COMMUNITY REINVESTMENT ACT DESCRIPTIVE RATINGS AND EVALUATIONS WHICH BECAME PUBLIC DURING THE MONTH

The following state-chartered banks and credit unions and licensed mortgage lenders have Community Reinvestment Act descriptive ratings and evaluations describing the basis for the rating issued by the Division of Banks. The ratings, as set out in statute, for a bank’s or credit union’s record of meeting community credit needs are: Outstanding (O); High Satisfactory (HS); Satisfactory (S); Needs to Improve (NI); and Substantial Noncompliance (SNC). Licensed mortgage lenders are also assigned one of these ratings to describe their record of meeting the mortgage credit needs in the Commonwealth of Massachusetts.
A consolidated list of all ratings can be found at www.mass.gov/dob.

A copy of an individual CRA evaluation is available directly from the bank, credit union, or mortgage lender which is required by law to make the material available upon request, or from the Division’s web site.

BANK AND CREDIT UNION APPLICATION PROCESS TIMING

As a general rule, applications by banks and credit unions other than those that are subject to a review period set out in statute are intended to be processed and completed within the monthly cycle for which the bank and credit union applies. That review period for such processing is approximately 45 days or less from the date the application is filed with the Division. A decision on the application is generally issued within 5 business days after the review period is completed. The decision then will be reported on the monthly Activity Report for the month in which the decision was issued. The timing of the overall review process including the issuance of a decision and the listing on the monthly Activity Report will be dependent on the applicant’s compliance with all statutory, regulatory and administrative requirements. Applications before the Massachusetts Board of Bank Incorporation are subject to separate timing schedules as set out in the applications of the Board.
