

## MOSES Tracking of Employers Interested in Hiring Hurricane Evacuees

An ‘Evacuee Friendly’ checkbox and icon will be added with the release of MOSES 36.7 on April 18, 2018 to the **Employer/General Info** tab and will be available as an advanced search option in MOSES to track employers who have expressed an interest in hiring hurricane evacuees. If you receive notice from an employer interested in accepting referrals of hurricane evacuees to available jobs you must enter information in MOSES as follows:

- Is the employer registered in MOSES? If so, make sure to identify them by checking the new ‘Evacuee Friendly’ checkbox. If the employer is not registered, you should set up the employer registration in MOSES and check the ‘Evacuee Friendly’ checkbox.
