RIDER TO PURCHASE AND SALE AGREEMENT
PETR BORUCHOWSKI to HOLISTIC INDUSTRIES, INC.

Dated December 27, 2017

155 NORTHAMPTON STREET, EASTHAMPTON, MA ("PREMISES")

This Rider supplements, amends and forms an integral part of the above-captioned Agreement. To the extent of any conflict between this Rider and the preprinted form of the Agreement to which this Rider is attached, the terms of this Rider shall govern.

I. PERMITS/APPROVALS CONTINGENCY

1. This purchase and sale transaction is expressly contingent upon Buyer’s ability to obtain, within six (6) months of the date of execution of the Agreement, all necessary permits and approvals to operate a marijuana dispensary (the “Permits/Approval Period”) at the Premises.

2. Buyer shall pay to Seller an abeyance fee of $1,500.00 per month commencing on January 1, 2018 and continuing on the first day of each month thereafter throughout the Permits/Approval Period, and throughout the additional due diligence period of up to (75) seventy-five days provided for below, up to the date of Closing. Said abeyance fee shall be non-refundable, and shall not otherwise affect the Purchase Price, nor reduce or affect the amount owed by Buyer to Seller at Closing.

3. At the expiration of the Permits/Approval Period, if Buyer shall be unable to complete the transaction contemplated herein, by reason of the lack of permits/approvals only, the Buyer’s Deposit shall be refunded, and the remaining obligations of the parties shall cease, except those which, by their terms, survive.

II. REPRESENTATIONS and CLOSING CONDITIONS

4. The Premises shall not be in conformity with the title provisions of this Agreement unless:

(a) All buildings, structures and improvements shall be located completely within the boundary lines of the Premises and any applicable setback lines or other applicable dimensional zoning requirements, and shall not encroach upon or under the property of any other person or entity. An exception to this requirement shall be allowed for a disclosed, pre-existing condition where a portion of the southern expanse of the structure - constructed in or around 1970 on the Premises - was properly permitted as constructed, but may violate current zoning setback requirements;

(b) No building, structure or improvements of any kind belonging to any other person or entity shall encroach upon or under the Premises;

(d) Title to the Premises is insurable at ordinary rates, for the benefit of Buyer in a fee owner’s policy in the American Land Title Association form currently in use; and not subject to any liens for services, labor or materials furnished, whether pursuant to this Agreement or otherwise.

5. Any title matter which is the subject of a title standard of the Real Estate Bar Association for Massachusetts at the time of the delivery of the deed shall be covered by said title standard to the extent applicable.

6. Each of Buyer and Seller represents to the other that it has not dealt with any broker or agent in connection with this transaction other than Taylor Real Estate and Colebrook Realty (the “Brokers”). Seller shall pay Taylor Real Estate its commission pursuant to a separate agreement. Buyer shall pay Colebrook Realty a fee pursuant to a separate agreement. Each party hereby indemnifies and holds harmless the other party from all loss, cost and expense (including reasonable attorneys’ fees) arising out of a breach of its representation or undertaking set forth in this paragraph. The provisions of this paragraph shall survive Closing or the termination of this Agreement.

7. Seller hereby represents and warrants as follows:

(a) The execution and delivery of this Agreement and the consummation of the transactions contemplated hereunder on the part of Seller do not and will not conflict with or result in the breach of any material terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge, or encumbrance upon any of the premises or assets of the Seller by reason of the terms of any contract, mortgage, lien, lease, agreement, indenture, instrument or judgment which will not be discharged, assumed or released at Closing. No action by any federal, state or municipal or other governmental department, commission, board, bureau or instrumentality, nor any approval or consent of any person or entity not a party to this Agreement, is necessary to make this Agreement a valid instrument binding upon Seller in accordance with its terms.

(b) Seller has not filed or been the subject of any filing of a petition under the Federal Bankruptcy Law or any insolvency laws, or any laws for composition of indebtedness or for the reorganization of debtors, nor is Seller currently insolvent.

(c) The following comprise all of the tenancies affecting the Premises, and true, correct and complete copies of any leases with respect to said tenancies shall be delivered to Buyer within five (5) business days of the execution of this Agreement.

(d) Authority. Seller has the full right and authority and has obtained any and all consents required therefor to enter into this Agreement, consummate or cause to be consummated the sale and make or cause to be made transfers and assignments contemplated herein. This Agreement has been, and the documents to be executed by Seller pursuant to this Agreement will be, authorized and properly executed and does and will constitute the valid and binding obligations of Seller, enforceable against Seller in accordance with their terms.

(e) Conflicts and Pending Actions or Proceedings. There is no agreement to which Seller is a party or, to Seller’s knowledge, binding on Seller which is in conflict with this Agreement. There is no action or proceeding pending or, to Seller’s knowledge, threatened against or relating to the Premises, which challenges or impairs Seller’s ability to execute or perform its obligations under this Agreement.

(f) Condemnation. To Seller’s knowledge, no condemnation, eminent domain or similar proceedings are pending or threatened with regard to the Premises.
(g) Notice of Betterment Assessments. Seller has not received any notice and has no knowledge of any pending or threatened liens, betterment assessments, condemnations, impositions or increases in assessed valuations to be made against the Premises by any governmental authority.

(h) Rights of First Refusal. Seller has not granted to any individual, group, entity or party of an option, right of first refusal, repurchase option, right of first offer or other similar right with respect to the Premises.

(i) The Seller represents that it has received no written notice from the DEP regarding the existence of hazardous materials on the Premises. If Seller receives any such notice prior to Closing, it shall immediately provide Buyer with a copy of such notice. If any such notice is received, Buyer shall have the right to terminate this Agreement on account thereof, said right to be exercised within ten (10) days of the date Buyer receives the copy of such notice.

(j) Zoning. The Seller has not received any notice of zoning or building code violations or any notice of any use restriction affecting the Premises.

The representations and warranties set forth in this Paragraph are made as of the date of this Agreement and are remade as of the Date of Closing and shall not and shall not be deemed to be merged into or waived by the instruments of Closing, but shall survive the Closing.

8. This Agreement shall, in all respects, be contingent upon Buyer’s satisfactory review of existing income and expense information for the tenancy(ies) at the Premises. Buyer shall have thirty (30) days from the time of Seller’s production of all income and expense information to notify Seller in writing if Buyer is not satisfied with same. In the absence of written notification of objection, upon the expiration of said thirty (30) day period, this contingency will be deemed to have expired and any objection under this paragraph deemed waived.

9. Notwithstanding anything herein to the contrary, Buyer acknowledges and agrees that Buyer is purchasing the Premises “AS IS,” “WHERE IS,” and “WITH ALL FAULTS,” and that NO REPRESENTATIONS have been made by the Seller in regard to its condition (including, without limitation, as to environmental and zoning matters) except those expressly contained in this Agreement, and the Buyer and the Seller agree that they have incorporated in this Agreement their entire understanding and no oral statement or prior written statement made by either of them or by any other person extrinsic to this Agreement shall have any force or effect. Buyer agrees that the Buyer is not relying on any representations, oral or written, concerning the age, condition, workmanship, or suitability of the Premises or any part thereof for any purposes made by any person, other than those representations expressly set forth in this Agreement.

10. Seller has notified Buyer that Seller possesses no pre-existing information from any inspection, engineering or environmental reports concerning any underground storage tanks, hazardous materials or harmful or toxic substances. Seller makes no representations or warranties with respect to such information (Seller is in possession only of one survey obtained in connection with Seller’s purchase of a back parcel, which Seller shall provide to Buyer within five (5) business days of the execution of this Agreement). Buyer acknowledges accordingly that that Buyer’s decision whether or not to purchase the Premises is based solely upon the results of Buyer’s own inspections or other information obtained or otherwise available to Buyer, rather than any information in the possession of or having been provided by Seller to Buyer.
In consideration of the same, and of its inspection rights, Buyer, for itself, its successors and assigns, forever waives and releases Seller from any present or future claims arising from or relating to the physical condition of the Premises, including without limitation the presence or alleged presence of asbestos or any hazardous materials or harmful or toxic substances in, or under or about the Premises, and including without limitation any claims under or on account of (i) the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as the same may have been or may be amended from time to time, Massachusetts General Laws Chapter 21E, and any regulations promulgated thereunder, (ii) any other federal, state or local law, ordinance, rule or regulation, now or hereafter in effect, that deals with, or otherwise in any manner relates to, environmental matters of any kind, (iii) this Agreement, or (iv) the common law. The terms and provisions of this paragraph shall survive Closing hereunder or the termination of this Agreement.

This Agreement is contingent upon the right of the Buyer to obtain, at Buyer’s own expense, an inspection of the structural and mechanical condition of all systems as well as any environmental inspections deemed necessary by the Buyer. During the seventy-five (75) day due diligence period set forth below, Seller agrees to permit Buyer and its designees reasonable access, at reasonable times, and upon reasonable prior notice, to the Premises for the purpose of making measurements, inspections and the like, such access to be in the presence of Seller or Seller’s agent. Buyer shall not perform any sampling or testing of environmental media at the Premises until Seller has approved the scope of Buyer’s sampling and testing program. To this end, Buyer shall present to Seller a reasonably detailed description of the sampling and testing proposed to be performed which includes the sampling locations and analyses to be made, prepared by the engineering firm to perform such work (and, if any, a copy of any Phase I environmental report obtained by Buyer), for Seller’s reasonable review and approval. If Seller reasonably disapproves such testing, Buyer’s sole remedy shall be to terminate this Agreement, in which event the Deposit shall be reimbursed to Buyer and neither party shall have any further obligations hereunder. If Seller approves such testing, then Buyer shall be permitted to cause such sampling and testing to be performed, but only to the extent approved by Seller. Buyer shall promptly restore the Premises as nearly as reasonably practicable to its condition prior to any investigations or testing, and the provisions of this sentence shall survive the termination of this Agreement.

Buyer shall indemnify and hold harmless Seller for any personal injury or property damage to the extent caused by Buyer’s inspection activities. Prior to entry onto the Premises by Buyer or any of its employees, agents, contractors or consultants, Buyer shall provide to Seller evidence of insurance in an amount not less than $1,000,000 and with an insurer reasonably acceptable to Seller, naming Seller as an additional insured, covering the activities to be conducted by Buyer, its employees, agents, contractors and consultants.

Buyer shall have a period from the date hereof until 5:00 P.M. local time on the date that is seventy-five (75) days after the date hereof to conduct its due diligence review of the Premises (including any sampling or testing of environmental media) at its sole cost and expense. During this due diligence period, Buyer shall have the right to terminate this Agreement if Buyer is not satisfied with the result of such inspections. Should the Buyer give written notice to Seller prior to the expiration of said 75 day period that Seller elects to so terminate this Agreement, then the Deposit shall be reimbursed to Buyer and neither party shall have any further obligations hereunder, except for those that expressly survive the termination of this Agreement. If Buyer fails to timely deliver such written notice of termination, then Buyer shall be deemed to have waived its right to terminate this Agreement under this paragraph, and the parties shall proceed with the transaction subject to the remaining terms and conditions of this Agreement.

Any damage done by Buyer or Buyer’s employees, agents or consultants shall be repaired by Buyer at Buyer’s expense. Buyer agrees to protect, indemnify, defend and hold Seller harmless.
from and against any claim for liabilities, losses, costs, expenses (including reasonable attorneys' fees), damages or injuries arising out of or resulting from the inspection, sampling or testing of the Premises or the environmental media therein by Purchaser or its agents or consultants, and, notwithstanding anything to the contrary in this Agreement, the provisions of the last two sentences of this paragraph shall survive Closing or any termination of this Agreement.

12 At the time of delivery of the deed hereunder Seller shall, as a condition of Buyer's performance, deliver to Buyer:

(a) a customary title insurance affidavit enabling Buyer and Buyer's mortgagee to obtain title insurance on the premises without the standard exceptions for mechanic's liens and parties in possession (except for the current occupants of the Premises under the Leases).

(b) an affidavit which includes Seller's social security number or taxpayer identification number, as the case may be, and which certifies as to whether Seller is or is not a foreign person or entity subject to withholding taxes as required by Section 1445 of the Internal Revenue Code of 1986, as amended.

[(c) a bill of sale in the form attached hereto as Exhibit A to any and all personal property owned by Seller located on the Premises.

(d) an Assignment and Assumption of Leases in the form attached hereto as Exhibit B with respect to the Leases, if any.]

14. Each of Buyer and Seller (each, a "Representing Party") represents and warrants to the other (i) that neither the Representing Party, nor any owner of a beneficial interest in it, nor any of its officers, directors, managers or managing members is a person or entity (each, a "Prohibited Person") with whom U.S. persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("OFAC") of the Department of the Treasury (including those named on OFAC's Specially Designated and Blocked Persons List) or under any statute, executive order (including Executive Order 13224 (the "Executive Order") signed on September 23, 2001 and entitled "Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism"), or other governmental action, (ii) that the Representing Party's activities do not violate the International Money Laundering Abatement and Financial Anti-Terrorism Act of 2001 or the regulations or orders promulgated thereunder (as amended from time to time, the "Money Laundering Act"), and (iii) that throughout the term of this Agreement the Representing Party shall comply with the Executive Order and with the Money Laundering Act.

15. Escrow Agent. The Seller and the Buyer acknowledge that the Escrow Agent also represents the Seller in connection with the transactions contemplated by this Agreement. The Buyer agrees that in the event of any dispute regarding the Deposit, the Escrow Agent shall nevertheless be entitled to continue to represent the Seller. The Seller and the Buyer agree that the Escrow Agent shall not be liable for any action or non-action taken in good faith in connection with the performance by the Escrow Agent of its duties hereunder, but shall be liable only for willful default or acts of bad faith. Without limiting the generality of the foregoing, in the event of any dispute with respect to the delivery of any amounts being held in escrow by the Escrow Agent, the Escrow Agent is authorized to retain such amounts and all interest thereon in its possession, without liability to any person, until such dispute has been settled by mutual agreement of the parties or by a
final order, decree or judgment of a court of competent jurisdiction and the time for appeal has expired and no appeal has been perfected. The Escrow Agent shall not be under any duty to institute or defend any such proceedings. In no event shall the Escrow Agent be required to take any action unless and until indemnified to its satisfaction by the party requesting such action. In the event that the Escrow Agent institutes any declaratory, interpleader or other action, the Seller and the Buyer agree to indemnify and hold the Escrow Agent harmless in equal shares from and against its reasonable costs and expenses and reasonable attorneys' fees incurred in connection therewith, which may be deducted from the Deposit to the extent available. The Escrow Agent has executed this Agreement to indicate its acceptance of the provisions of this Agreement and its agreement to abide by those provisions of this Agreement that are applicable to the Escrow Agent. The execution of this Agreement by the Escrow Agent is not intended to and shall not result in any privity of contract with the Seller, the Buyer or any possible third party beneficiary of this Agreement. The Escrow Agent shall not be paid any fees or other amounts in connection with the performance by the Escrow Agent of its services hereunder.

16 The Agreement and this Rider may be executed in multiple counterparts, each of which shall be deemed and original, and all of which together shall constitute a single instrument.
In witness whereof, Seller and Buyer have signed this Rider as of the date of the Agreement and agree that this Rider and the exhibits attached hereto, if any, form a part of the Agreement.
