3. Schooling past and present
4. \$35 check made out to the **Commonwealth of Massachusetts**

Rules

The Department of Labor Standards, Division of Apprentice Standards (“DLS/DAS”) is committed to expanding apprentice training in Massachusetts. To encourage additional sponsorships, DLS/DAS has agreed to waive its annual registration fee for sponsor programs that do not bid or work on prevailing wage jobs. Sponsors of fee-waived programs are required to execute a *Waiver of Fee and Declaration that Sponsor shall not Bid Prevailing Wage Jobs*. Apprentices in fee-waived programs shall receive the same credit for completion of their apprenticeship work as their counterparts in programs that have paid a registration fee in regards to qualifying for trade certification and licensure; however, apprentices in fee-waived programs shall be given unique identification cards. All apprentices have to be in school unless you can prove that you have completed all your schooling

All apprentices have to renew their ID card every year and that would include showing that you completed schooling the previous year and that you are registered for the following year. **Failing to do these things will result in canceling your ID card and NOTIFYING the proper Licensing Authority that you are no longer an apprentice and cannot sit for an License Test or work on any prevailing wage jobs.**

Please note that all HVAC/Refrigeration, Pipefitter, and Sprinklerfitter Apprentices also need to register with Public Safety. You will get back two copies of the Apprentice Agreement from us; one stays with the company you are working for, and the other copy goes with your application for registration with the Department of Public Safety. If you visit mass.gov/das and find the link to Public Safety, you can download their registration application.
