REVIVAL OF A LAPSED LICENSE

If you were ever issued a full license in Massachusetts that you did not renew, you must complete a lapsed license application to revive your license to practice medicine. If your full license was revoked or suspended by the Massachusetts Board of Registration in Medicine, do not submit a lapsed license application. Please contact the Board’s Division of Law and Policy to see what steps are required for possible reinstatement of your license.

Please read the Revival of Lapsed License Instructions before sending your lapsed application and fee for $700.00 to the Board.

- Every question on the lapsed application and supplement must be answered. If you answer “yes” to questions #1-14 on the supplement, you must also complete the additional supplement pages and provide the required information.

- When you receive the National Practitioner Data Bank Profile, **do not open the National Practitioner Data Bank Profile envelope.** Mail it to the Board at the above-listed address. If the seal on the envelope is broken, the Board will not accept the contents of the envelope; it will be returned to you and you will have to repeat the process.

- If you have any malpractice or legal issues, the documents must be sent directly to you in sealed envelopes and included with your lapsed license application.

- When a licensee applies to revive a license and more than two years have passed, the application must be reviewed by the Licensing Committee. The Licensing Committee meetings are held once a month.

**APPLICATION FEE**

The processing fee for revival of a lapsed license is non-refundable. Please make a check in the amount of $700.00 payable to the Commonwealth of Massachusetts. A certified check or money order is preferred, but personal checks are accepted. Applications unaccompanied by the lapsed license fee will not be processed.

**PRACTICE OF MEDICINE**

The “practice of medicine” is defined in the Board’s regulations, in part, as the following conduct: diagnosis, treatment, use of instruments or other devices, or the prescription or administration of drugs for the relief of diseases or adverse physical or mental conditions. A person who holds himself out to the public as a “physician” or “surgeon” or with the initials “M.D.” or “D.O.” in connection with his name and who also assumes responsibility for another person’s physical or mental well-being is engaged in the practice of medicine.

**APPLICATION INSTRUCTIONS**

**Social Security Number:** Your social security number may be used to facilitate the authorized sharing of information with designated agencies for identification of licensees for the following purposes: reporting of disciplinary actions to national data reporting systems; tax default status; student loan default status; child support arrearages; Medicaid provider eligibility; possession of Massachusetts controlled substances registration; and collection of fines from Board disciplinary case. Pursuant to 42 U.S.C. § 405 (c) (2) (c) (i), (v), (vi) and M.G.L. c. 30A, § 13A, and M.G.L. c. 119A, § 16, you are required to provide this information. The Board considers this information highly confidential and it is not subject to release, except as specifically authorized.

**Postgraduate Education and Hospital Appointments:** Chronologically list and date all educational and professional training experience and employment from the date of graduation from medical school to the present. Account for all periods of time, whether or not you were engaged in the practice of medicine. Also enclose a copy of your updated curriculum vitae by month and year.

**Medical Malpractice Insurance:** Indicate whether your medical malpractice insurance is covered by an insurance carrier or letter of credit. You must have malpractice coverage before your lapsed license can be revived, unless you are exempt.

**Continuing Professional Development Requirements (formally known as Continuing Medical Education):** In the blanks provided, list the manner in which you completed your CPD requirements during the past two years. Unless exempt, you must list the number of Category 1 and 2 credits you have completed. Licensees enrolled in residency and clinical fellowship programs are exempt from the CPD requirement until the first full license renewal cycle that begins after their program has ended.

Otherwise, you must have met the basic CPD requirements for the two-year period ending on the date you sign this form. A brochure with more complete information on the CPD requirements is available on the Board’s web site at [www.mass.gov/massmedboard](http://www.mass.gov/massmedboard).

Lapsed Lic App (Instructions), Page 2 of 8, Rev. 9/17
The basic CPD requirement for a two (2) year cycle requires no fewer than 100 hours of CPD credit with the following components:

(a) At least 40 credit hours in Category 1 programs (the entire 100 hour requirement may be met by earning Category 1 credits);

(b) Up to 60 credit hours in Category 2 activities;

(c) Ten credit hours of risk management study (see below), with at least 4 hours in Category 1;

(d) Two credit hours by studying the Board’s regulations in either Category 1 or 2;

(e) Two credit hours of end-of-life care issues in either Category 1 or 2. These credits may be used toward risk management credits. This CPD requirement is mandatory for all physicians regardless of specialty. Physicians may contact the Massachusetts Medical Society. Pediatricians may wish to check with the American Academy of Pediatrics for courses in Palliative Care for Children.

(f) Physicians who prescribe controlled substances (Schedules II - VI) must have completed at least three (3) credit hours of Board-approved CPD in effective pain management, which shall include training in how to identify patients at high risk for substance abuse and training in how to counsel patients about side effects, the addictive nature, and proper storage and disposal of prescription medicines. Please remember that all prescription drugs are controlled substances in Massachusetts.

Physicians are responsible for determining whether the pain management CPD requirement applies to them, based upon the nature of their practice. A free online resource to obtain the necessary credits is available at www.opioidprescribing.com. The three (3) credit hours of opioid and pain management training will qualify as either Category 1 or Category 2 credits and may be used as risk management credits for continuing professional education.

(g) A majority of the total 100 credit hour requirement must be in the licensee’s primary area(s) of practice.

“Risk management study” must include instruction in medical malpractice prevention, such as risk identification, patient safety and loss prevention, and may include instruction in any of the following areas: medical ethics, quality assurance, medical-legal issues, patient relations, utilization review that directly relates to quality assurance, non-economic aspects of practice management, electronic health records, end-of-life care issues and opioid and pain management.

**Requirement to Complete Training to Recognize and Report Suspected Child Abuse or Neglect**

M.G.L. c. 119, §51A(k) requires all mandated reporters, professionally licensed by the Commonwealth, to complete training to recognize and report suspected child abuse or neglect. Physicians are one category of mandated reporters.
Physicians may comply with the training requirement through:

1. Receiving training in child abuse or neglect assessment in medical school education or postgraduate training;

2. Completion of a hospital sponsored training program in recognizing the signs of child abuse and neglect;

3. Completion of continuing professional development (formerly known as continuing medical education credits) in identifying and reporting child abuse and neglect;

4. Completion of an on-line training program (i.e., The Middlesex Children’s Advocacy Center’s program “51A Online Mandated Reporter Training: Recognizing and Reporting Child Abuse, Neglect, and Exploitation” www.middlesexcac.org/51A-reporter-training); or

5. Completion of a specialized certification (i.e., Child Abuse Pediatrics).

This is a one-time requirement.

SUPPLEMENT TO APPLICATION

Instructions for answering the questions on the Supplement Form are included in the application package. All of the questions on the Supplement Form must be answered “YES” or “NO.” When responding to the questions, the time period covered is from the date you signed your last Massachusetts license application to the present. Please be careful in matching your answers to questions, because incorrect answers will jeopardize and delay processing of your application. Pages 5-9 must be completed if you answer “YES” to any question(s).

ELECTRONIC HEALTH RECORDS (EHR) PROFICIENCY FORM

Pursuant to M.G.L. c. 112, § 2, an applicant for licensure must demonstrate proficiency in the use of electronic health records (EHR). This is a one-time requirement. Complete Section 1 (Demonstrating Proficiency) or Section 2 (Claiming an Exemption). Sign and date the form.

OFFICE BASED SURGERY

“Surgery” means those procedures defined in the Massachusetts Medical Society (MMS) Office Based Surgery Guidelines under the following specific definitions: “Surgery;” “Office Based Surgery;” “Major Surgery;” “Minor Surgery;” and “Special Procedure.” You must complete the Office Based Surgery form if you perform any procedures in your office that are described in these definitions. (MMS Office Based Surgery Guidelines have been endorsed by the Board and are available through the MMS and Board websites: www.massmed.org and www.mass.gov/massmedboard.)
**MALPRACTICE CASES**

If you have had a malpractice case brought against you, you will need to either request that your liability carrier or your attorney forward a copy of the documents to you and you must forward them to the Board in the sealed envelope with your lapsed license application. If a malpractice case is open, closed or dismissed against you, your liability carrier or attorney must indicate that fact to the Board in a letter containing the claimant’s name or initials. If the malpractice case is dismissed, please include the date of dismissal and a statement if no monies were paid to the claimant on your behalf. Your liability carrier or lawyer must also provide a copy of the complaint or summons or dismissal for every malpractice case filed against you. You must complete question #10 on the Supplement Form even if a complaint was filed against you, but did not result in any action.

**MALPRACTICE HISTORY FORM**

You must complete the Malpractice History Form listing all of your malpractice carriers. The original Malpractice History Form should be returned to the Board with your lapsed license application. Contact the risk management office at the healthcare facilities for the name and address of the liability carrier(s) and forward a copy of the Malpractice History Form to every liability carrier. Instruct the liability carrier(s) to list the dates of your coverage and whether there were any cases filed against you and the monies paid on your behalf. **The liability carrier(s) must forward the reports and any documents to you in a sealed envelope and they must be sent to the Board with your lapsed license application.**

**LEGAL ISSUES**

For each criminal proceeding in which you were named a defendant, certified copies of the complaint, judgment or other disposition must be sent to the Board by your lawyer, the police department, the court, or other appropriate agency. You must also provide a detailed explanation of the incident, including date, time, place, who was with you, and the court action.

**AUTHORIZATION FOR RELEASE OF INFORMATION**

The Authorization for Release of Information form must be completed and returned to the Board with your application.

**MEDICARE/TAX FORM**

All applicants for Massachusetts medical licensure must complete this form.

**AMA OR AOA PHYSICIAN PROFILE**

You may request an AMA Physician profile on line by visiting [http://www.ama-assn.org/AMAProfiles](http://www.ama-assn.org/AMAProfiles) and your AMA profile will be sent directly to the Board, or you may contact the AMA Customer Service for ordering assistance at (800) 665-2882 or (312) 364-5199. Contact the American Osteopathic Association (AOA) for the AOA Physician profile at [www.osteopathic.org](http://www.osteopathic.org) for the AOA Physician profile.

NATIONAL PRACTITIONER DATA BANK

To request a National Practitioner Data Bank Profile, please visit http://www.npdb-hipdb.hrsa.gov/ and complete the Self-Query form online. After completing the Self-Query form, you must print out a hard copy, have it notarized and forward it to the Data Bank. Please note that the date of your signature and notary date must be the same, otherwise the Self-Query form will be returned to you, delaying processing of your application. Also note that the Self-Query fee is payable by CREDIT CARD ONLY (Visa, MasterCard, Discover). Please remember to include your credit card number and expiration date on your query form. You must request your National Practitioner Data Bank Profile to be sent to you in a sealed envelope and forwarded to the Board with your lapsed license application.

LICENSE PROCESSING TIME

Do not send your lapsed application to the Board until you receive the National Practitioner Data Bank profile and your malpractice history reports or malpractice documents in sealed envelopes. It takes approximately four weeks, after the required documents are received by the Board, to process a lapsed license application that: a) lapsed in less than two years; and b) where there are no legal or malpractice issues. When a licensee applies to revive a license and more than two years have passed, the application must be reviewed by the Licensing Committee. The Licensing Committee meetings are held once a month. Lapsed license applications containing malpractice or legal issues will require more time to process. Lapsed licenses recommended for revival by the Licensing Committee are forwarded to the Board for approval at its next meeting, approximately two weeks later. Upon approval of your application for licensure, your wallet-sized card will be mailed to you.

CONTROLLED LICENSE SUBSTANCE REGISTRATION AND DEA REGISTRATION

If you wish to prescribe or dispense drugs, you must apply for a Massachusetts Controlled Substance Registration. Go to the Department of Public Health website at www.mass.gov/dph/dcp for an application for Massachusetts Controlled Substance Registration and follow the instructions or call (617) 753-8052. For DEA registration, go to the DEA website at www.deadiversion.usdoj.gov and follow the instructions or call (617) 557-2468.

ADDRESS CHANGES

The Board’s regulations require that you notify the Board, within 30 days, in writing, when any of your addresses change. Please note that only one address can be a post office box and it cannot be your mailing address.
BIRTH DATE RENEWAL

Renewal of your medical license will occur on your first birthday after the license issuance date, unless your birthday falls within ninety (90) days of obtaining initial licensure. If your first birthday after the issuance date falls within this time frame, you will not be required to renew your license until the following birthday. Renewals thereafter will be on a two-year birthday cycle.

Please be advised that under Massachusetts law you may not practice medicine in Massachusetts until you have received a license. The license applicant is responsible for determining that the Board has issued a license prior to practicing medicine in the Commonwealth of Massachusetts.

PLEASE MAKE A COPY OF ALL SUBMITTED FORMS FOR YOUR RECORDS.

Please include the National Practitioner Data Bank Profile and malpractice history reports or any other documents with your lapsed license application and mail them to the Board. The Board’s regulations require that you provide a copy of your completed lapsed license application and supplement to all healthcare affiliations.

CONFIDENTIAL INFORMATION

If answering “yes” to any of the questions, provide details on the supplemental pages for questions 11 to 13. For purposes of the following questions, “currently” does not mean on the day of, or even the weeks or months preceding the completion of this application; it means recently enough to impact one’s functioning as a physician.

YES  NO

11. Do you have a medical or physical condition that currently impairs your ability to practice medicine?

12. Have you engaged in the use of any substance(s) with the result that your ability to practice medicine is currently impaired?

13. Have you refused to submit to a test to determine whether you had consumed and/or were under the influence of chemical substances?

If you have a substance use disorder or mental or physical health diagnosis that impacts your ability to practice medicine, the Board encourages you to seek assistance voluntarily and to abide by any recommendations of your health care provider.

When the Board receives notice of a substance use disorder, its primary mission is to protect the public; however, the Board also seeks to ensure successful rehabilitation through the physician’s participation in approved treatment programs and supervised structured aftercare. Similarly, when the Board receives notice of a mental health or physical health diagnosis that impacts a physician’s ability to practice, the Board needs to ensure that the physician can practice medicine safely.

In regard to issues of physician impairment, whether the impairment is caused by a substance use disorder, or a mental or physical health diagnosis, the Board works cooperatively with the Massachusetts Medical Society’s Physician Health Services (PHS) and encourages physicians to contact PHS to determine what services may be available to them in order to ensure their safe practice of medicine. Please call PHS at (781) 434-7404.

If your responses to Questions 1-13 change while your application is pending, you must immediately notify the Board of the new information.

COMMONWEALTH OF MASSACHUSETTS

BOARD OF REGISTRATION IN MEDICINE

POLICY ON SUPERVISOR EVALUATIONS

POLICY 2017- 03

Adopted September 28, 2017

The Board and its Licensing Committee (Board) undertakes a rigorous and comprehensive process when evaluating the professional qualifications of an Applicant for a limited or initial license in Massachusetts. The honest and impartial assessment of an Applicant by his or her Program Director or Residency Director is a crucial component in the Board’s evaluative process.

All persons who submit Evaluations to the Board shall avoid any actual or perceived conflict of interest so as to ensure that the conflict does not affect patient safety, quality of care or the integrity of the services provided by the Board. A “conflict of interest” is a situation where financial, professional or personal interests (including the interests of immediate family members), may compromise one’s professional judgment or official responsibilities. A conflict of interest exists when an Evaluator may gain financially or professionally from an Applicant’s prospective employment.

All persons who submit an evaluation to the Board shall certify that they have knowledge of the Applicant’s performance and have reviewed the Applicant’s training record; that there is no evidence of any unprofessional behavior or any serious question of clinical competence; that the applicant has demonstrated competency to practice medicine without direct supervision; and that the Evaluator is the supervisor and has no conflict of interest, personally, professionally or financially, in recommending the Applicant for licensure.
Pursuant to M.G.L. c. 112, § 2, an applicant for licensure must demonstrate proficiency in the use of electronic health records (EHR). This is a one-time requirement.

*Complete Section 1 (Demonstrating Proficiency) OR Section 2 (Claiming an Exemption) and Sign in Section 3.*

**SECTION 1. DEMONSTRATING PROFICIENCY**

1. I have demonstrated proficiency in the use of EHR in one of the following ways:
   - _____ Participation in a Meaningful Use program as an eligible professional;
   - _____ Employment with, credentialed to provide patient care at, or in a contractual agreement with an eligible hospital or critical access hospital with a CMS Meaningful Use program;
   - _____ Participation as either a Participant or an Authorized User in the Massachusetts Health Information Highway.
   - _____ Completion of 3 hours of a Category 1 EHR-related CPD course that discusses, at a minimum, the core and menu objectives and the Clinical Quality Measures (“CQMs”) for Meaningful Use.

**SECTION 2. CLAIMING AN EXEMPTION** (Exemptions must be claimed each licensing cycle, if applicable. If you are exempted from the EHR proficiency requirement, please select the appropriate exemption.)

2. I am exempt from the EHR Proficiency requirement because I am an applicant
   - _____ who will not be engaged in the practice of medicine as defined in 243 CMR 2.01(4); or
   - _____ on active duty as a member of the National Guard or of a uniformed service called into service during a national emergency or crisis.
