**Purpose:** To notify Local Workforce Development Boards, One-Stop Career Center Operators, and other local workforce partners of a collaborative effort between Department of Career Services (DCS) and Department of Apprenticeship Standards (DAS) to provide employment services to clients interested in registered apprenticeship opportunities.

**Background:** Aided in part by grant funds from the Department of Labor, Massachusetts DCS and DAS have partnered in an effort to increase registered apprenticeship across the State in traditional and non-traditional industries and among underrepresented populations. DCS and DAS will share periodically recruitment opportunities with our workforce partners so that Career Center and other partner staff have information to offer customers interested in pre-apprenticeship and registered apprenticeship opportunities.
