

Application to Convert Out-of-State Driver Education Certificate

Registry of Motor Vehicles • Driver's Education Department
P.O. Box 55889 • Boston, MA 02205-5889

Complete this application to convert your out-of-state Driver's Education Certificate to a Massachusetts Driver's Education Certificate. If your state-issued Driver's Education Certificate indicates at least 30 hours of live classroom training, 12 hours behind-the-wheel training, and 6 hours of in-car observation, and a two-hour parent class, your application will be approved and a Massachusetts Driver's Education Certificate will be mailed to you within 10 days. If your application is not approved, the \$15.00 fee will be returned to you.

If your out-of-state certificate was not issued by a state agency, you must provide documentation on state letterhead from the appropriate agency indicating that a recognized driver education program issued the certificate and listing the minimum requirements for successful completion of that program.

Before completing this application, please see the instructions on the back.

Once you have received your Massachusetts Driver's Education Certificate and you have satisfied all other Junior Operator requirements (as outlined in the Massachusetts Driver's Manual), you can schedule a road test by calling the RMV's Contact Center at 857-368-8000 or by visiting www.mass.gov/rmv.
