronic Funds Withdrawal.

Visit mass.gov/dor to file via the Web.

Form 1 Extension Worksheet

1. Enter amount from Form 1, line 32 _____
2. Enter the total of Form 1, lines 37 through 39 and 42 through 44. _____
3. Amount due. Subtract line 2 from line 1, not less than "0" _____

Note: Your extension will not be valid if you fail to pay 80% of your total tax liability through withholding, estimated tax payments or with your extension. Form M-4868 is available at mass.gov/dor or by calling (617) 887-6367 or toll-free in Massachusetts 1-800-392-6089.

Must I File on a Calendar Year Basis?

No. You may file on a fiscal year basis if you keep your books and records on that fiscal year basis and if you receive permission from the Commissioner of Revenue. If you file on a fiscal year basis, you must file on or before the fifteenth day of the fourth month after the end of your fiscal year. Taxpayers filing on a fiscal year basis must complete and file Form 13, Notice of Designation of Fiscal Year, available at mass.gov/dor or by calling (617) 887-6367 or toll-free in Massachusetts 1-800-392-6089.

Fiscal Year Filers and Short Year Filers

File the 2017 return for calendar year 2017 and fiscal years that began in 2017 and ended in 2018. For a fiscal year return, fill in the tax year space at the top of page 1. Short year filers should file using the tax form for the calendar year within which the short year falls. If the short year spans more than one calendar year, the filer should file using the tax form for the calendar year in which the short year began. If the current form is not available at the time the short year filer must file, the filer should follow the rules explained in TIR 11-12.

What If I am Unable to Pay?

If you are unable to pay the full amount of tax that you owe, you should pay as much of your tax liability as possible with this return. You will receive a bill from the Department for the remaining amount of tax due plus accrued interest and penalty charges. If the amount of that bill is less than \$10,000 and you still cannot pay it in full, you must apply formally to the Department for a small payment agreement in order to avoid collection activity. You can

Line by Line Instructions **7**

apply for a small payment agreement by visiting MassTaxConnect at mass.gov/dor.

Note: Do not mail your request for a payment agreement with your tax return. Requests can be made once a bill is issued through DOR's Mass-TaxConnect application at mass.gov/dor or by calling the Department at (617) 887-6367. Setting up a small payment agreement will allow you to make monthly payments within a set time period to satisfy your unpaid liability.

Name and Address

Print the full name, address, and Social Security number of each person filing the return in the spaces provided. Enter names as they appear on your federal return.

Social Security Number(s)

Be sure to enter your Social Security number(s) on your return. Also, enter your Social Security number on pages 2 through 4 of Form 1 and on page 2 of Schedules B or C, if filed. Failure to show the correct Social Security number in the space provided will delay the processing of your return. If filing jointly, list your numbers in the order they appear on your federal return. Taxpayers filing their U.S. return using an Individual Taxpayer Identification number (ITIN) should enter that ITIN as their Social Security number in the appropriate space. Also, be sure your employer has listed the correct Social Security number on your Form W-2. If you are married, you must list your spouse's name and Social Security number even if you are filing a separate return.

To apply for an SSN, you must complete Form SS-5. Form SS-5 is available online at socialsecurity.gov, from your local Social Security Administration (SSA) office, or by calling the SSA at 1-800-772-1213. It usually takes about two weeks to receive an SSN. If you are a nonresident or resident alien and you do not have and are not eligible to get an SSN, you must apply for an ITIN. For details on how to do so, see Form W-7 and its instructions. Form W-7 is available online at irs.gov or by calling the IRS at 1-800-829-1040. It usually takes about four to six weeks to receive an ITIN.

Filing an Original Return or Amended Return

Original Return

If this is the original filing of your 2017 tax return, fill in the "Original return" oval.

Filing an Amended Return

If you need to change a line item on your return, complete a new return with the corrected information and fill in the "Amended return" oval. Your amended return must include all schedules filed

with the original return, even if there are no changes to the schedules. Mail your amended return to the same address used for original returns. Do not file Form ABT with your amended return. An amended return can be filed to either increase or decrease your tax. An amended return should also be filed to correct a credit amount (such as withholding) or to dispute a health care penalty. Generally, an amended return must be filed within three years of the date that your original return was filed. Visit mass.gov/dor/amend for more information about filing an amended return.

Federal Changes

If your amended return includes changes you have reported on an amended federal return filed with the IRS for the same tax year, check the "Amended return due to federal change" oval.

If your amended return does not report changes that result from the filing of a federal amended return or from a federal audit (for example, if the amended Massachusetts return is reporting a rental deduction not claimed on the original return) fill in only the "Amended return" oval.

Consent to Extend the Time to Act on an Amended Return treated as Abatement Application

In certain instances, an amended return showing a reduction of tax may be treated by DOR as an abatement application. Under such circumstances, by filing an amended return, you are giving your consent for the Commissioner of Revenue to act upon the abatement application after six months from the date of filing. See TIR 16-11. You may withdraw such consent at any time by contacting the DOR in writing. If consent is withdrawn, any requested reduction in tax will be deemed denied either at the expiration of six months from the date of filing or the date consent is withdrawn, whichever is later.

Calculating the Overpayment or Amount Due from Your Amended Return

Unless otherwise stated, all amounts are from your amended return.

1. Tax after credits, contributions, use tax and HC penalty (from Form 1 line 36 or Form 1-NR/PY line 40) _____
2. Total payments and refundable credits (from Form 1 line 45 or Form 1-NR/PY line 49) _____
3. Payments not included in Form 1, line 41 or Form 1-NR/PY, line 45. _____
4. Total payments for amended return. Add lines 2 and 3. _____
5. Overpayment from original return (from Form 1 line 46 or Form 1-NR/PY line 50) _____

6. Net payments for amended return. Subtract line 5 from line 4. _____
7. Amount you owe. If line 1 is greater than line 6, enter difference. _____
8. Overpayment to be refunded. If line 1 is less than line 6, enter difference _____

Filing an Application for Abatement

File an Application for Abatement only to dispute one of the following:

- Penalties
- Audit assessments
- Responsible person determinations

For the fastest response time, file your dispute online at mass.gov/masstaxconnect. If you cannot file online, use Form ABT.

Visit mass.gov/dor/amend for additional information about filing an amended return, or filing an application for abatement.

Voluntary Contribution to State Election Campaign Fund

You, and your spouse if filing jointly, may voluntarily contribute \$1 each to the State Election Campaign Fund. The purpose of this fund is to provide limited public financing for campaigns of eligible candidates for statewide and elective office. This contribution will not change your tax or reduce your refund.

Veterans Benefits

Fill in the appropriate oval(s) for you, and/or your spouse if married filing a joint return, if you are a veteran who served in the Armed Forces of the United States in active service as part of Operation Enduring Freedom, Operation Iraqi Freedom or Operation Noble Eagle and were discharged under honorable conditions and were domiciled for six months in Massachusetts immediately prior to entry into the Armed Forces. The Department of Revenue will then forward the name and address to the Department of Veterans' Services and the adjutant general of the Massachusetts National Guard to verify eligibility for any benefits you may be entitled to.

Deceased Taxpayer

Be sure to fill in the appropriate oval if a taxpayer died during the taxable year. For further information, refer to the section "How Do I File a Deceased's Return?"

Under Age 18

If you are under age 18 as of January 1, 2018, be sure to fill in the oval(s).

Name/Address Change

If you legally changed your name or address in 2017, fill in the oval. If you changed your name, enclose a copy of your Social Security card or driver's license showing your new name. Failure to include this documentation could delay processing of your return. If you move after filing, be sure to leave a forwarding address with your local post office and file a Change of Address Form with the Massachusetts Department of Revenue. This form is available to be filed online at mass.gov/dor, or by calling (617) 887-6367 or toll-free in Massachusetts 1-800-392-6089.

a. Total Federal Income

Enter your total federal income (from U.S. Form 1040, line 22; Form 1040A, line 15; or 1040EZ, line 4). If married filing separately **and** living in the same household, each spouse must combine their income figures from their separate U.S. returns when completing this section. If you did not have a requirement to file a U.S. return, you must enter "0" in this section.

Note: Failure to enter this information will delay the processing of your return.

b. Federal Adjusted Gross Income

Enter your federal adjusted gross income (from U.S. Form 1040, line 37; Form 1040A, line 21; or Form 1040EZ, line 4). If married filing separately **and** living in the same household, each spouse must combine their income figures from their separate U.S. returns when completing this section. If you did not have a requirement to file a U.S. return, you must enter "0" in this section.

Note: Failure to enter this information will delay the processing of your return.

Noncustodial Parent

Fill in this oval if you are a "noncustodial parent." A noncustodial parent is defined as a person who has a minor child, but does not live with the child.

Note: If you are the biological parent of a child, but your parental rights have been terminated, you are not the noncustodial parent of that child.

Schedule TDS — Inconsistent Filing Position Penalty

Fill in the oval and enclose Schedule TDS, Taxpayer Disclosure Statement, if you are disclosing any inconsistent filing positions. Schedule TDS is available on our website at mass.gov/dor. The inconsistent filing position penalty (see TIR 06-5, section IV) applies to taxpayers that take an inconsistent position in reporting income. These taxpayers must "disclose the inconsistency" when filing their Massachusetts return. If such inconsistency is not disclosed, the taxpayer will be subject to a penalty equal to the amount of tax attribut-

able to the inconsistency. This penalty is in addition to any other penalties that may apply.

A taxpayer is deemed to have taken an "inconsistent position" when the taxpayer pays less tax in Massachusetts based upon an interpretation of Massachusetts law that differs from the position taken by the taxpayer in another state where the taxpayer files a return and the governing law in that other state "is the same in all material respects" as the Massachusetts law. The Commissioner may waive or abate the penalty if the inconsistency or failure to disclose was attributable to reasonable cause and not willful neglect.

Note: Lines without specific instructions are considered to be self-explanatory.

Line 1. Filing Status

Note: More than one filing status may apply to you. If so, you may wish to figure your taxes based upon more than one filing status to see which status is to your benefit.

Single

Fill in the "Single" oval if you were single as of December 31, 2017. This status applies to you if at the close of the taxable year you fit into any of the following categories:

- ▶ you were unmarried;
- ▶ you were a widow or widower whose spouse died before 2017; or
- ▶ you were legally separated under a final judgment of the probate court.

Please note that you are not single if: (1) you have obtained a judgment of divorce which has not yet become final; (2) you have a temporary support order; or (3) you and your spouse simply choose to live apart.

Married Filing Joint Return

Fill in the "Married filing joint return" oval if you were legally married as of December 31, 2017. Both spouses are responsible for the accuracy of all information entered on a joint return and both must sign. A joint return is allowed even if only one spouse had income or if one spouse died during 2017. For further information, refer to the section "What Are the Rules for Filing a Joint Return?"

Married Filing Separate Return

Fill in the "Married filing separate return" oval if you were legally married as of December 31, 2017, and if you and your spouse are not filing a joint return. Be sure to enter your spouse's name and Social Security number in the space provided.

Head of Household

Fill in the "Head of household" oval if you qualify to file this status federally. This status is for unmarried people who paid over half the cost of

keeping up a home for a qualifying person, such as a child who lived with you or your dependent parent. Be sure to include such qualifying person on Schedule DI, Dependent Information. Certain married people who lived apart from their spouse for the last six months of 2017 and who meet all of the other federal requirements may also be able to use this status. See IRS Publication 501, Exemptions, Standard Deduction, and Filing Information, for more information.

Custodial Parent

Fill in the Custodial parent who has released claim to exemption for child(ren) oval if you are claiming the head of household filing status and you have released your claim to one or more dependent exemptions on IRS Form 8332, or participated in a decree or agreement to allow the noncustodial parent to claim a dependency exemption.

Whole Dollar Method Required

The Department of Revenue requires that the whole dollar method be used for entries made on forms or schedules. For example, amounts between \$1.00 and \$1.49 should be entered as \$1.00 and amounts between \$1.50 and \$2.00 should be entered as \$2.00. However, calculations on worksheets used to reach amounts shown on the return may be made in one of two ways: (1) round amounts before adding them up and enter the resulting total on the form, or (2) add amounts to the penny, and then round to the whole dollar for entry on the form. Either method is acceptable as long as one method is used consistently throughout the return.

Line 2. Exemptions

Line 2a: Personal Exemptions

Each taxpayer is entitled to claim a personal exemption. The amount of your personal exemption depends on your filing status in line 1.

- ▶ If you are single or married filing a separate return, enter \$4,400 in line 2a.
- ▶ If filing as head of household, enter \$6,800 in line 2a.
- ▶ If married filing a joint return, enter \$8,800 in line 2a.

Line 2b: Number of Dependents

You may claim a \$1,000 exemption for each of your dependents if you claimed them on your U.S. return. Enter in the box in item b the number of dependents you listed on U.S. Form 1040, line 6c or U.S. Form 1040A, line 6c. Do not include yourself or your spouse. Then, multiply that total by \$1,000 and enter the total amount in line 2b. Be sure to fill out Schedule DI, Dependent Information, if you are claiming a dependent exemption(s). Failure to do so will delay the processing of your return.

Note: Only one person (or married couple filing jointly) may claim the dependent exemption for any one child or other dependent.

In a few cases, the number of dependents claimed for Massachusetts purposes and for U.S. purposes may differ. Massachusetts allows a dependent exemption for each individual who qualifies for exemption as a dependent under sec. 151(c) of the Code. For purposes of sec. 151(c), the definition of dependent in sec. 152 is adopted. Under federal law, there are additional restrictions on the dependent exemption beyond the rules of sec. 152 that are not adopted by Massachusetts. For Massachusetts tax purposes, if an individual qualifies as a dependent under the rules of sec. 152, you can claim a dependent exemption for such a person. If you claim such a dependent in Massachusetts, increase the number reported in item b from your U.S. return by the number of such additional dependents.

Line 2c: Age 65 or Over Before 2018

You are allowed an additional \$700 exemption if you were age 65 or over before January 1, 2018. If your spouse was age 65 or over and you are filing a joint return, you may also claim a \$700 exemption for your spouse. Fill in the appropriate oval(s) and enter the total number of persons age 65 or over in the small box. Multiply that total by \$700 and enter the total in line 2c.

Line 2d: Blindness Exemption

You are allowed an additional \$2,200 exemption if you are legally blind. If your spouse is also legally blind and you are filing a joint return, you may also claim a \$2,200 exemption for your spouse. Fill in the appropriate oval(s) and enter the total number of blindness exemptions in the small box. Multiply that total by \$2,200 and enter the total in line 2d.

Legal Definition of Blindness

You are legally blind and qualify for the blindness exemption if your visual acuity with correction is 20/200 or less in the better eye, or if your peripheral field of vision has been contracted to a 10-degree radius or less, regardless of visual acuity.

Line 2e: Medical/Dental Expenses

You may claim an exemption for medical and dental expenses paid during 2017 only if you itemized these expenses on your U.S. Form 1040, Schedule A. If you are married filing a joint U.S. Form 1040, you must file a joint Massachusetts Form 1 to claim this exemption. Enter in line 2e, item 1 the amount reported on your U.S. Form 1040, Schedule A, line 4.

Line 2f: Adoption Agency Fee

If you paid adoption fees to a licensed adoption agency during 2017, you are eligible for an exemption of the total amount of the fees paid dur-

ing the year. Fees paid during 2017 to an agency licensed to place children for adoption on account of the adoption process of a minor child regardless of whether an adoption actually took place during 2017 should also be included for this exemption. Enter this amount in line 2f.

5.1% Income

Note: DOR and the IRS maintain an extensive exchange program, routinely sharing computer tapes and audit results. Discrepancies between income, deductions, and schedules reported federally and on this return, except those allowed under state law, will be identified and may result in a state audit or further investigation.

Line 3. Wages, Salaries, Tips and Other Employee Compensation

Report in line 3 total state wages and allocated tips from Form(s) W-2. Generally, your total wages and allocated tips will be the same amount reported on your U.S. 1040 or 1040A, line 7; or 1040EZ, line 1.

Note: Following are instances that require an adjustment to these amounts:

Massachusetts Residents Working in a Foreign Country

Income earned by a Massachusetts resident in a foreign country is subject to taxation in Massachusetts. If you excluded part or all of the compensation earned in a foreign country on your U.S. return (under Section 911 of the U.S. IRC), you must include any such amount in line 3 for Massachusetts tax purposes.

State or Local Employees Contributing to Pension Plans

If you are a Massachusetts state, city, town or county employee and contributed to your pension plan, enter in line 3 the Massachusetts W-2 state wage amount. This is generally box 16 of Form W-2. This amount will be higher than the U.S. amount because your pension contributions are excluded from your income for U.S. tax purposes. Contributions up to \$2,000 per taxpayer may still be deducted in lines 11a and/or 11b.

Line 4. Taxable Pensions and Annuities

Income from most private pensions or annuity plans is taxable in Massachusetts. Certain government pensions, however, are exempt under Massachusetts law. In general, exempt pensions include contributory pensions from the U.S. Government or the Commonwealth of Massachusetts and its political subdivisions, and noncontributory military pensions. The following section describes some specific pensions which are exempt. If your pen-

sion is exempt, enter "0" in line 4 and note the source on the dotted line to the left.

If your pension is not exempt, you should generally enter in line 4 the taxable amount reported on your U.S. Form 1040, line 16b, or U.S. Form 1040A, line 12b. In some cases, however, Massachusetts law requires an adjustment to the federal amount. Distributions from annuity, stock bonus, pension, profit-sharing or deferred payment plans or contracts described in Sections 403(b) and 404 of the U.S. IRC must be adjusted to account for your contributions that have been previously taxed. Subtract from such income (as reported on your U.S. Form 1040, line 16a, or U.S. Form 1040A, line 12a) the amount of your contributions which was previously taxed by Massachusetts until the total of your taxed contributions is received. If your pension falls into this category, enter the adjusted amount in line 4. If you are receiving distributions from an IRA or Keogh plan, do not report the income here; instead, see the instructions for Schedule X, line 2.

Note: Massachusetts does not tax Social Security income; therefore, you should not report such income on Massachusetts Form 1.

What pensions are exempt?

- ▶ Pension income received from a contributory annuity, pension, endowment or retirement fund of the U.S. Government or the Commonwealth of Massachusetts and its political subdivisions.
- ▶ Pensions from other states or its political subdivisions which do not tax such income from Massachusetts or its political subdivisions may be eligible to be deducted from Massachusetts taxable income. This pension income, however, should be reported in line 4. Refer to Schedule Y, line 13 instructions to determine eligibility for this deduction.
- ▶ Noncontributory pension income or survivorship benefits received from the U.S. uniformed services (Army, Navy, Marine Corps, Air Force, Coast Guard, commissioned corps of the Public Health Service and National Oceanic and Atmospheric Administration) is exempt from taxation in Massachusetts.
- ▶ Massachusetts state court judges who were appointed on or after January 2, 1975 are participants in the Massachusetts contributory retirement system and their pensions are nontaxable. State court judges who were appointed prior to January 2, 1975 receive taxable noncontributory pensions.

If you retired under Chapter 32, Sections 56–60 of Massachusetts General Laws and are a veteran who began Massachusetts state service prior to July 1, 1939, all or part of your pension income may be subject to tax. If you elected to receive your proceeds from contributions in one lump-sum distribution, your original contributions to the retirement

system are not taxable. Noncontributory pension income received after a lump-sum distribution is fully taxable and should be reported in line 4.

How do I report lump-sum distributions?

If you were an employee of the U.S., Massachusetts or one of its political subdivisions and left public employment prior to retirement, you are not required to report as income the lump-sum distribution of your previously-taxed pension contributions.

Lump-sum distributions of qualified employee benefit plans in excess of the employee's contributions which were previously subject to Massachusetts tax (or not previously excluded from Massachusetts tax) must be reported in line 4. Generally, qualified rollovers are not taxable in Massachusetts to the extent they are not taxable on your U.S. return. Lump-sum distributions related to IRA/Keogh and Roth IRA distributions should be reported in line 9, "Other Income (from Schedule X)."

Rollover from a traditional IRA to a Roth IRA.

Taxpayers are allowed to make partial or complete rollovers from existing IRAs to Roth IRAs. Any taxable portion of these rollovers included in federal gross income is also included in Massachusetts gross income, except for amounts previously subject to Massachusetts personal income tax. See Schedule X, line 2 instructions for further details.

Line 5. Interest from Massachusetts Banks

Enter in line 5a the total amount of interest received or credited to deposit accounts (term and time deposits, including certificates of deposit, savings accounts, savings shares, and NOW accounts) in Massachusetts banks. Then, enter your exemption amount in line 5b (if married filing jointly, enter \$200; otherwise, enter \$100). Subtract line 5b from 5a and enter the result in line 5, but not less than "0."

Note: This exemption amount does not apply to your U.S. tax return.

Do **not** subtract interest forfeited or penalties charged to you for early savings withdrawal. You will be allowed to deduct these amounts on Schedule Y, line 2. All other interest, unless exempt, should be entered on Massachusetts Schedule B. Interest on an IRA/Keogh is not taxable until distributed.

Lines 6, 7 and 10. If showing a loss in lines 6, 7 or 10, be sure to mark over the "X" in the box to the left. Do not use parentheses or negative signs to indicate losses.

Line 6a. Business/Profession Income or Loss

Enter in line 6 the amount of income or loss from a business or profession from Massachusetts

Schedule C, line 31. You must enclose Massachusetts Schedule C with this return.

Note: U.S. Schedules C or C-EZ are no longer allowed as a substitute for Mass. Schedule C.

Line 6b. Farm Income or Loss

If you operate a farm as an individual or cooperative, enter the amount of income or loss from operating a farm from U.S. Schedule F, Profit or Loss from Farming, line 34. Enclose a copy of U.S. Schedule F. Complete a pro-forma U.S. Schedule F to report Massachusetts differences, such as bonus depreciation.

Line 7. Rental, Royalty, REMIC, Partnership, S Corporation, Trust Income or Loss

Taxpayers with income or loss reported on a Schedule E must file his or her tax return using computer-generated forms produced by third-party software. The tax return may be generated by the taxpayer or by a tax professional. The taxpayer is encouraged, but not required, to submit the return electronically. Paper forms produced using the third-party software product will contain a two-dimensional (2D) bar code and will also be accepted. If the taxpayer hires an income tax preparer to complete the taxpayer's taxes, the preparer must follow the Commissioner's electronic filing rules. See TIR 08-22 for more information.

If you do not have access to a software package when filing your 2017 income tax return, you may file your Schedule(s) E on paper. Visit our website at mass.gov/dor to download a paper copy of the 2017 Schedule(s) E, E-1, E-2, E-3 (and instructions) to file with your income tax return.

Line 8a. Unemployment Compensation

If you received unemployment compensation, enter in line 8a the amount from U.S. Form 1040, line 19; 1040A, line 13; or 1040EZ, line 3. If you elected voluntary withholding of Massachusetts state income taxes on your unemployment compensation, be sure to include the amount of Massachusetts state income tax withheld, as reported on Form 1099-G, on Form 1, line 37 where indicated on the return, Form 1099-G.

Note: DOR routinely matches the amounts in line 8a with files from the Division of Unemployment Assistance.

Line 8b. Massachusetts State Lottery Winnings

Enter in line 8b all winnings from the Massachusetts state lottery. Do not enter less than "0." You may only deduct the price of your winning ticket. Lottery losses claimed as itemized deductions on

U.S. Form 1040, Schedule A are not allowed on your Massachusetts return.

Note: DOR routinely matches the amounts in line 8b with files from the Lottery Commission.

Line 9. Other Income (from Schedule X)

Alimony Received, Taxable IRA/Keogh and Roth IRA Conversion Distributions, Other Gambling Winnings, Fees and Other 5.1% Income

"Other 5.1% income" includes the items listed above and must be included on Schedule X. Enter the total from Schedule X, line 5. Not less than "0." Be sure to enclose Schedule X with your return. Failure to enclose this schedule will delay the processing of your return.

Deductions

Lines 11 through 15

Massachusetts allowable deductions differ from "Itemized Deductions" on Schedule A of U.S. Form 1040. You may claim only the deductions specified on Massachusetts Form 1, lines 11 through 14 and Schedule Y.

Please read the instructions for lines 12 and 13 to determine which deduction you qualify for or which is better for you. You cannot claim a deduction in both lines 12 and 13.

You are not allowed to deduct amounts unless they are directly related to income that is subject to taxation and reported on Massachusetts Form 1.

Line 11. Amount Paid to Social Security (FICA), Medicare, Railroad, U.S. or Massachusetts Retirement Systems

If you have paid into any of the retirement systems listed above during 2017, you may deduct those contributions, up to a maximum of \$2,000.

Enter in lines 11a and 11b the amount you, and your spouse if filing jointly, paid to Social Security (FICA), Medicare or Railroad Retirement and the U.S. or Massachusetts retirement systems during 2017 as shown on your Form W-2, but not more than \$2,000 each. Payment amounts may not be combined or transferred from one spouse to the other. Be sure to add any amount of Medicare tax withheld as shown on Form W-2 and any amount of self-employment tax as reported on your U.S. Form 1040 to the amount of Social Security tax withheld, the total not to exceed \$2,000 per person.

Note: Medicare premiums deducted from your Social Security or retirement payments are **not** deductible.

Payments to an IRA, Keogh, Simplified Employee Pension Plan (SEP), or Savings Incentive Match Plan for Employees (SIMPLE) Account are not deductible for Massachusetts income tax purposes.

Line 12. Child Under Age 13, or Disabled Dependent/Spouse Care Expenses

Massachusetts allows taxpayers to exceed the federal limit on employment-related expenses for the care of a qualified child under the age of 13, a disabled dependent or a disabled spouse. The maximum deduction is \$4,800 for one qualifying individual, and \$9,600 for two or more qualifying individuals. Complete the following Form 1, Line 12 Worksheet to calculate your Massachusetts child or disabled dependent/spouse care expense deduction.

Note: You cannot claim this deduction if married filing a separate U.S. 1040 or 1040A return. If you are filing a joint U.S. 1040 or 1040A return but are married filing separately for Massachusetts purposes, either spouse may claim the deduction for expenses he or she incurred, but their combined deduction cannot exceed \$4,800 for one qualifying individual or \$9,600 for two or more qualifying individuals.

Taxpayers who received dependent care benefits should complete a pro forma U.S. Form 2441. When completing this pro forma form, taxpayers should enter \$4,800 (or \$9,600 for two or more qualifying persons) in line 27 of U.S. Form 2441. The amount from this pro forma Form 2441, line 31 should then be entered in line 1 of the following worksheet.

Form 1, Line 12 Worksheet. Child Under 13 or Disabled Dependent/Spouse Care Deduction

1. Enter the amount of qualified expenses you incurred and paid in 2017 for a qualifying person(s). This amount may exceed the federal limit of \$3,000 for one qualifying person or \$6,000 for two or more persons. However, do not enter more than \$4,800 for one qualifying person or \$9,600 for two or more persons _____

2. Enter the amount from U.S. Form 2441, line 4 _____

3. Enter the amount from U.S. Form 2441, line 5 _____

4. Enter the smallest of line 1, 2 or 3 _____

5. If you paid 2016 expenses in 2017, enter the amount of the allowed 2016 expenses used to compute the credit on U.S. Form 2441, line 9. Otherwise, enter "0" _____

6. Add lines 4 and 5. Not to exceed more than \$4,800 for one qualifying person or \$9,600 for two or more persons. Enter here and in Form 1, line 12 _____

Note: If you choose to take a deduction in Form 1, line 12, you cannot take the deduction in Form 1, line 13.

Line 13. Dependent Member(s) of Household Under Age 12, or Dependents Age 65 or Over (not you or your spouse) as of December 31, 2017, or Disabled Dependent

You may deduct \$3,600 for a dependent member of household, or \$7,200 for two or more dependents, under age 12, or dependent age 65 or over (not you or your spouse) as of December 31, 2017, or disabled dependent. Enter the number of qualified dependents in line 13a, not to exceed two, and multiply that amount by \$3,600. Enter the result in line 13. Only if single, head of household or married filing jointly. You cannot claim this deduction if married filing a separate return.

Note: You may claim an amount in line 13 only if there is no entry in line 12.

Line 14. 50% Rental Deduction

You may be entitled to a rental deduction equal to one-half (50%) of the rent you paid during 2017 (up to a maximum of \$3,000 per return) for your principal residence in Massachusetts. Enter the total amount of qualified rent paid by you during 2017 in line 14a. Divide line 14a by 2 and enter the result, or **\$3,000** (\$1,500 if married filing a separate return) — **whichever is smaller** — in line 14.

Note: This deduction amount does not apply to your U.S. tax return.

What Qualifies for the Rental Deduction?

The deduction must be for rent you paid to a landlord for the rental or lease of your principal residence in Massachusetts.

If two or more persons jointly rent a unit, each occupant using it as his/her principal residence is entitled to a deduction based on the amount of rent that each person paid.

If the rent is paid by a third party (such as a parent) who maintains a principal residence elsewhere, no 50% rental deduction is allowed for either party.

A principal residence does not include any residence for vacation, an apartment for a person on a temporary assignment or a student or faculty member who has a principal residence elsewhere. It also does not include any apartment or house

in Massachusetts of a nonresident who has a residence in another state or country.

Payment for occupying a hotel, motel or rooming house is not considered rent unless a rental agreement exists. All separately stated charges such as utilities, furnishings or parking cannot be included in rent for purposes of this deduction. Also, rent does not include any advance payments (such as security deposit, last month's rent, etc.) until actually applied as rent.

How Do I Calculate My Rental Deduction If I Am Married Filing Separately?

If married taxpayers file separate returns, they are each entitled to a rental deduction equal to 50% of the rent each pays, not to exceed \$1,500 per return. However, a married couple filing separately may allocate the rent deduction differently, provided the amount taken by each spouse does not exceed 50% of the rent actually paid by that spouse, and provided their combined rental deductions do not exceed \$3,000. If the allocation results in one spouse claiming a deduction in excess of \$1,500, that spouse must enclose with his/her return a statement signed by the other spouse indicating consent to the allocation. The statement must contain the name, address and Social Security number of the consenting spouse and the amount of rental deduction taken by that spouse.

Line 15. Other Deductions (from Schedule Y)

Enter the total from Schedule Y, line 19. Be sure to enclose Schedule Y with your return. Failure to do so will delay the processing of your return.

Line 17. 5.1% Income After Deductions

If your total exemptions in Form 1, line 18 are more than the amount of your 5.1% income after deductions in Form 1, line 17, the excess may be applied against any interest and dividend income and income taxed at 12%. Any remaining excess amount may then be applied against any long-term capital gain income. Complete this worksheet only if Form 1, line 17 is less than Form 1, line 18 and you received interest income (other than interest from Massachusetts banks), dividends or capital gain income to determine if you qualify for the excess exemption. Complete and enclose Schedule CRS, Credit Recapture Schedule.

Line 26. Additional Tax on Installment Sale

An addition to tax applies for taxpayers who have deferred the gain, and the tax associated with that gain, on certain installment sales. This addition to tax is measured by an interest charge on the tax that has been deferred.

Include in line 26 an additional tax amount representing an interest charge on the deferred tax on gain from certain installment sales with a sales price over \$150,000 if you are not a dealer and the aggregate face amount of installment obligations arising during the tax year and outstanding as of the close of the tax year exceeds \$5 million. For more information see G.L. c. 62C, sec. 32A (a) and I.R.C. sec. 453A (a)–(c).

Also include in line 26 an additional tax amount representing an interest charge on the deferred gain from the installment sale of timeshares and residential lots, if the sale meets one of the following criteria: (1) the sale is of a timeshare right for six weeks or less; (2) the sale is for the recreational use of specified campgrounds; or (3) the sale is for a residential lot and neither the dealer nor someone related to the dealer is obligated to make any improvements on the lot. For more information see G.L. c. 62C, sec. 32A (b) and I.R.C. sec. 453(l)(2)(B).

If you are a partner in a partnership or a shareholder in an S corporation, the entity is required to send you the information you need to calculate the addition to tax under this provision.

To the extent practicable, Massachusetts follows federal income tax rules in determining the deferred gain from installment sales subject to the interest-charge addition to tax. For more information visit DOR's website at mass.gov/dor and Internal Revenue Service Publication 537.

state or jurisdiction, complete the following worksheet and enter the amount of credit in line 30. Do not include taxes paid to the U.S. government. (This credit does not apply to city or local taxes.) You are allowed to claim a credit for taxes paid to the following jurisdictions: (1) other states in the U.S., including payments made under the Rhode Island Temporary Disability Insurance Act (see DOR Directive 12-1); (2) any territory or dependency of the U.S. (including Puerto Rico, the Virgin Islands, Guam, the District of Columbia); or (3) the Dominion of Canada or any of its provinces (less any U.S. credit amount allowable from U.S. Form 1116).

The total credit which you calculate on the worksheet is the smaller of the amount of taxes due to other jurisdictions (net of certain adjustments) or the portion of your Massachusetts tax due on your gross income that is taxed in such other jurisdictions.

Credit is not given for a property tax due to another jurisdiction on account of capital stock or property. This does not refer to a tax on gain or income from the sale of capital stock or property, as included on Schedule B or D. Credit is also not given for any interest and penalties paid on a tax due to another jurisdiction.

You must complete separate worksheets if you had 5.1% income and interest income (other than interest from Massachusetts banks), dividends or capital gain income taxed by another jurisdiction. If you use this worksheet to calculate a credit for interest income (other than interest from Massachusetts banks), dividends or capital gain income, substitute interest income (other than interest from Massachusetts banks), dividends or capital gain income for 5.1% income in line 1 of the worksheet. You must also substitute Schedule B, line 7 (interest and dividend income) and Schedule B, line 13 (taxable 12% capital gains) or Schedule D, line 13, (gross long-term capital gains and losses), but not less than "0," for Form 1, line 10 in line 2 of the worksheet, and the total of Form 1, line 20 multiplied by .051 (tax on interest and dividend income) and Form 1, line 23 (12% tax) or line 24 (tax on long-term capital gains) for Form 1, line 19 in line 4 of the worksheet.

▶ When using the worksheet to calculate credit for interest income (other than interest from Massachusetts banks), dividends or capital gain income, enter in line 1 such income taxed in another jurisdiction calculated as if it was earned in Massachusetts.

▶ If you choose to pay the optional 5.85% tax rate, substitute .0585 for .051 in line 4 of the worksheet.

Note: Be sure to complete and enclose Schedule OJC, Income Tax Paid to Other Jurisdictions, and enter the two-letter state or jurisdictional postal code for each state or jurisdiction for which you are taking the credit. Taxpayers from a territory or dependency of the U.S., or the Dominion of Canada or any of its provinces, must enter "FC" as the postal code.

Line 33. Voluntary Contributions

You may contribute any amount you choose to the following funds. Remember, these amounts are added to your tax. They increase the amount of your payment or reduce the amount of your refund.

a. Endangered Wildlife Conservation: The Natural Heritage and Endangered Species Fund is administered by the Division of Fisheries and Wildlife. Contributions are used to protect and restore rare and endangered wildlife and plants, and their habitats. This fund has helped restore and conserve in the Commonwealth populations of the Bald Eagle, Hessel's Hairstreak Butterfly, the Redbelly Turtle and the Plymouth Gentian.

b. Organ Transplant Fund: The Organ Transplant Fund is administered by the Massachusetts Department of Public Health. All contributions received by the Fund assist patients with the costs of medications without which they might lose their transplanted organs. For information on how to become an organ donor, visit the Registry of Motor Vehicle's website at mass.gov/rmv.

c. Massachusetts AIDS Fund: The Massachusetts AIDS Fund is administered by the Massachusetts Department of Public Health. Contributions are used for research, experimental treatment and education related to Acquired Immune Deficiency Syndrome (AIDS). Massachusetts residents living with AIDS receive experimental treatment through clinical trials which are wholly supported with this Fund. The Fund also educates people with AIDS about treatment options and how to gain access to medication and experimental treatment.

d. Massachusetts United States Olympic Fund: Contributions to this fund are used to assist Massachusetts residents in paying all or part of any costs associated with the development, maintenance and operation of the United States Olympic Team participating in the Olympics and the United States Paralympic Team participating in the Paralympics.

e. Massachusetts Military Family Relief Fund: The Massachusetts Military Family Relief Fund is administered by the Friends of Massachusetts National Guard and Reserve Families. Contributions to this fund are used to help members of the Massachusetts National Guard and Massachusetts residents who are members of the reserves of the armed forces of the United States and who have been called to active duty after the September 11, 2001 terrorist attacks, and their families, to defray the costs of food, housing, utilities, medical services, and other expenses.

f. Homeless Animal Prevention and Care Fund: The Homeless Animal Prevention and Care Fund is administered by the Department of Agricultural Resources. Contributions will help animals by reducing the number of homeless cats and dogs by spaying, neutering and vaccinating animals in shelters and animal control facilities and assisting families who would not otherwise be able to afford these services for their pets. The Fund also provides training to municipal animal control officers so that they can safely and effectively protect animals and people in their communities.

Line 34. Massachusetts Use Tax Due On Internet, Mail Order and Other Out-of-State Purchases Made in 2017

If you purchased taxable tangible personal property out of state, over the Internet or from a cata-

log and did not pay Massachusetts sales tax at purchase, a Massachusetts use tax is due. If an item is exempt from sales tax (such as food, or clothing that costs \$175 or less), it would be exempt from use tax.

If you paid a sales or use tax to another state or territory of the United States when purchasing this item, you are generally entitled to a credit against the Massachusetts use tax, up to 6.25%. See TIR 03-01 for more information. No credit is allowed for a value-added tax (VAT) paid to another country.

The following are some items that are often purchased without paying sales tax. Residents would then owe use tax based on the purchase price.

- ▶ Electronics
- ▶ Appliances
- ▶ Furniture
- ▶ Jewelry
- ▶ Books
- ▶ Artwork
- ▶ Software
- ▶ Computers
- ▶ CDs and DVDs
- ▶ Video games
- ▶ Carpet
- ▶ Antiques

For example:

▶ You purchased several DVDs on the Internet for \$100 and paid no sales tax. Your use tax liability to Massachusetts on these items is \$6.25 (\$100 x .0625 = \$6.25).

▶ You purchased a computer for \$1,550 from a seller located outside of Massachusetts and paid no sales tax. Your use tax liability to Massachusetts on this item is \$96.88 (\$1,550 x .0625 = \$96.88).

Taxpayers may choose the “safe harbor” option for purchases of individual items each having a total sales price of less than \$1,000. The “safe harbor” provision makes it easier to comply with the use tax law by allowing taxpayers to self-report an estimated amount of use tax based on the average amount of online and/or out of state purchases a taxpayer in their income bracket would likely make during the year. Taxpayers do not need to keep receipts with “safe harbor” reporting and will not be assessed additional use tax if audited, even if the actual amount of use tax due is greater than the “safe-harbor” amount reported.

<i>Mass. AGI per return*</i>	<i>Use tax liability</i>
\$ 0 – \$ 25,000	\$ 0
25,001 – 40,000	20
40,001 – 60,000	31
60,001 – 80,000	44
80,001 – 100,000	56

If the Massachusetts AGI per return* is more than \$100,000, multiply by .000625.

*From line 7 of Massachusetts AGI worksheet.

If you did not purchase any items with a total sales price of \$1,000 or more, you may enter the “safe harbor” amount from the table above directly on Form 1, line 34.

Complete the following Form 1, line 34 Worksheet to calculate your use tax if you are not reporting a “safe harbor” amount or if you purchased any individual items with a sales price of \$1,000 or more. If you did purchase items with a sales price over \$1,000 and you are reporting a “safe harbor” amount, add the amount from the worksheet line 4 to the “safe harbor” amount.

Form 1, Line 34 Worksheet. Use Tax Due on Internet, Mail Order and Other Out-of-State Purchases

1. Total of purchases in 2017 subject to Massachusetts use tax _____

2. Use tax. Multiply line 1 by .0625 (6.25%) _____

3. Credit for sales/use tax paid to other states or jurisdictions. Add the amount of any sales/use tax paid to another state or jurisdiction, or 6.25% of the sales price, whichever is less, on each purchase reported in line 1 _____

4. Total amount due. Subtract line 3 from line 2. Not less than “0”. Enter here and on Form 1, line 34 _____

Line 35. Health Care Penalty

If you are subject to the Health Care Penalty for 2017 and are not appealing the application of the penalty, enter the penalty amount from line 8 of the Health Care Penalty Worksheet in line 35a for you and/or line 35b for your spouse.

If married filing a joint return and both you and your spouse are subject to the penalty, separate Health Care Penalty Worksheets must be filled out to calculate the separate penalty amounts for you and your spouse, using your married filing jointly income.

Note: For tax years beginning on or after January 1, 2014, a taxpayer who does not have health insurance meeting both the Massachusetts standard of creditable coverage and the federal standard of minimum essential coverage may be subject to both the Massachusetts penalty and the federal shared responsibility payment. However, if a taxpayer is subject to both the Massachusetts penalty and the federal shared responsibility payment, the amount of the taxpayer’s Massachusetts penalty is reduced to account for payment of a federal shared responsibility payment. If the federal shared responsibility payment is greater than the amount that the taxpayer would owe as the Massachusetts penalty, the Massachusetts penalty is reduced to “0”.

Enter in line 35c the amount of the federal shared responsibility payment (federal healthcare penalty) from U.S. Form 1040, line 61; U.S. Form 1040A, line 38; or U.S. Form 1040EZ, line 11.

Note: If you filed married filing jointly on your U.S. return and are filing married filing separately on your Massachusetts return, you **must** divide the amount of your federal shared responsibility payment by 2.

Subtract line 35c from the total of lines 35a and 35b and enter the result in line 35, **but not less than “0.”**

Be sure to enclose Schedule HC with your return. Failure to do so will delay the processing of your return.

Line 37. Massachusetts Income Tax Withheld

This represents all income taxes withheld for the Commonwealth of Massachusetts as indicated on your copies of Forms W-2, W-2G, PWH-WA (promoter withholding), LOA (Loan Out Affidavit), 2G, K-1, 2K-1, 3K-1 and certain 1099s, if applicable. Enter the total of all Massachusetts withholdings in line 37. Enclose state copies with your return; otherwise your claim of amounts withheld will not be allowed. If you have lost your state copy, ask the payer for a duplicate. Copies of 1099s need only be enclosed if they show an amount for Massachusetts tax withheld.

Line 38. 2016 Overpayment Applied to Your 2017 Estimated Tax

Include the exact amount of any 2016 overpayment you applied to your 2017 estimated taxes from your 2016 Massachusetts Form 1, line 45 or Form 1-NR/PY, line 50. Do not include any 2016 refund in this line.

Line 39. 2017 Massachusetts Estimated Tax Payments

If you paid Massachusetts estimated income tax for 2017, enter in line 39 the total of all Massachusetts estimated tax payments. Be sure to include any last quarter (of 2017) payment made on or before January 15, 2018. Do not include any 2016 overpayment applied to your 2017 estimated tax. Every resident who expects to pay more than \$400 in Massachusetts income tax on income which is not covered by Massachusetts withholding must pay Massachusetts estimated taxes. Estimated tax payments can be made online by using MasTaxConnect by visiting mass.gov/dor or by filing Massachusetts Form 1-ES.

Income which is not subject to withholding includes:

- ▶ salaries and wages where the employer is not subject to Massachusetts withholding;
- ▶ dividends and interest, including interest from Massachusetts banks;
- ▶ gains from capital assets;

- ▶ income from an individual trade, business or profession;
- ▶ income from any estate or trust not taxed directly;
- ▶ certain pensions;
- ▶ taxable Keogh or IRA distributions (only if you elected not to have federal withholding);
- ▶ rental, royalty or REMIC income;
- ▶ unemployment compensation (from which no Massachusetts income tax was withheld);
- ▶ alimony received;
- ▶ distributions from SIMPLE accounts;
- ▶ illegal income; and
- ▶ any other income received while a Massachusetts resident from which Massachusetts tax will not be withheld.

Generally, the first payment must be filed on or before April 15 of the taxable year. The estimated tax may be paid in full with the first payment or in four installments on or before April 15, June 15, September 15 of the current taxable year and January 15 of the following year.

If you wish to verify estimated tax payments that have already been made through your MassTax-Connect account. If you don't have a MassTax-Connect account, you can sign up at www.mass.gov/masstaxconnect

You may request your employer to withhold additional amounts from your salary on Form M-4, Massachusetts Employee's Withholding Exemption Certificate, to cover the taxes on other income so that you do not have to file and pay estimated taxes.

If 80% of the tax is not paid throughout the year through withholding and/or estimated payments, a penalty may be imposed.

If you are requesting a refund, mail the amended Form 1 to: Massachusetts Department of Revenue, PO Box 7002, Boston, MA, 02204.

Line 42. Earned Income Credit

The earned income credit is a tax credit for certain taxpayers who work and have earned income under \$53,930. Taxpayers who qualify for and claim the federal earned income credit are allowed a refundable credit equal to 23% of the federal amount. If the credit due the taxpayer exceeds the amount of the total income tax payable for the year by the taxpayer, the excess amount of the credit will be refunded to the taxpayer without interest. You must enter the number of qualifying children, if any, in line 42a. Then, enter the federal earned income credit amount from your U.S. Form 1040, line 66a, 1040A, line 42a; or 1040EZ, line 8a. Multiply this amount by .23 (23%) and enter the result in line 42. Be sure to fill out Schedule DI, Dependent Information, if you are claiming this credit for one or more qualifying children/dependents. Failure to do so will delay the processing of your return.

If you choose to have the IRS compute your federal earned income credit, wait until the IRS notifies you of that amount before making an entry in line 42. If you do not receive this information before April 17, 2018, and you are expecting a refund, you may have additional time to file your return. See the instructions for When to File Your Return for more information. For more information about the federal earned income tax credit, see IRS publication 596, available at irs.gov.

Note: if you are considered married for federal and Massachusetts income tax purposes, you must file a joint return with your spouse to claim the EITC. However, if you are a victim of domestic abuse, you can file a return as married filing separately and still claim the EITC if the following apply to you:

- ▶ you are living apart from your spouse at the time you file your tax return; and
- ▶ you are unable to file a joint return because you are a victim of domestic abuse.

If you have a filing status of married filing separately and you claim the EITC under this exception, you should keep records demonstrating the existence of domestic abuse. What constitutes adequate records will vary depending upon your circumstances. Some examples of documents that may meet this record-keeping requirement include (do not enclose these records with your tax return):

- ▶ protective and/or restraining order;
- ▶ police report;
- ▶ doctor's report or letter;
- ▶ a statement from someone who was aware of, or who witnessed, the abuse or the results of the abuse. The statement should be notarized if possible; or

- ▶ a sworn statement from you attesting to the abuse.

To claim this exception, you must fill in oval on line 42.

To determine if you qualify for the Credit with a filing status exception as a victim of domestic abuse, you should complete the IRS Earned Income Credit (EIC) worksheet .

Note: You should answer "No" to question 3 of the IRS Earned Income Credit (EIC) worksheet and when looking up the amount of the credit in the EIC Table you should use the column for the filing status "single" and the number of children you have.

To determine line 42 "Amount from U.S. return":

- ▶ U.S. Form 1040, EIC Worksheet A filers should use the amount from Worksheet A, line 6.
- ▶ U.S. Form 1040, EIC Worksheet B filers should use the amount from Worksheet B, line 11.
- ▶ U.S. Form 1040A filers should use the amount from the EIC Worksheet, line 6.

See TIR 17-10 for more information.

Line 43. Senior Circuit Breaker Credit

Certain senior citizens in Massachusetts may be eligible to claim a refundable credit on their state income taxes for the real estate taxes paid on the Massachusetts residential property they own or rent and which they occupy as their principal residence. The maximum credit allowed is \$1,080 for the tax year beginning January 1, 2017. If the credit due the taxpayer exceeds the amount of the total income tax payable for the year by the taxpayer, the excess amount of the credit will be refunded to the taxpayer without interest. To determine if you qualify for this credit, refer to the Senior Circuit Breaker Credit instructions in this booklet.

If you qualify for this credit and you are a homeowner, enter the amount from Schedule CB, Circuit Breaker Credit, line 17; if you are a renter, enter the amount from line 21. Be sure to complete and enclose Schedule CB with your return.

Line 44. Other Refundable Credits

Enter in line 44 the amount from Schedule CMS, Credit Manager Schedule.

Be sure to enclose Schedule CMS with your return. Failure to do so will delay the processing of your return.

Refund Amount

Line 47. Amount of Overpayment You Want Applied to Your 2018 Massachusetts Estimated Tax

Enter the amount of your 2017 overpayment that you wish to apply to your 2018 Massachusetts estimated tax. Once an election is made to apply your overpayment to your 2018 estimated tax, it cannot be refunded after the due date of the return or applied to any additional tax you may owe for 2017. The amount entered in this line can only be claimed as a credit on your 2018 Massachusetts return.

Line 48. Refund Amount

Subtract line 47 from line 46. Enter the result in line 48. This is the amount of your refund.

Note: Your state tax refund may be taxable on your U.S. tax return if you deducted state income tax paid as an itemized deduction on U.S. Schedule A.

Direct Deposit

You may elect to have your refund deposited directly into your savings or checking account. Check with your financial institution to make sure that it accepts direct deposit and verify the routing transit number (RTN) of the issuing financial institution. If we are unable to honor your request for a direct deposit, a paper check will be sent to you.

The routing number of your financial institution is nine digits and begins with 01 through 12 or 21 through 32. The account number can be up to 17 characters (both numbers and letters). Omit hyphens, spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. You **must enter** the routing number and the account number in the spaces provided in line 48 if you are requesting direct deposit. Failure to do so will result in your request for direct deposit being denied.

Tax Due

Line 49. Tax Due

If line 36 is larger than line 45, subtract line 45 from line 36, and enter the result in line 49. This is the amount of tax you owe with your return. Pay in full with your return. Go to mass.gov/dor/masstaxconnect for online payment options. If you need to mail your payment, make your check or money order payable to the Commonwealth of Massachusetts and write your Social Security number on the front of your check or money order in the lower left corner. Enclose the check with your return. Be sure to use the light blue mailing label when mailing your Form 1.

Failure to file or failure to pay the proper amount of tax when due will result in an increasing amount of interest and penalties. It is to your advantage to file when your return is due, whether or not you are able to make full payment.

If you owe any interest, penalty or addition for the underpayment of estimated tax, add those amounts to the tax you owe when making your payment.

What Are Interest and Penalties?

Interest: If you fail to pay the tax when due, interest will be charged. For an explanation of how interest is compounded in Massachusetts, see TIR 92-6, available at mass.gov/dor.

Penalty for Late Payment: The penalty for late payment is 1% per month (or fraction thereof) of the tax due, up to a maximum of 25%.

Penalty for Failure to File: The penalty for failure to file a tax return by the due date is 1% per month (or fraction thereof) of the tax due, up to a maximum of 25%. If you were required to file a tax return for income received in any prior year and you did not file, you must file for that prior year.

Penalty for Protested (“Bad”) Payment: If your payment is not honored by your bank because of insufficient funds or any other reason, a penalty may be added of \$30 or the amount of the payment, whichever is less.

Addition for Underpayment of Estimated Tax: You will generally be subject to this addition to tax if you did not have withholding and/or estimated payments equal to 80% of the total tax liability required to be paid and your 2017 tax due after credits and withholding is greater than \$400. The 80% requirement is reduced to 66⅔% for individuals who receive two-thirds of their income from fishing or farming. If you failed to meet these requirements, you must complete and enclose Massachusetts Form M-2210 to calculate the amount you must add to line 49. You do not have to complete Form M-2210 if the balance due with your return is \$400 or less.

You may not be subject to an underpayment penalty if you qualify for one of the following exceptions:

- ▶ you are a qualified farmer or fisherman and are paying the full amount of the tax due on or before March 1, 2018;
- ▶ you were a Massachusetts resident and were not liable for 2016 taxes (where the taxable year was 12 months); or
- ▶ the sum of your estimated payments and withholding equals or exceeds your 2016 tax (where the taxable year was 12 months and a return was filed).

If you qualify for one of these exceptions, please fill in the oval marked “EX” under line 49 on Form 1

and enclose Form M-2210 indicating which of the exceptions applies to your circumstances.

A limited number of taxpayers may also qualify for a waiver of the underpayment penalty for one or more installments if:

- ▶ the underpayment was because of casualty or disaster; or
- ▶ during 2016 or 2017 you retired after reaching age 62 or became disabled and the underpayment was due to reasonable cause and not willful neglect.

If you think you qualify for one of these waivers, go to mass.gov/dor and use DOR’s online application for abatement return or enclose Form M-2210 and an explanatory statement with your return and fill in the oval marked “EX” under line 49. If your waiver is not for all four installments, complete Form M-2210 to calculate the underpayment penalty for the installments which are not covered by the waiver. Form M-2210 is available by visiting mass.gov/dor.

Penalty for Failure to Report Federal Change: If the U.S. Internal Revenue Service changes your federal taxable income for a prior year (generally through audit), file an amended return within one year of the final federal determination to avoid this penalty. This penalty is equal to 10% of the additional tax due. If the change indicates a refund, file an amended return within one year, including acceptance of an amended federal return by the Internal Revenue Service.

Preparers must also provide their Social Security Number (SSN) or Preparer Tax Identification Number (PTIN) and Employer Identification Number (EIN) in the spaces provided at the bottom of page 4 of the Form 1. This authorization applies only to the individual whose signature appears in the "Paid Preparer" section of your return. It does not apply to the firm, if any, shown in that section.

If you fill in the "Yes" oval, you, and your spouse if filing a joint return, are authorizing DOR to call the paid preparer to answer any questions that may arise during the processing of your return. You are also authorizing the paid preparer to:

- ▶ give DOR any information that is missing from your return;
- ▶ call DOR for information about the processing of your return or the status of your refund or payment(s); and
- ▶ respond to certain DOR notices that you have shared with the preparer about math errors, offsets and return preparation. The notices will not be sent to the preparer.

You are not authorizing the paid preparer to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before DOR. If you want to expand the paid preparer's authorization, see Form M-2848, Power of Attorney and Declaration of Representative. Form M-2848 is available by visiting mass.gov/dor.

EFO, Personal Income Tax Declaration of Paper Filing. Fill in the oval at the bottom of page 4 of the Form 1 if you do not want your preparer to file your return electronically. See TIR 11-13 for more information.

Contributions made to Keogh accounts prior to 1975 were deductible when made. Therefore, no deduction may be taken from a Keogh distribution for amounts contributed before 1975.

Line 11. College Tuition Deduction

A deduction is allowed for tuition payments paid by you, for yourself or a dependent, to a qualifying two- or four-year college leading to an undergraduate or associate's degree, diploma or certificate. Tuition payments for students pursuing graduate degrees at such a college or university are not eligible for the college tuition deduction. The deduction is equal to the amount by which the tuition payments, less any scholarships, grants or financial aid received, exceed 25% of Massachusetts AGI. The amount of the college tuition deduction is limited to qualified tuition expenses paid during a taxable year in connection with an academic term beginning during such taxable year or during the first three months of the next taxable year.

Qualified tuition expenses include only those expenses designated as tuition or mandatory fees required for the enrollment or attendance of the taxpayer or any dependent of the taxpayer at an eligible educational institution. No deduction is allowed for any amount paid for room and board, books, supplies, equipment, personal living expenses, meals, lodging, travel or research, athletic fees, insurance expenses or other expenses unrelated to an individual's academic course of instruction. Line 14. Claim of Right Deduction

Taxpayers who have paid Massachusetts personal income taxes in a prior year on income attributed to them under a "claim of right" may deduct the amount of that income from their gross income if it later develops that they were not in fact entitled to the income, and have repaid the amounts in question. The deduction is allowed in the year of repay-

ment, provided that the repayment is not otherwise deductible in determining Massachusetts income taxable under M.G.L. ch. 62. Some examples in which the claim of right may be applied for are:

► **Stock under claim of ownership.** Gains from sales of stock under a claim of ownership must be included, regardless of whether the taxpayer actually owned it;

► **Employment contracts.** Amounts in settlement of employment contracts must be included notwithstanding the prospect of eventual repayment to the employer of an amount equivalent to or greater than the amount received;

► **Dividends.** Where a taxpayer receives a dividend that must be repaid in a later year (e.g., because it impaired corporate capital), the dividend must be included in the year of receipt;

► **Corporate notes.** Where a taxpayer receives a distribution with respect to holding of notes, the income must be included regardless of whether it could be challenged by senior creditors;

► **Mistake in validity of claim.** The claim of right doctrine applies where a taxpayer merely mistakes the validity of his claim;

► **Advanced insurance commissions;** or

► **Repayment of unemployment compensation and supplemental unemployment benefits in a subsequent year.**

If you are entitled to claim this deduction, enter the amount claimed in Schedule Y, line 14. For more information, see TIR 06-4.

Line 15. Commuter Deduction

A deduction is allowed for certain amounts paid by an individual for tolls paid for through an E-ZPass account or for weekly or monthly transit commuter passes for MBTA transit, bus, commuter rail or commuter boat, not including amounts reimbursed or otherwise deductible.

In the case of a single person or a married person filing a separate return or a head of household, this deduction applies only to the portion of such expended amount that exceeds \$150, and the total amount deducted cannot exceed \$750. In the case of a married couple filing a joint return, this deduction applies only to the portion of such amount expended by each individual that exceeds \$150, and the total amount deducted cannot exceed \$750 for each individual. Also, one spouse cannot transfer his or her excess deduction to the other spouse; separate worksheets must be completed to calculate the deduction. See TIR 06-14 for additional information.

The deduction is allowed where an individual purchases an MBTA pass for a dependent who is claimed on that individual's tax return, provided

the dependent does not also claim the deduction. However, the total amount deducted cannot exceed \$750 for each individual taxpayer who is filing a return. In the case of married taxpayers filing a joint return, the total amount deducted cannot exceed \$750 per taxpayer; thus, the maximum deduction for a joint return is \$1,500.

Complete the Schedule Y, Line 15 Worksheet to calculate the commuter deduction.

Line 16. Deduction for Expenses of Human Organ Transplant

An individual may deduct certain expenses and other costs incurred in the process of donating an organ for a human organ transplant to another individual. For purposes of this deduction, "human organ" shall mean all or part of human bone marrow, liver, pancreas, kidney, intestine or lung. In the case of an individual who donates an organ to another person for human organ transplantation, the individual may deduct the following expenses that are incurred by the individual and related to the individual's organ donation: (i) travel expenses; (ii) lodging expenses; and (iii) lost wages not to exceed \$10,000. An individual who is a nonresident of Massachusetts for all or part of the taxable year is not eligible to claim this deduction. If you are entitled to claim this deduction, enter the amount claimed in Schedule Y, line 16. See TIR 11-6 for further information.

Line 17. Certain Gambling Losses

Massachusetts has adopted a new deduction from 5.1% income, allowing a deduction for losses from wagering transactions, that were incurred at a gaming establishment licensed in accordance with chapter 23K or a racing meeting licensee or simulcasting licensee, only to the extent of the gains from such transactions.

Under the new provision a taxpayer may claim a deduction for gambling losses incurred in a cal-

endar year only if the losses were incurred at any gaming establishment licensed in accordance with chapter 23K or a racing meeting licensee or simulcasting licensee and only if the taxpayer had wagering winnings from any such gaming establishment licensed in accordance with chapter 23K or a racing meeting licensee or simulcasting licensee in the same calendar year. The deduction allowed for such losses may not exceed the amount of such winnings included in gross income for the calendar year.

Because Massachusetts does not adopt the deductions under IRC § 165(d), the deduction for gambling losses set forth in G.L. c. 62, § 3(B)(a)(18) is the only deduction for gambling losses allowed a Massachusetts taxpayer, unless the gambling activities of the taxpayer constitute a trade or business.

Example 1:

For calendar year 2017, taxpayer, a Massachusetts resident, has:

- gambling winnings of \$500 from Massachusetts state lottery,
- gambling winnings of \$800 from a casino licensed under chapter 23K,
- gambling winnings of \$1200 from a Las Vegas casino,
- gambling losses of \$1600 from a Las Vegas casino,
- gambling losses of \$510 from Massachusetts Lottery scratch tickets, and
- gambling losses of \$1000 from a casino licensed under chapter 23K.

For Massachusetts income tax purposes, the taxpayer must include \$500 of their gambling winnings on Form 1, line 8b (Massachusetts state lottery) and the remaining \$2,000 of their gambling winnings on Schedule X, line 3. The taxpayer may claim a deduction for gambling losses from a casino licensed under chapter 23K but only to the extent of winnings from a casino licensed under chapter 23K. No deduction is available for the taxpayer's gambling losses from other sources. The taxpayer had winnings of \$800 and losses of \$1,000 from a casino licensed under chapter 23K. Thus, the taxpayer may claim a deduction of \$800. The remaining \$200 of loss from the casino licensed under chapter 23K may not be deducted.

If you are entitled to claim this deduction, enter the qualified amount in Schedule Y, line 17.

Line 18. Prepaid Tuition or College Savings Plan Deduction

A deduction is available for purchases of or contributions made to an account in a pre-paid tuition program or a college savings program established by the Commonwealth. The deduction is

capped at \$1,000 for a single person or head of household and \$2,000 for a married couple filing a joint return. The deduction is subject to recapture in the taxable year or years in which distributions or refunds are made from the tuition or college savings account for any reason other than (i) to pay qualified higher education expenses, as defined by Internal Revenue Code (IRC) § 529(e)(3); or (ii) the beneficiary's death, disability or receipt of a scholarship. Enter the allowable amount on Schedule Y, Line 18. For more information, see TIR 16-15.

Credit Manager Schedule

The Credit Manager Schedule, which replaces Schedule Z/RF, reports in Part 1 the taxpayer's credits available (including credits carried over from prior years) and the credits taken not received via a lower tier entity or credit transfer. The exceptions to this rule are Brownfields Credit, Film Incentive Credit, and/or Medical Device Credit received via credit transfers/sales. Credits are shown in a table format and may be listed in any order. Taxpayers with more than one credit available may choose how much of each credit to take in the current year. A taxpayer participating in a combined report and allowing other members of the combined group to use its credits as allowed in 830 CMR 63.32B.2(9), also reports the amount or each credit shared on this schedule.

The following table identifies various credits that may be shown on the Credit Manager Schedule.

Some credits are identified on the credit manager schedule by a certificate number. The certificate number for the credit is assigned by the issuing agency (which may be the Department of Revenue) and must always be reported to claim the credit. A taxpayer with multiple certificates for the same type of credit will enter each separately, with the available (unused) balance associated with that certificate in column e and the amount of the credit

used in the current year in column f. Taxpayers claiming the EDIP Credit for a Certified Jobs Creation Project must enter a certificate number but are only required to complete the header section of Schedule EDIP.

Some credits are identified by the period end date which refers to the period in which the credit originated. This may be the current taxable year or a prior year if the credit is being carried forward from a prior year. If the period of origin is the current year, a schedule detailing the calculation of the amount of credit must be enclosed with the return. If the period of origin is a prior year, only the amount carried over to and available in the current year is shown in column e and no calculation schedule is required.

If, by operation of M.G.L. c. 63, s. 32C or another provision of law, a credit normally identified by period of origin is eligible for indefinite carryover, the credit should be reported as "non-expiring"; the taxpayer is not required to identify the period of origin on the Credit Manager Schedule. (Non-expiring credits were formerly referred to as "unlimited.")

The abbreviation in the "Credit type code" column is used to identify the credit type on the Credit Manager Schedule (parts 1 and 2, column a and parts 3 and 4, column b).

Part 2 of the Credit Manager Schedule reports any refundable credits claimed in the current year that were not received via Massachusetts K-1s or via credit transfer. Certain credits are refundable only if specifically authorized or, in the case of the Film Credit, if the original recipient has not transferred the credit to another. Other conditions may apply depending on the terms applicable to the specific

The Credit Manager Schedule will now also be used by individual taxpayers for certain credits. In Example 2, the taxpayer is an individual filing a return for the taxable year ending December 31, 2017 and has an available Septic Credit of \$6,000 in the current year. Since this is the first year the taxpayer is claiming the Septic Credit, the individual taxpayer must also enclose a Schedule SC. The individual should file Part 1 of the Schedule CMS to reflect a claimed credit of \$1,500 (Schedule SC, line 13).

credit. Credits are identified separately. The amount in column f is the amount of the refund requested, which may be 100% or 90% of the amount reported in column e. In Example 1, the taxpayer is has refundable film credit (allowed at 90% of the available balance) and a refundable Conservation Land Credit (allowed at 100%). Although not shown in the example, taxpayer reported both credits on Part 1 of the Credit Manager Schedule and used part of the film credit to reduce its excise for the year to "0"; the \$10,000 amount shown in column d of Part 2 is the balance remaining after deducting the portion used in the current year and shown in column f of Part 1.

The basic rules are explained on Massachusetts Schedule LP, Credit for Removing or Covering Lead Paint on Residential Premises. If you qualify for the credit, complete Schedule LP and enter the amount of credit on Schedule CMS. Be sure to enter in line 1a the total number of units indicated in Schedule LP, line(s) 1a and 3a.

Economic Opportunity Area/ Economic Development Incentive Program

For projects certified by the EACC before January 1, 2010, the Economic Opportunity Area credit is a tax credit under G.L. c. 62, sec. 6(g) and G.L. c. 63, sec. 38N equal to 5% of the cost of qualifying property purchased for business use within a certified project within an Economic Opportunity Area (EOA). To qualify for the EOA credit, the property must be used by the certified project exclusively in an EOA and must meet the same tests imposed for the 3% ITC. A certified project is a project approved by the Economic Assistance Coordinating Council (EACC). The 5% EOA credit cannot offset more than 50% of the tax due. Any unused credit may be carried forward for 10 years.

Note: To claim the credit, complete Schedule EOAC and enter the amount of the credit on the Schedule CMS. Failure to do so will result in this credit being disallowed on your tax return and an adjustment of your reported tax.

The EOA credit is not available to certified projects that were certified by the EACC on or after January 1, 2010. See TIRs 10-01 and 16-15 for further information.

For projects certified by the EACC on or after January 1, 2010, the Economic Development Incentive Program (EDIP) credit is available to certified projects as defined under G.L. c. 23A. The credit is authorized under G.L. c. 62, sec. 6(g) and G.L. c. 63, sec. 38N and is equal to a percentage of the cost of qualifying property purchased by a certified project for business use within Massachusetts.

To be eligible for the EDIP credit, the project must have been certified by the EACC on or after January 1, 2010. As part of the project certification, the EACC may (but is not required to) award a credit under the program and, when the EACC awards the credit, the EACC will determine the percentage of the cost of the property to be used to determine the credit. In addition the EACC may award an EDIP credit that is refundable. To qualify for the EDIP credit, the qualifying property must be used exclusively in the certified project in Massachusetts and must meet the same tests imposed for the 3% ITC.

Unless the EDIP credit awarded is refundable, the credit may not offset more than 50% of the tax due Carryover of unused credit is available only to the extent authorized by the EACC.

The EACC may also in consultation with the DOR limit (but not expand) the credit to a specific dollar amount or time duration or in any other manner deemed appropriate by the EACC. St. 2009, c. 166, sec. 18. For example, the EACC may limit the credit available with respect to a particular project to a specific dollar maximum, even if the actual dollar amount of the qualifying purchases would otherwise generate a higher credit amount. Similarly, the EACC may limit the otherwise applicable credit carry forward period provided by G.L. c. 62, sec. 6(g) and G.L. c. 63, sec. 38N(d). See TIRs 10-15, 10-1 and 14-3 for more information.

Note: If you qualify for the credit, complete Schedule EDIP and enter the amount of the credit on Schedule CMS. Also, enter the EAC-issued certificate number on Schedule CMS. Failure to do so will result in this credit being disallowed on your tax return and an adjustment of your reported tax. Enter the number from left to right.

The EDIP credit provisions were significantly changed for projects certified on or after January 1, 2017. For Projects certified by the EACC on or after January 1, 2017, the EDIP credit allowed to a taxpayer is determined by the EACC based on numerous factors set forth in G.L. c. 23A, sec 3D. The EACC may award a refundable EDIP credit.

Unless the EDIP credit awarded is refundable, the credit may not offset more than 50% of the excise due nor reduce the excise below the minimum tax. Carryover of unused credit is available only to the

extent authorized by the EACC. See TIRs 10-01 and 16-15 for further information.

Note: Taxpayers authorized by the EACC to claim the EDIP credit for projects certified on or after January 1, 2017 must complete Schedule EDIP and enter the amount of the credit on Schedule CMS. Failure to do so will result in this credit being disallowed on your tax return and an adjustment of your reported tax.

Refundable Economic Development Incentive Program Credit

For projects certified after January 1, 2010, M.G.L. Ch. 62 sec. 6(g) and M.G.L. Ch. 63 sec. 38N authorize the EACC to award refundable EDIP credits. Taxpayers authorized by the EACC to claim the EDIP credit for projects certified on or after January 1, 2010 must complete Schedule EDIP and enter the amount of the credit on Schedule CMS. Line 9. Subtotal Interest and Dividend Income

Subtract line 8 from line 7. If you have no short-term capital gains or losses, net long-term capital gains or losses, carryover short-term losses from prior years, long-term gains on collectibles and pre-1996 installment sales classified as capital gain income for Massachusetts purposes, gains or losses from the sale, exchange or involuntary conversion of property used in a trade or business and held for one year or less, allowable deductions from your trade or business, or excess exemptions, omit lines 10 through 37. However, where the taxpayer files a Massachusetts Schedule C or Schedule E, Massachusetts law allows such offsets if the following requirements are met: the excess 5.1% deductions must be adjusted gross income deductions allowed under MGL Ch. 62, sec. 2(d); and these excess deductions may only be used to offset other income which is effectively connected with the active conduct of a trade or business or any other income allowed under IRC, sec. 469(d)(1)(B) to offset losses from passive activities.

Line 21. Available Short-Term Losses

Combine lines 19 and 20. This amount should be "0" or less. If line 21 is less than "0," go to line 22. If line 21 is "0," omit lines 22 through 28 and go to Part 3.

Example: Jack has a long-term capital gain on collectibles of \$1,000 entered in line 11 and line 15. Jack also has a short-term capital loss of \$100 entered in line 16 and a prior year short-term unused loss of \$200 entered in line 18. Jack enters \$350 in line 27: $\$500$ (50% of $\$1,000$) minus $\$150$ (50% of $\$300$) = $\$350$.

Long-Term Capital Gains and Losses Excluding Collectibles

You must complete Massachusetts Schedule D if you had long-term gains or losses from the sale or exchange of capital assets or from similar transactions which are granted capital gain or loss treatment on your U.S. return, or if you had capital gain distributions. If you did not file U.S. Schedule D but are reporting capital gain distributions on U.S. Form 1040, line 13 or 1040A, line 10, you must complete Massachusetts Schedule D (see line 6 instructions). Include gains from all property, wherever located. Long-term capital gains are gains on the sale or exchange of capital assets that have been held for more than one year on the

date of the sale or exchange. Long-term capital losses are losses on the sale or exchange of capital assets that have been held for more than one year on the date of the sale or exchange.

The law defines "capital gain income" as gain from the sale or exchange of a capital asset. The definition of "capital asset" includes: (1) an asset which is a capital asset under IRC sec. 1221, or (2) property that is used in a trade or business within the meaning of IRC sec. 1231(b) without regard to the holding period as defined in said sec. 1231(b).

Differences

Significant differences between the U.S. and Massachusetts capital gain provisions are:

- ▶ IRC sec. 1244 losses reported as ordinary losses on your U.S. return must be reported on Massachusetts Schedule D;
- ▶ If you made a federal election under sec. 311 of the Tax Relief Act of 1997 to recognize gain on the deemed sale of a capital asset held on January 1, 2001, Massachusetts does not follow the federal rules at sec. 311 for determining the basis of the asset. See TIR 02-3. If you sold a capital asset in 2017 for which you made a federal sec. 311 election, the Massachusetts initial basis will not be the federal basis. The Massachusetts initial basis will be determined as of the date the asset was first acquired;
- ▶ Upon the sale of stock of an S corporation, the federal basis must be modified according to Massachusetts Income Tax Regulation, 830 CMR 62.17A.1; and
- ▶ Massachusetts has adopted basis adjustment rules to take into account differences between Massachusetts and federal tax laws. For more information regarding basis adjustment rules, see TIR 88-7.

Net ordinary losses that are itemized deductions on U.S. Schedule A are not allowable.

Installment Sales
If a sale was treated as an installment sale for U.S. income tax purposes, it may be treated the same way on your Massachusetts income tax return. Gains from pre-1996 installment sales are classified as either capital gains or ordinary income under the Massachusetts law in effect on the date the sale or exchange took place.

Gains from pre-1996 installment sales that are classified as capital gains should be reported as 12% income on Massachusetts Schedule B. If the asset was held for more than one year when it was sold, the gain will be eligible for a 50% long-term deduction. Gains from pre-1996 installment sales that are classified as capital gains included on Massachusetts Schedule D, line 4 should be reported on Massachusetts Schedule D, line 12 ("Long-term

gains on collectibles and pre-1996 installment sales"). The amount of such gain is then reported on Massachusetts Schedule B, Part 2, line 11.

Gains from pre-1996 installment sales classified as ordinary income and that are included on Massachusetts Schedule D, line 4 should be reported on Massachusetts Schedule D, line 10 ("Differences"). The amount of such gain classified as ordinary income should then be reported on Form 1, line 9 ("Other income") and included on Schedule X, line 4 and identified as "2017 gain from pre-1996 installment sale."

Note: If you are reporting an installment sale occurring on or after January 1, 2003, report those gains on Schedule D. If you are reporting capital gains on installment sales that occurred during January 1, 1996 through December 31, 2002, do **not** file Schedule D. Instead, you must file Schedule D-IS, Installment Sales. Schedule D-IS can be obtained on DOR's website at mass.gov/dor.

Effective for sales on or after January 1, 2005, if you wish to report a sale on your Massachusetts return as an installment sale and the Massachusetts gain is \$1 million or greater, you must apply in writing to the Department of Revenue's Installment Sales Unit. See TIR 04-28. The Commissioner of Revenue must approve your application to report the sale on the installment basis in Massachusetts before you file your return, and appropriate security must be posted. An explanatory statement must be enclosed with each return for the life of the installment sale. For further information contact the Installment Sales Unit at (617) 887-6950.

Lower Capital Gains Tax Rate for Gains from the Sale of Stock In Certain Massachusetts-Based Start-Up Corporations

Gains derived from the sale of investments which meet certain requirements are taxed at a rate of 3% instead of 5.1%. In order to qualify for the 3% rate, investments must have been made within five years of the corporation's date of incorporation and must be in stock that generally satisfies the definition of "qualified small business stock" under IRC § 1202 (c), other than the requirement that the stock be stock of a C corporation. In addition, the stock must be held for three years or more and the investments must be in a corporation which (1) is domiciled in Massachusetts, (2) is incorporated on or after January 1, 2011, (3) has less than \$50 million in assets at the time of investment, and (4) complies with certain of the "active business" requirements of § 1202 of the Internal Revenue Code, i.e., § 1202 (e)(1), (e)(2), (e)(5), and (e)(6).

To be eligible as "qualified small business stock" under IRC § 1202(c), the stock must be acquired by the taxpayer at its original issue (directly or

through an underwriter) in exchange for money, property, or as compensation for services provided to the corporation. During substantially all of the taxpayer's holding period, at least 80 percent of the value of the corporation's assets must be used in the active conduct of one or more qualified businesses.

Note: If you are reporting a sale of stock in a certain Massachusetts-based start-up corporation(s), do **not** file Schedule D. Instead, you must report that gain(s) on Schedule D-IS, Installment Sales or qualified small business stock gains. Schedule D-IS can be obtained on DOR's website at mass.gov/dor.

Massachusetts Schedule C is provided to report income and deductions from each business or profession operated as a sole proprietorship.

If your business deductions, excluding the Abandoned Building Renovation Deduction, exceed Schedule C income and any other income taxable at the 5.1% rate, such excess deductions may be subtracted from the other income that is effectively connected with the active conduct of your trade or business and any other income allowed under IRC Section 469(d)(1)(B) to offset losses from passive activities. Accounting Method

If you filed a return on the accrual basis last year, your return for this year must be on the same basis. If a taxpayer requesting permission to change an accounting method for Massachusetts purposes is eligible for an automatic change of accounting method federally, and has correctly followed the most recently issued federal revenue procedure for requesting an automatic change, then the taxpayer should file his/her annual return using the new method and write at the top, "Automatic Change of Accounting Method — filed in compliance with DOR Directive 02-13." The taxpayer should enclose a copy of federal Form 3115, together with any required statements. See DOR Directive 02-13 for further information.

Material Participation

Indicate if you materially participated in the operation of this business during 2017. If you did not materially participate and have a loss from this business, see line 33 for further instructions.

Line 1a. Gross Receipts or Sales

In the boxes provided, enter gross receipts or sales from your business. Be sure to include on this line amounts you received in your trade or business as shown on Form 1099-MISC, Miscellaneous Income. If the nature of your business is such that you have gross or other income that is interest (other than from Massachusetts banks) and dividend income, exclude this income from lines 1 and 4 on Massachusetts Schedule C and include it in line 32 and in Schedule B, line 3.

Note: If not required to file Schedule B (see Schedule B instructions), enter this income on Form 1, line 20. Examples of interest (other than from Massachusetts banks) and dividend income are interest received on loans, notes receivable or charge accounts that you accept in the ordinary course of business, and dividends on stocks received in payment for goods and services. Capital gains from the sale or exchange of assets used in your business are not reported on Schedule C. Use U.S. Form 4797 and report the amount in Form 1, Schedule B and/or Schedule D. You must also exclude from Schedule C any income and expenses that pertain to activities for yourself as distinguished from those performed for your customers. Such income must be reported by class of income in Schedules B and D. Personal expenses are not deductible.

If you received Form W-2 and the "Statutory employee" box in item 13 of that form was checked, report your income and expenses related to that income on Schedule C. Enter your statutory employee income from box 1 of Form W-2 on line 1 of Schedule C and fill in the oval. Statutory em-

employees include full-time life insurance agents, certain agent or commission drivers and traveling salespersons and certain homeworkers. If you had both self-employment income and statutory employee income, do not combine these amounts on a single Schedule C. In this case, you must file separate Schedule Cs.

Line 4. Other Income

If you received bartering income, you must report the fair market value of goods or services received in payment for your goods and services in line 4. Do not include interest income (other than from Massachusetts banks) and dividends here (see line 32).

Line 7. Bad Debts From Sales or Services

Include debts and partial debts from sales or services that were included in income and are definitely known to be worthless. If you later collect a debt that you deducted as a bad debt, include it as income in the year collected.

Note: Cash method taxpayers cannot take a bad debt deduction unless the amount was previously included in income.

Line 11. Depreciation and Section 179 Deduction

Massachusetts adopts the current federal rules at section 179 for expensing certain depreciable business assets. For property placed in service in tax years beginning after December 31, 2013 and before January 1, 2015, the maximum section 179 expensing allowance is \$510,000.

Line 17. Pension and Profit-Sharing Plans

Enter your deduction for contributions to a pension, profit-sharing or annuity plan, or plans for the benefit of your employees. If the plan includes you as a self-employed person, do not include contributions made as an employer on your behalf. See DOR Directive 08-3 for more information.

Line 23. Meals and Entertainment

Line 23a. Enter your total business meal and entertainment expenses. Include meals while traveling away from home for business. Instead of the actual cost of your meals while traveling away from home, you may use the standard meal allowance. Business meal expenses are deductible only if they are (a) directly related to or associated with the conduct of your trade or business, (b) not lavish or extravagant and (c) incurred while you or your employee is present at the meal. Club dues are not allowed as a business deduction.

Line 23b. Generally, you may deduct only 50% of your business meal and entertainment expenses,

including meals incurred while traveling away from home on business. However, you may fully deduct meals and entertainment furnished or reimbursed to an employee if you properly treat the expense as wages subject to withholding. You may also fully deduct meals and entertainment provided to a nonemployee to the extent the expenses are includible in the gross income of that person and reported on Form 1099-MISC. Figure how much of the amount on line 23a is subject to the 50% limit. Then, enter 50% of that amount on line 23b. This amount should be subtracted from the amount in line 23a. Enter the result in line 23 of Massachusetts Schedule C.

Line 30. Abandoned Building Renovation Deduction

Massachusetts allows businesses to deduct 10% of the costs incurred in renovating certain buildings located in an Economic Opportunity Area (EOA). The buildings must be designated as abandoned by the Economic Assistance Coordinating Council. The renovation deduction may be taken in addition to any other deduction for which the renovation costs may qualify. For more information, contact the Massachusetts Office of Business Development.

In line 30 enter 10% of the costs of renovating a qualifying abandoned building.

Line 32. Interest (other than from Massachusetts banks) and Dividend Income

If you have interest (other than from Massachusetts banks) and dividend income reported on U.S. Schedule C, lines 1 and/or 6 or Schedule C-EZ, line 1, enter that amount in line 32 and in Massachusetts Schedule B, line 3. If you are not required to file Schedule B (see Schedule B instructions), enter that amount on Form 1, line 20. Do not include such amounts on Massachusetts Schedule C, lines 1 and/or 4.

Line 33. If You Have a Loss

Fill in the oval in line 33a if all of your investment is at risk. Enter your loss from line 31 on Form 1, line 6 **unless** you answered “No” to the question on material participation on the front of Schedule C. If you answered “No” to this question, complete a pro forma copy of U.S. Form 8582 that reflects only income being reported on your Massachusetts return. Enter in Massachusetts Schedule C, line 31 your allowable loss calculated on Form 8582.

Fill in the oval in line 33b if only some of your investment is at risk. To determine the amount of your allowable loss, complete a pro forma copy of U.S. Form 6198 that reflects only income being reported on your Massachusetts return. Enter the

amount calculated on U.S. Form 6198 in line 31 unless you answered “no” to the question on material participation on the front of Schedule C. In this case, your loss is further limited. Use the amounts calculated on your pro forma U.S. Form 6198 to complete a pro forma U.S. Form 8582. If your at-risk amount is “0” or less, enter “0” in line 31.

Senior Circuit Breaker Tax Credit

What Is It?

Senior citizens in Massachusetts may be eligible to claim a refundable credit on their state income taxes for the real estate taxes they paid on the Massachusetts residential property they own or rent and which they occupy as their principal residence. The maximum credit allowed is \$1,080 for the tax year beginning January 1, 2017. See TIR 17-8 for more information.

Eligible taxpayers who own their property may claim a credit equal to the amount by which their property tax payments in tax year 2017 (excluding any exemptions and/or abatements), including water and sewer debt charges, exceed 10% of their “total income” for the same current tax year. Taxpayers residing in communities that do not include water and sewer debt service in their property tax assessments may claim, in addition to their property tax payments, 50% of the water and sewer use charges actually paid during the tax year when figuring their credit.

Renters may claim a credit in the amount by which 25% of their annual rental payment is more than 10% of their total income.

For purposes of the tax credit, a taxpayer’s “total income” includes taxable income as well as exempt income such as Social Security, Treasury bills and public pensions. For a complete list of what constitutes “total income,” see TIR 01-19.

Who Is Eligible for the Credit?

To be eligible for the credit for the 2017 tax year, a taxpayer must be 65 years of age or older before January 1, 2018 (for joint filers, it is sufficient if one taxpayer is 65 years of age or older), must own or rent residential property in Massachusetts and occupy the property as his or her principal residence, and must not be the dependent of another taxpayer. The taxpayer’s total income cannot exceed \$57,000 for a single filer who is not the head of a household, \$72,000 for a head of household, or \$86,000 for taxpayers filing jointly. No credit is allowed for a married taxpayer unless a joint return is filed. Moreover, the assessed valuation of the real estate cannot exceed \$747,000.

No credit is allowed if the taxpayer claims the “married filing separate” status, receives a federal or state rent subsidy, rents from a tax-exempt entity, or is the dependent of another taxpayer.

Is the Tax Credit Considered Income?

Tax credits received by eligible taxpayers are not considered income for the purpose of obtaining eligibility or benefits under other means-tested assistance programs including food, medical, housing, energy and educational assistance programs.

How Does a Taxpayer Claim the Credit?

Taxpayers who are eligible for the tax credit in the 2017 tax year can claim the credit by submitting a completed Schedule CB, Circuit Breaker Credit, with their 2017 state income tax return. Eligible taxpayers who do not normally file a state income tax return may obtain a refund by filing a return with Schedule CB. As with all claimed tax credits and deductions, the taxpayer must keep all pertinent records, receipts and other documentation supporting his or her claim for the credit.

Line 1. Living Quarters Status During 2017

Be sure to fill in the appropriate oval. If you were a renter in 2017 and you received any federal and/or state subsidy, or you rent from a tax-exempt entity, you do not qualify for the Circuit Breaker Credit.

Homeowners, fill in the appropriate “Yes” or “No” oval to indicate if you owned a multi-use or multi-family property. A taxpayer who owns a principal residence with a land area in excess of one acre or a multi-use building or land area, for example, a storefront with an apartment above, may only claim the taxpayer’s proportional share of the real estate tax payments (Schedule CB, line 10), including water and sewer use charges (Schedule CB, line 13), which corresponds to the portion of the residence used and occupied as principal residence. A taxpayer who owns a multiple family dwelling (a multi-family residence that includes the taxpayer’s personal residence), may only claim the taxpayer’s proportional share of the taxes (Schedule CB, line 10) or sewer and water use charges (Schedule CB, line 13) paid. For example, where a condominium association pays one sewer and water bill for multiple owners, each owner may only claim the proportional share of the use charges attributable to the taxpayer’s condominium (for example, the condominium owner’s percentage interest in the undivided interest of common areas and facilities).

Line 2. Assessed Value of Principal Residence as of January 1, 2017

Enter the amount of the assessed value of your principal residence as of January 1, 2017. If you own a multi-family home, mixed-use property, or more than one acre of land, only the assessed value of your principal residence, together with the land that immediately surrounds and is associated with that residence, not to exceed one acre, should be used. If the assessed value is over \$747,000, you do not qualify for the credit. Contact your local city or town’s assessors’ office if you have any questions in determining the amount of the assessed value of your principal residence as of January 1, 2017.

Income Calculation

Qualifying income for the Circuit Breaker Credit (Schedule CB, lines 3 through 9) is the taxpayer’s Massachusetts AGI as defined in MGL Ch. 62, sec. 2 increased by various amounts that may have been excluded or subtracted when originally calculating the taxpayer’s Massachusetts AGI, less certain exemptions claimed by the taxpayer. Amounts added back to Massachusetts AGI in computing qualifying income include income from Social Security, retirement, pension or annuities, cash public assistance, tax-exempt interest and dividends, net capital losses, long-term capital losses, certain capital gains, income from a partnership or trust not otherwise included in the taxpayer’s Massachusetts AGI, and gross receipts (for example, the return of capital or gifts) from any other source except the tax credit itself. The exemptions allowed which decrease the total income amount are those allowed for blindness, dependents and taxpayers who are at least age 65 by the end of the tax year.

Line 4. Total Social Security Benefits

Enter in line 4 the amount of Social Security benefits received in 2017. Social Security benefits include retirement, disability, dependent, survivorship and insurance. Medicare premiums withheld from Social Security payments should **not** be excluded.

Line 5. Pension, Annuities, IRA/Keogh Distributions Not Taxed on Your Massachusetts Tax Return

Enter in line 5 the amount of pension, annuities, IRA/Keogh distributions not taxed on your Massachusetts Form 1. See Form 1, line 4 instructions, Pension and Annuities, for a list of exempt items that must be included in Schedule CB, line 5 as part of total income for the purposes of calculating the Circuit Breaker Credit.

Line 6. Miscellaneous Income Including Cash Public Assistance

Enter the amount of miscellaneous income, including cash public assistance, received during 2017. This includes but is not limited to food stamps and welfare payments, disability income, gifts, sick pay, worker’s compensation and return of capital.

Credit Calculation

If you filled in the “Homeowner” oval in line 1, complete lines 10 through 17, if you filled in the “Renter” oval in line 1, go to line 18.

Line 10. Real Estate Taxes Paid in Calendar Year 2017 for Your Principal Residence

Enter the amount of real estate taxes paid in calendar year 2017. Be sure to include real estate tax payments made pursuant to the Community Preservation Act, the Cape Cod Open Space Land Acquisition Program and/or paid to a tax-levying district.

If you own a multi-family home, mixed-use property, or your principal residence has a land area in excess of one acre, see TIR 01-19 for information on how to prorate real estate taxes paid.

Note: Real estate taxes paid in a calendar or taxable year generally reflect taxes assessed for two different fiscal years. If a community collects taxes quarterly, a taxpayer may have made four payments during a calendar year. These payments are billed as due on the following dates: February 1, May 1, August 1, and November 1. If a community collects taxes semi-annually, a taxpayer may have made two payments during the calendar year. The first payment is billed as due on May 1 and the second as due on November 1, or 30 days after it is mailed, if the bill is mailed after October 1. If you own a multi-family home, mixed-use property, or your principal residence has a land area in excess of one acre, contact your local city or town’s collector’s office if you have any questions in determining the amount of real estate taxes paid in calendar year 2017 for your principal residence.

Line 11. Adjustments to Real Estate Taxes Paid

Enter the amount from line 4 of the Adjustments to Real Estate Taxes Paid Worksheet for Schedule CB, line 11, on page 2 of Schedule CB. Adjustments to real estate taxes paid include:

► Abatements granted by local assessors or earned through the Senior Work Program (do not exclude this amount if it was already reflected on your tax bill and you did not pay it);

- ▶ Exemptions granted by cities or towns to qualifying veterans, surviving spouses, blind persons and the elderly (do not exclude this amount if it was already reflected on your tax bill and you did not pay it);
- ▶ Interest charges assessed due to delinquent payments; and
- ▶ Betterments or special assessments levied upon the property.

Line 13. Water and Sewer Use Charges Paid in 2017

Contact your town official to determine if your community has elected to include water and sewer debt charges in the property tax assessment. Taxpayers residing in communities that do not include water and sewer debt charges in the property tax assessments may include 50% of the actual water and sewer use charges paid during the taxable year. If they have elected to include those charges in the property tax assessment, enter "0" in line 13. If they have not elected to include those charges, enter 50% of your actual water and sewer use charges paid in 2017 in line 13.

If you own a multi-family home, mixed-use property, or your principal residence has a land area in excess of one acre, see TIR 01-19 for information on how to prorate water and sewer use charges.

Line 18. Rent Paid for Your Principal Residence in 2017

Enter in line 18a the total amount of rent paid for your principal Massachusetts residence in 2017. Divide that amount by 4 (25%) and enter the result in line 18. In the space provided, be sure to enter your landlord's name and address. If you received any federal and/or state rent subsidy, or you rent from a tax-exempt entity, you do not qualify for the Circuit Breaker Credit.

2017 Massachusetts Income Tax Table at the 5.1% Rate

Use this table to calculate tax for taxable 5.1% income (line 21) of not more than \$24,000.

Line 22 instructions: To find your tax on 5.1% Income (line 22), read down the tax table income column to the line containing the amount you entered in line 21. Then read across to the TAX column and enter this amount in line 22. If your taxable 5.1% income in line 21 is greater than \$24,000, multiply the amount by .051. Enter the result in line 22.

Note: If choosing the optional 5.85% tax rate, multiply line 21 and the amount in Schedule D, line 21 by .0585.

A Special Message from Revenue Commissioner Christopher Harding

I hope you find this Form 1 booklet helpful in preparing your taxes. When you are ready to file, please consider electronic filing rather than using the paper form.

There are many benefits to e-filing your tax return. Let me share just a few of the reasons why most Massachusetts taxpayers choose to file electronically:

- ▶ Processing is much faster
- ▶ Refunds can be issued three times faster than filing on paper
- ▶ Automatic corrections help you file a more accurate return
- ▶ Security features are in place to protect electronically-filed tax returns
- ▶ If you need to make a payment, you can set up an electronic payment and choose the date. You save time and a trip to the post office.

There are free filing options available for qualifying taxpayers. Please take a look at the opportunities at mass.gov/MAFreeFile. Most Massachusetts taxpayers qualify for free filing.

This tax season consider all your choices, including the services of a tax preparer or filing on your own with approved tax preparation software, rather than using the paper form. Once you review the options, I hope that e-filing will be your first choice.

Sincerely,

Commissioner Christopher C. Harding
