

GIC BENEFITS DECISION GUIDE

FOR COMMONWEALTH OF MASSACHUSETTS

RETIREES & SURVIVORS

**ANNUAL
ENROLLMENT:**
April 4 – May 2,
2018

2018 – 2019

Benefits and rates effective
July 1, 2018

Annual Enrollment Checklist

Annual Enrollment offers you the opportunity to review your benefit options and enroll in or change your coverage. If you want to keep your current benefits, you do not need to complete any paperwork, as your coverage will continue automatically.

- ✓ **Review this guide.** Learn about important benefit and rate changes effective July 1, 2018 and review your options for health insurance products and benefit programs.
- ✓ **Attend a GIC health fair.** Health fairs offer the opportunity to speak with GIC staff and carrier representatives about the products and benefits available to you. Find information about health fair events at mass.gov/orgs/group-insurance-commission.
- ✓ **Contact the carriers.** Carrier specific questions such as network coverage, doctor, drug tiers or wellness benefits should be directed to the appropriate carrier. (See page 24 for more information on how to contact your carrier).
- ✓ **Consider a less expensive option.** If you are a non-Medicare retiree, you may have the option to select a lower cost regional or limited network product. These products have the same or better benefits as broad network products, but at a lower cost because they have a smaller network of providers (doctors and hospitals).
- ✓ **Ending your GIC coverage.** If you have access to non-GIC health insurance through your spouse or another employer-sponsored plan, you may benefit from the Buy-Out program. Go to mass.gov/orgs/group-insurance-commission to find out if you are eligible.

3 Ways to Lower Your Out-of-Pocket Costs

- Use non-emergency care facilities instead of an emergency room for non-urgent care
- Consider utilizing your carrier's Telehealth option
- If enrolled in a non-Medicare product, before receiving non-emergency services, check your health carrier's cost estimator to find high-quality, low-cost services

IMPORTANT REMINDERS!

- ✓ **Completed Annual Enrollment forms are due to the GIC, including Buy-Out forms by Wednesday, May 2, 2018:** All forms are available on the GIC website (mass.gov/gic-forms). Changes go into effect July 1, 2018.
- ✓ **Once you choose health care coverage, you cannot change products until the next Annual Enrollment period.** Even if your doctor or hospital leaves the health insurance product, unless you have an eligible qualifying status change, you must remain enrolled in your selected plan until the next Annual Enrollment. You can find a list of qualifying status changes on the GIC's Annual Enrollment website at mass.gov/orgs/group-insurance-commission.
- ✓ **Physician and hospital copay tiers change each July 1.** If you are enrolled in a non-Medicare plan, please check with your insurance carrier to see if your provider or hospital tier has changed.
- ✓ **Doctors and hospitals within a carrier's network can change during the year, usually because of a health carrier and provider contract issue, practice mergers, retirement or relocation.** If your doctor is no longer available, your health insurance carrier will help you find a new one.
- ✓ **When checking provider coverage and tiers, be sure to specify the health insurance product's full name, such as "Tufts Health Plan Spirit" or "Tufts Health Plan Navigator," and not just "Tufts Health Plan."** The health insurance carrier is your best source for this information.

How to Use This Guide

The *Benefits Decision Guide* is an overview of GIC benefits and is not a benefit handbook. Contact the carriers or visit the GIC's website for more detailed product handbooks.

Terms to Know:

Most products require GIC member cost-sharing involving one or more of the following.

Copay: A fixed dollar amount (e.g., \$20) that you pay for a covered health care service, such as a visit to your doctor or a specialist.

Deductible: A dollar amount you need to pay each year before your product pays for covered health care services.

Out-of-Pocket Maximum: The maximum amount you will pay each year for certain covered services that apply toward the maximum, after which your product will begin to pay in full for these covered services.

Coinsurance: Your share of the costs of a covered health care service, typically calculated as a percentage of the amount allowed for the service provided.

Out-of-Network Provider: A medical provider which has not contracted with your insurance company for reimbursement at a negotiated rate. Some health insurance products, like HMOs, do not reimburse out-of-network providers at all, which means that you would be responsible for the full amount charged by your doctor. While an in-network provider is preferable in terms of lowering your out-of-pocket costs, there are some cases where seeing an out-of-network provider may be necessary, such as in an emergency or to receive certain specialized care.

Welcome to Annual Enrollment!

Dear Colleague:

As Executive Director of the Group Insurance Commission, I am privileged to have the opportunity to serve you and advance our goal to help every member access high-value health care benefit options at an affordable cost.

GIC members are at the center of this important work, and to that end, we continue to develop channels from which to hear directly from you, our members. We conducted a member survey last fall and have since held public forums to hear from you in person. You shared your concerns about maintaining your health plan benefits, and about the rising costs of health care and prescription drugs, which are growing at rates much faster than wages. You have also told us that while you are generally satisfied with your health plan, you want us to do more to try to control premium and other out-of-pocket costs.

With this in mind, this year, the GIC has taken steps to bend the trend when it comes to containing these costs, while conserving benefits and options for members. Overall, this year's aggregate premium rate increase is being kept to zero percent, and a number of member-friendly enhancements have been made to serve you better, including some reduced copays and deductibles.

You should consider this year's *Benefits Decision Guide*, and our website mass.gov/orgs/group-insurance-commission to be your go-to-resources for identifying and selecting the best plan. I also encourage you to attend one of this year's health fairs, at which you can meet with health plan representatives and other providers and GIC staff about your benefits.

Thank you for your service to the Commonwealth.

Sincerely yours,

Roberta Herman, M.D.
Executive Director
Group Insurance Commission

This year's Annual Enrollment gives you the opportunity to review your benefit options and enroll in a health care product or make changes to your benefits. GIC has made specific benefit changes and is introducing a number of member-friendly enhancements to its health insurance products.

What's Changing This Year:

If you are a **MEDICARE** eligible GIC Retiree:

- **The Fallon Senior Plan will no longer be offered.** Please review the Benefits-at-a-Glance section for information about this year's product offerings or contact the health insurance carrier with specific questions about their GIC Medicare product (See page 24 for more information on how to contact your carrier.)
- **CVS SilverScript will be your prescription drug administrator.** When you enroll in medical coverage through the GIC, you will automatically receive prescription drug coverage through CVS SilverScript. CVS SilverScript offers cost management resources and live customer service support so you can best understand and manage your prescription costs. **With SilverScript, you have a separate ID card for your pharmacy benefit. Don't forget to bring it with you to the pharmacy when you get your prescriptions filled.** If you have questions about this program, visit gic.silverscript.com or call **1.877.876.7214**.

If you are a **NON-MEDICARE** eligible GIC Retiree:

- **Increased choice for you and your spouse:** GIC members will now be able to select a Medicare product offering from a separate health insurance carrier than their spouse's non-Medicare product.
- **Health benefit changes for the coming year:** In response to your feedback, the GIC has implemented a number of changes to help reduce your out-of-pocket costs and make using your benefits easier, including:
 - Reduced copays when seeing a Tier 3 specialist (Tier 3 copays will now be \$75, down from \$90 last year)
 - Members will no longer be charged ambulance copays after their deductible
 - All members will have access to \$15 Telehealth coverage
 - Utilizing hospice care will no longer require prior authorization
 - Some regional and limited network products will now have lower deductibles

More information is detailed in this *Benefits Decision Guide*.

- **Integration of Medical and Behavioral Health Benefits:** To better integrate your care, effective July 1, you will receive behavioral health benefits through your health insurance carrier. Please contact your health insurance carrier to learn more about this change.
- **Express Scripts will be your prescription drug administrator:** If you are enrolled in medical coverage through the GIC, you will automatically receive prescription drug coverage through Express Scripts (ESI). Express Scripts offers cost management resources and live customer service support so you can best understand and manage your prescription costs. With Express Scripts, you have a separate ID card for your pharmacy benefit. Don't forget to bring it with you to the pharmacy when you get your prescriptions filled. If you have questions about this new program, visit express-scripts.com/gicrx or call **1.855.283.7679**.

Personal or Family Information Changes?

You must notify the GIC of family status changes, such as legal separation, divorce, remarriage, and/or addition of dependents. Failure to do so can result in financial liability to you.

Please notify the GIC when any of the following changes occur:

- Marriage or remarriage
- Legal separation
- Divorce
- Address change
- Birth or adoption of a child
- Legal guardianship of a child
- Remarriage of a former spouse
- Dependent age 19 to 26 who is no longer a full-time student
- Dependent other than full-time student who has moved out of your health plan's service area
- Death of a covered spouse, dependent or beneficiary
- Life insurance beneficiary change
- You have GIC COBRA coverage and become eligible for other coverage

Drug Reminders and Warnings

For most GIC Medicare enrollees, the drug coverage you will have through your GIC health plan is a **better value** than a basic Medicare Part D drug plan. Therefore, most individuals should **not** enroll in a non-GIC Medicare Part D drug plan.

- A “Notice of Creditable Coverage” is in your plan handbook. It provides proof that you have comparable or better coverage than Medicare Part D. If you should later enroll in an individual Medicare drug plan because of changed circumstances, you **must** show the Notice of Creditable Coverage to the Social Security Administration to avoid paying a penalty. **Keep this notice with your important papers.**
- If you are a member of **Tufts Medicare Preferred**, your plan will include Medicare Part D effective July 1, 2018. You will receive a federal government-required opt-out mailing in early May. **Do not opt out of the SilverScript Part D program.** If you do, you will lose your GIC health, behavioral health, and prescription drug benefits and will not be able to re-enroll until next spring.
- All GIC Medicare plans automatically include Medicare Part D coverage. **Do not enroll in a non-GIC Medicare Part D product.** If you enroll in another Medicare Part D drug product, the Centers for Medicare & Medicaid Services will automatically dis-enroll you from your GIC health product, which means you will **lose your GIC health, behavioral health, and prescription drug benefits.**
- If you have extremely limited income and assets, contact the Social Security Administration to find out about subsidized Part D coverage.
- If your adjusted gross income, as reported on your federal tax return, exceeds a certain amount, Social Security will impose a monthly additional fee called IRMAA (Income-Related Monthly Adjustment Amount). Visit **medicare.gov** for more information. Social Security will notify you if this applies to you.

Benefits-at-a-Glance: MEDICARE Health Insurance Products

This chart is an overview of the health insurance product benefits. It is not a complete description. Benefits are subject to certain definitions, conditions, limitations and exclusions as spelled out in the respective health insurance carriers' documents. With the exception of emergency care, there are no out-of-network benefits for the GIC's Medicare HMOs.

The product also has a limited network of providers in this county or state; contact the health insurance carrier to find out which doctors and hospitals participate.

Medicare-Eligible GIC Retirees

The GIC has made a few changes to our products for Medicare-eligible retirees this year. Please note, Fallon Senior will not be offered on July 1, 2018. Members of this plan who do not take action will be defaulted into Tufts Medicare Complement.

Here is everything you need to know:

Tufts Health Plan - Medicare Preferred HMO (Medicare Advantage)

About the Product:

- Provides coverage through the plan's network of doctors, hospital and other providers
- Members must select a Primary Care Provider (PCP) to coordinate their care and obtain referrals to specialists
- No out-of-network benefits are provided, with the exception of emergency care
- The prescription drug portion is an Employer Group Waiver Plan (EGWP) under contract with the federal government that includes Medicare Part D prescription drug benefits and extra coverage from the GIC
- Prescription drug benefits are administered by CVS SilverScript

What's changing for this plan year:

- Product includes Medicare Part D effective July 1, 2018. You will receive a federal government required opt-out mailing in early May. **Do not opt out of the SilverScript Part D program.**
- Separate vendor for prescription drug coverage: CVS SilverScript
- You will also have a separate ID card for your pharmacy benefit.

Tufts Health Plan Medicare Complement Indemnity (Medicare Supplement)

About the Product:

- A supplemental Medicare plan
- Offers coverage for services provided by any licensed doctor or hospital throughout the United States that accepts Medicare payment
- The prescription drug portion is an Employer Group Waiver Plan (EGWP) under contract with the federal government that includes Medicare Part D prescription drug benefits and extra coverage from the GIC
- Prescription drug benefits are administered by CVS SilverScript

What's changing for this plan year:

- Nationwide product is new for this year

UniCare State Indemnity - Medicare Extension (OME) Indemnity

About the Product:

- A supplemental Medicare product
- Offers access to any licensed doctor or hospital throughout the United States
- The prescription drug portion is an Employer Group Waiver Plan (EGWP) under contract with the federal government that includes Medicare Part D prescription drug benefits and extra coverage from the GIC
- Prescription drug benefits are administered by CVS SilverScript

What's changing for this plan year:

- Behavioral health is now integrated into product design

Harvard Pilgrim Medicare Enhance Indemnity (Medicare Supplement)

About the Product:

- A supplemental Medicare plan
- Offers coverage for services provided by any licensed doctor or hospital throughout the United States that accepts Medicare payment
- The prescription drug portion is an Employer Group Waiver Plan (EGWP) under contract with the federal government that includes Medicare Part D prescription drug benefits and extra coverage from the GIC
- Prescription drug benefits are administered by CVS SilverScript

What's changing for this plan year:

- No plan changes for 2018

Health New England Medicare Supplement Plus (Medicare Supplement)

About the Product:

- A supplemental Medicare plan
- Offers coverage for services provided by any licensed doctor or hospital that accepts Medicare payment
- The prescription drug portion is an Employer Group Waiver Plan (EGWP) under contract with the federal government that includes Medicare Part D prescription drug benefits and extra coverage from the GIC
- Prescription drug benefits are administered by CVS SilverScript

What's changing for this plan year:

- Nationwide product is new for this year

Non-Medicare Eligible GIC Retirees

National Product (UniCare Basic)

UniCare State Indemnity Plan/Basic Indemnity

About the Product:

- Provides access to any licensed doctor or hospital throughout the United States and outside of the country*
- In Massachusetts, provides 100% coverage of allowed charges after copayment and deductible
- Members are encouraged to select a Primary Care Provider (PCP) to manage their care and pay a lower copay if they see a Centered Care PCP

What's changing for this plan year:

- Reduced copay from \$90 to \$75 for third-tier specialists
- New combined medical and pharmacy out-of-pocket maximum (\$5,000/\$10,000)
- New vendor for prescription drug coverage: Express Scripts
- Emergency ambulance (no charge after deductible)

Broad Network Products (UniCare PLUS, Tufts Navigator, Fallon Select, Harvard Pilgrim Health Care Independence)

UniCare State Indemnity Plan/PLUS PPO-Type

About the Product:

- Provides access to all Massachusetts physicians and hospitals; also provides access to the carrier's network of physicians and providers throughout New England and border states, with in- and out-of-network benefits
- Out-of-state non-UniCare providers have 80% coverage of allowed charges*
- Members are encouraged to select a Primary Care Provider (PCP) to manage their care and pay a lower copay if they see a Centered Care PCP
- Members will pay lower copays for Tier 1 and Tier 2 PCPs and specialists and Tier 1 and Tier 2 hospitals

What's changing for this plan year:

- Reduced copay from \$90 to \$75 for third-tier specialists
- New combined medical and pharmacy out-of-pocket maximum (\$5,000/\$10,000)
- New vendor for prescription drug coverage: Express Scripts
- Emergency ambulance (no charge after deductible)
- Expansion of in-network coverage area in New England and border states

* To avoid additional non-Massachusetts provider charges, contact UniCare to find doctors and hospitals in your area that participate in UniCare's national Anthem and Private Healthcare Systems (PHCS) network. Please visit UniCare's website for in- and out-of-network providers and hospitals in New England and border states.

Tufts Health Plan Navigator POS

About the Product:

- Provides coverage for treatment by a network of doctors, hospitals and other health care providers
- Members must select a Primary Care Provider (PCP) to manage their care and obtain referrals to specialists to receive care at the in-network level of coverage
- The product allows treatment by out-of-network providers or in-network care without a Primary Care Provider (PCP) referral, but with higher out-of-pocket costs
- Members will pay lower copays for Tier 1 or Tier 2 PCPs and specialists and Tier 1 or Tier 2 hospitals

What's changing for this plan year:

- Reduced copay from \$90 to \$75 for third-tier specialists
- For members 21 and under, new \$2,000 per hearing aid per impaired ear every 24 months
- Emergency ambulance (no charge after deductible)
- New vendor for prescription drug coverage: Express Scripts

Fallon Health Select Care HMO

About the Product:

- Provides coverage through the carrier's network of doctors, hospital and other providers
- Members must select a Primary Care Provider (PCP) to coordinate their care and obtain referrals to specialists
- No out-of-network benefits are provided, with the exception of emergency care
- Members will pay lower office visit copays when they see Tier 1 or Tier 2 specialists and use Tier 1 or Tier 2 hospitals

What's changing for this plan year:

- Separate medical and prescription drug deductible: \$500 (individual)/\$1,000 family for medical and \$100 (individual)/\$200 (family) for prescription drugs
- Reduced copay from \$90 to \$75 for third-tier specialists
- For members 21 and under, new \$2,000 per hearing aid per impaired ear every 24 months
- New vendor for prescription drug coverage: Express Scripts
- New \$15 copay for Telehealth visits

Harvard Pilgrim Health Care Independence POS

About the Product:

- A POS product that provides coverage for treatment by a network of doctors, hospitals and other health care providers
- Members must select a Primary Care Provider (PCP) to manage their care and obtain referrals to specialists to receive care at the in-network level of coverage
- The product allows treatment by out-of-network providers or in-network care without a Primary Care Provider (PCP) referral, but with higher out-of-pocket costs
- Members will pay lower copays for Tier 1 or Tier 2 PCPs and specialists and Tier 1 or Tier 2 hospitals

What's changing for this plan year:

- Reduced copay from \$90 to \$75 for third-tier specialists
- For members 21 and under, new \$2,000 per hearing aid per impaired ear every 24 months
- Emergency ambulance (no charge after deductible)
- New vendor for prescription drug coverage: Express Scripts

Regional Network Products

(Health New England HMO and NHP Prime)

Health New England HMO

About the Product:

- Provides coverage through the carrier's network of doctors, hospital and other providers
- Members must select a Primary Care Provider (PCP) to coordinate their care; referrals to network specialists are not required
- No out-of-network benefits are provided, with the exception of emergency care
- Members will pay lower office visit copays when they see Tier 1 or Tier 2 specialists

What's changing for this plan year:

- Lower medical deductible: \$400 (individual)/\$800 (family)
- Reduced copay from \$90 to \$75 for third-tier specialists

About the Product:

- Provides coverage through the carrier's network of doctors, hospital and other providers
- Members must select a Primary Care Provider (PCP) to coordinate their care and obtain referrals to specialists
- No out-of-network benefits are provided, with the exception of emergency care
- Members will pay lower office visit copays when they see Tier 1 or Tier 2 specialists

What's changing for this plan year:

- Reduced copay from \$90 to \$75 for third-tier specialists
- For members 21 and under, new \$2,000 per hearing aid per impaired ear every 24 months
- New vendor for prescription drug coverage: Express Scripts
- New \$15 copay for Telehealth visits

Terms to Know:

HMO (Health Maintenance Organization): A health insurance product providing coverage for treatment by a network of doctors, hospitals and other health care providers within a certain geographic area. HMOs do not offer out-of-network benefits, with the exception of emergency care. Selection of a Primary Care Provider is required.

PPO (Preferred Provider Organization): A health insurance product providing coverage by network doctors, hospitals, and other health care providers. It allows treatment by out-of-network providers, but at a lower level of coverage. A PPO plan encourages the selection of a Primary Care Provider.

POS (Point of Service): A health insurance product providing coverage for treatment by a network of doctors, hospitals and other health care providers. Selection of a Primary Care Provider is required. To get the lowest out-of-pocket cost, a member must get a referral to a specialist.

Indemnity Plan: Comprehensive coverage anywhere in the world for many health services including hospital stays, surgery, emergency care, preventive care, outpatient services and other medically necessary treatment. You can get services from any provider, anywhere in the world. Keep in mind, however, that benefits differ depending on the service and the provider, and that not all services are covered.

Limited Network Products

UniCare State Indemnity Plan/ Community Choice

About the Product:

- Product with a hospital network of community hospitals and some tertiary hospitals in Massachusetts, provides 100% coverage of allowed charges after copayment and deductible
- Members have the option to seek care from an out-of-network hospital for 80% coverage of the allowed amount for inpatient care and outpatient surgery, after paying a copay
- The product offers access to all Massachusetts physicians and members are encouraged to select a Primary Care Provider (PCP)
- Members will pay lower office visit copays when they see Tier 1 or Tier 2 specialists

What's changing for this plan year:

- Lower medical deductible from \$500 (individual)/\$1,000 (family) to \$400 (individual)/\$800 (family)
- Reduced copay from \$90 to \$75 for third-tier specialists
- New combined medical and pharmacy out-of-pocket maximum (\$5,000/\$10,000)
- Lowered copay for Patient Centered PCPs from \$20 to \$15
- For members 21 and under, new \$2,000 per hearing aid per impaired ear every 24 months
- New vendor for prescription drug coverage: Express Scripts

Tufts Health Plan Spirit EPO HMO-Type

About the Product:

- Provides coverage through the carrier's network of doctors, hospitals and other providers
- Members are encouraged to select a Primary Care Provider (PCP)
- No out-of-network benefits are provided, with the exception of emergency care
- Members will pay lower office visit copays when they see Tier 1 or Tier 2 specialists and Tier 1 Hospitals

What's changing for this plan year:

- Reduced copay from \$90 to \$75 for third-tier specialists
- Reduced inpatient hospital copay to \$275 for Tier 1 and \$500 for Tier 2
- For members 21 and under, new \$2,000 per hearing aid per impaired ear every 24 months
- New vendor for prescription drug coverage: Express Scripts

Fallon Health Direct Care HMO

About the Product:

- The product offers a limited network based in a geographically concentrated area
- Provides coverage through the carrier's network of doctors, hospital and other providers
- Members must select a Primary Care Provider (PCP) to coordinate their care and obtain referrals to specialists
- No out-of-network benefits are provided, with the exception of emergency care
- Members will pay lower office visit copays when they see Tier 1 or Tier 2 specialists

What's changing for this plan year:

- Separate medical and prescription drug deductible: \$400 (individual)/\$800 (family) for medical and \$100 (individual)/\$200 (family) for prescription drugs.
- Reduced copay from \$90 to \$75 for third-tier specialists
- New vendor for prescription drug coverage: Express Scripts

Harvard Pilgrim Primary Choice Plan HMO

About the Product:

- Provides coverage through the carrier's network of doctors, hospital and other providers
- Members must select a Primary Care Provider (PCP) to coordinate their care and obtain referrals to specialists
- No out-of-network benefits are provided, with the exception of emergency care
- Members will pay lower office visit copays when they see Tier 1 specialists and Tier 1 hospitals

What's changing for this plan year:

- Lower medical deductible: from \$500 (individual)/\$1,000 (family) to \$400 (individual)/\$800 (family)
- For members 21 and under, new \$2,000 per hearing aid per impaired ear every 24 months
- New vendor for prescription drug coverage: Express Scripts
- New \$15 copay for Telehealth visits

The GIC has contracted with CVS SilverScript to manage the prescription drug benefit for all GIC Medicare medical products. Your prescription drug benefit is an Employer Group Waiver Plan (EGWP). The product combines a standard Medicare Part D prescription drug plan with additional coverage provided by the GIC.

Drug Copayments

All GIC medical products provide benefits for prescription drugs using a three-tier copayment structure in which your copayments vary, depending on the drug dispensed. Contact SilverScript with questions about your specific medications.

Tier 1: You pay the **lowest** copayment. This tier is primarily made up of generic drugs, although some brand name drugs may be included. Generic drugs have the same active ingredients in the same strength as their brand name counterparts. Brand name drugs are almost always significantly more expensive than generics.

Tier 2: You pay the **mid-level** copayment. This tier is primarily made up of brand name drugs, selected based on reviews of the relatively safety, effectiveness and cost of the many brand name drugs on the market. Some generics may also be included.

Tier 3: You pay the **highest** copayment. This tier is primarily made up of the brand name drugs not included in Tiers 1 or 2. Generic or brand name alternatives for Tier 3 drugs may be available in Tiers 1 or 2.

Prescription Drug Programs

All GIC products have the following programs to encourage the use of safe, effective and less costly prescription drugs. Contact SilverScript for details about these programs and whether they apply to drugs you are taking.

Step Therapy

This program requires enrollees to try effective, less costly drugs before more expensive alternatives will be covered.

Specialty Drug Pharmacies

If you are prescribed injected or infused specialty drugs, you may need to use a specialty pharmacy which can provide you with 24-hour clinical support, education and side effect management.

Prior Authorization

You or your health care provider may be required to contact SilverScript for prior authorization before getting certain prescriptions filled. This restriction could be in place for safety reasons or because SilverScript needs to understand the reasons the drug is being prescribed instead of a less expensive, first-line formulary option.

Quantity Limits

To promote member safety and appropriate and cost-effective use of medications, there may be limits on the quantity of certain prescription drugs that you may receive at one time.

In an effort to help GIC members save on pharmaceutical costs, the GIC has contracted with Express Scripts (ESI) to manage the prescription drug benefit for all GIC non-Medicare medical products beginning July 1, 2018. **You will receive a separate ID card that you will be required to use when filling your prescriptions.** You will be able to access a broad network of retail pharmacies to fill a 30-day supply and can fill a 90-day supply through mail order or at a CVS Pharmacy.

Prescription Drug Deductible

All GIC non-Medicare medical products have a fiscal year Rx deductible of \$100 individual/\$200 family. The prescription drug deductible is separate from your health product deductible. Once you've paid your prescription deductible, your covered drugs will be subject to copayment.

Drug Copayments

All GIC health products provide benefits for prescription drugs using a three-tier copayment structure in which your copayments vary, depending on the drug dispensed. Contact ESI with questions about your specific medications.

Tier 1: You pay the **lowest** copayment. This tier is primarily made up of generic drugs, although some brand name drugs may be included. Generic drugs have the same active ingredients in the same strength as their brand name counterparts. Brand name drugs are almost always significantly more expensive than generics.

Tier 2: You pay the **mid-level** copayment. This tier is primarily made up of brand name drugs, selected based on reviews of the relatively safety, effectiveness and cost of the many brand name drugs on the market. Some generics may also be included.

Tier 3: You pay the **highest** copayment. This tier is primarily made up of the brand name drugs not included in Tiers 1 or 2. Generic or brand name alternatives for Tier 3 drugs may be available in Tiers 1 or 2.

Prescription Drug Programs

All GIC products have the following programs to encourage the use of safe, effective and less costly prescription drugs. Contact ESI for details about these programs and whether they apply to drugs you are taking.

Mandatory Generics

When filling a prescription for a brand name drug for which there is a generic equivalent, you will be responsible for the cost difference between the brand name drug and the generic, **plus** the generic copay.

Step Therapy

This program requires enrollees to try effective, less costly drugs before more expensive alternatives will be covered.

Maintenance Drug Pharmacy Selection

If you receive 30-day supplies of your maintenance drugs at a retail pharmacy, you must call ESI to tell them whether you wish to continue to use a retail pharmacy for a 30-day supply or change to 90-day supplies through either mail order or CVS pharmacies.

Specialty Drug Pharmacies

If you are prescribed injected or infused specialty drugs, you may need to use a specialty pharmacy which can provide you with 24-hour clinical support, education and side effect management. Medications are delivered to your home or doctor's office.

Prior Authorization

You or your health care provider may be required to contact ESI for prior authorization before getting certain prescriptions filled. This restriction could be in place for safety reasons or because ESI needs to understand the reasons the drug is being prescribed instead of a less expensive, first-line formulary option.

Quantity Limits

To promote member safety and appropriate and cost-effective use of medications, there may be limits on the quantity of certain prescription drugs that you may receive at one time.

Health Insurance Buy-Out

If you have access to non-GIC health insurance through your spouse or another employer-sponsored product, it may pay to participate in the buy-out program. There are two buy-out periods and your reimbursement will be determined based on your product at the end of the covered period.

During Annual Enrollment

If you were insured with the GIC on January 1, 2018 or before and continue your coverage through June 30, 2018, you may apply to buy out your health plan coverage **effective July 1, 2018**, during Annual Enrollment.

October 3 — November 2, 2018

If you are insured with the GIC on July 1, 2018 or before, and continue your coverage through December 31, 2018, you may apply to buy out your health plan coverage **effective January 1, 2019**. The enrollment period for this buy-out will be October 3 — November 2, 2018.

You must have other non-GIC health insurance coverage through another employer-sponsored plan that meets Internal Revenue Service “minimum value” criteria and must maintain basic life insurance. Under the buy-out plan, eligible state retirees receive 25% of the full-cost monthly premium in lieu of health insurance benefits for one 12-month period. You will receive a monthly check. The amount of payment depends on your health plan and coverage.

FOR EXAMPLE:

State Retiree with UniCare State Indemnity Plan/ Medicare Extension (OME) individual coverage:

Full-cost premium on July 1, 2018:	\$367.30
Monthly 12-month benefit =	25% of this premium
Retiree receives 12 monthly checks of:	\$91.83
<i>(subject to federal and state taxes)</i>	

Form Submission

Send the completed Buy-Out form to the GIC **no later than May 2, 2018** for the July 1, 2018 buy-out or **November 2, 2018** for the January 1, 2019 buy-out. Forms received after the deadline will not be accepted.

Buy-Out Questions? Contact the GIC:

mass.gov/gic-forms

Life Insurance & AD&D

Life insurance, insured by The Hartford Life and Accident Insurance Company, helps provide for your family’s economic well-being in the event of your death. This benefit is paid to your designated beneficiaries.

Survivors, Elderly Governmental Retirees (EGRs), COBRA enrollees, and retirees in the GIC municipal health-only program are not eligible for GIC basic or Optional Life Insurance.

Basic Life Insurance

(Retired State Employees Only)

The Commonwealth requires \$5,000 of Basic Life Insurance for most retirees who have health coverage through the GIC.

Life Insurance and AD&D Questions? Contact the GIC:

1.617.727.2310

mass.gov/life-insurance-and-accidental-death

Retired State Employees Only

Optional Life Insurance After Retirement

At retirement, you should review the amount of your Optional Life Insurance coverage and its cost to determine whether it will make economic sense for you to keep it or reduce your amount of coverage. If you have paid off your home and other debts, such as student loans, talk with a financial advisor about other programs that might be more beneficial. If you make no change to your optional life coverage at retirement, you will be responsible for the retiree Optional Life Insurance premium, which can be substantial. Optional Life Insurance rates significantly increase when you retire, and continue to increase based on your age. You may decrease, but cannot increase, your amount of life insurance after you retire. If you decrease coverage and then later want to increase up to the amount you carried at the time of retirement, you may do so only with proof of good health acceptable to The Hartford.

Optional Life Insurance Non-Smoker Benefit

During Annual Enrollment, retired state employees who have been tobacco-free (have not smoked cigarettes, cigars or a pipe nor used snuff, chewing tobacco or a nicotine delivery system) for at least the past 12 months are eligible for reduced non-smoker Optional Life Insurance rates effective July 1, 2018. Enrollment form is available on GIC's website, mass.gov/gic-forms. You will be required to periodically recertify your non-smoking status in order to qualify for the lower rates.

Accelerated Death Benefit

This one-time benefit allows you to elect an advance payment of 25% to 80% of your life insurance death benefit if you have been diagnosed with a terminal illness. Insured retirees are eligible for this benefit if the attending physician provides satisfactory evidence that you have a life expectancy of 12 months or less. Upon payment of the accelerated death benefit, future life insurance premiums are waived, regardless of your age. The remaining balance is paid to your beneficiary when you die.

Accidental Death & Dismemberment (AD&D) Benefits

In the event you are injured or die as a result of an accident while insured for life insurance, there are benefits for the following losses:

- Life
- Hands, Feet, Eyes
- Speech and/or Hearing
- Thumb and Index Finger of the Same Hand
- Quadriplegia
- Paraplegia
- Hemiplegia
- Coma
- Brain Damage
- Added benefits for loss of life while using an airbag or seat belt

State Retiree Optional Life Insurance

MONTHLY GIC PLAN RATES EFFECTIVE JULY 1, 2018		
RETIRED STATE EMPLOYEE AGE	RETIREE SMOKER RATE Per \$1,000 of Coverage	RETIREE NON-SMOKER RATE Per \$1,000 of Coverage

GIC Retiree Dental Plan

Metropolitan Life Insurance Company (MetLife) is the carrier for the GIC Retiree Dental Plan. The product offers a fixed reimbursement of up to \$1,250 per member per year for dental services:

- Dental examinations
- Crowns
- Dental cleanings
- Dentures
- Fillings
- Dental implants

As a member, you may go to the dentist of your choice. However, you will save money by visiting one of the over 370,000 nationwide network of participating dentists. When you visit a MetLife provider, your out-of-pocket expenses will be lower, as you usually pay the lower negotiated fee, even after you have exceeded your annual maximum.

This is an entirely voluntary (retiree-pay-all) benefit option that provides GIC members with coverage at discounted group insurance rates through convenient pension deductions.

Eligibility

All state retirees, Elderly Governmental Retirees (EGRs), survivors and GIC Retired Municipal Teachers (RMTs who do not participate in the municipal health-only program) are eligible for the GIC Retiree Dental Plan.

Enrollment

Eligible retirees and survivors may join during Annual Enrollment, or within 60 days of a qualifying status change, such as when COBRA dental coverage ends, when you become a survivor of a GIC member, or at retirement. **However, if you have ever dropped coverage, you can never re-enroll in the plan.**

MONTHLY GIC RETIREE DENTAL PLAN RATES EFFECTIVE JULY 1, 2018	
\$1,250 Maximum Annual Benefit per Member	
COVERAGE TYPE	RETIREE PAYS MONTHLY
Single	\$29.91
Family	\$72.05

GIC Retiree Vision Discount Plan

Davis Vision is the carrier for the Retiree Vision Discount Plan. The product is available at any of the almost 45,000 nationwide Davis Vision providers. The plan offers significant discounts on:

- Eye examinations
- Spectacles
- Frames
- Contact lenses

All eyeglasses purchased through the Retiree Vision Discount Plan are covered by a two-year unconditional warranty against breakage at no additional cost. There is no monthly premium or fee to use the program; you pay for the services at the discounted price when they are needed. However, you must call Davis Vision before visiting the provider's office in order to participate.

Eligibility

To be eligible for this program, you, as the insured, must have GIC coverage. Your family members are only eligible if they are covered under your GIC health product.

Attend a Health Fair

Retirees and survivors who are thinking about changing health products, or looking at other benefit options, can attend one of the GIC's health fairs to:

- Speak with health and other benefit product representatives;
- Pick up detailed materials;
- Ask GIC staff about your benefit options;
- Change your health plan or apply for other GIC retiree/survivor benefits; and
- Take advantage of complimentary health screenings.

Please see page 25 or visit mass.gov/gic-news-and-announcements for the health fair schedule.

ADA Accommodations

If you require disability-related accommodations, contact the GIC's ADA Coordinator at least two weeks prior to the fair you wish to attend:

1.617.727.2310

GIC.ADA.Requests@massmail.state.ma.us
