

# Free Wage Theft Legal Clinic

Wage theft and worker exploitation is rising in Massachusetts. To help workers, the Attorney General's Office has started a Wage Theft Clinic together with community partners.

**Help is available!** Lawyers, law students, interpreters, and worker center advocates will be at the Clinic to help workers learn about your rights, draft a demand letter, or prepare a small claims court complaint.

**Walk-ins are welcome.** If you need an interpreter, please call (617) 963-2327. If you have these papers, please bring them: pay stubs, time sheets, letters/emails from your employer.

## Boston

Suffolk Law School  
120 Tremont Street, Boston
