HEARING OFFICER DECISION

Summary

The issue in this case is whether the City of Leominster (City) violated Section 10(a)(5) and, derivatively, Section 10(a)(1) of Chapter 150E (the Law) by repudiating an October 13, 2015 Memorandum of Agreement (MOA) that it had entered into with the Leominster Patrolmen's Union (Union). Based on the plain meaning of the October 13, 2015 MOA, I find that the City violated the Law in the manner alleged.

Statement of the Case

On December 15, 2016, the Union filed a charge of prohibited practice with the Department of Labor Relations (DLR), alleging that the City had engaged in prohibited
practices within the meaning of Sections 10(a)(5) and, derivatively, 10(a)(1) of the Law.

The DLR investigated the Union's charge and on April 14, 2017, issued a Complaint of
Prohibited Practice. The City filed an Answer to the Complaint on or about April 24,
2017.

The Complaint alleges that the City repudiated a provision in a MOA executed by
the parties on October 13, 2015. The parties subsequently waived their right to a hearing
and agreed to submit evidence in the form of a stipulated record. The Union filed a brief
on or about May 19, 2017.¹ Based on the record, which includes stipulated facts and
documentary exhibits, and in consideration of the parties' arguments, I render the
following opinion.

Stipulations of Fact

I. FACTS

1. The City of Leominster (City) is a public employer within the meaning of Section 1 of
the Law.

2. The Leominster Patrolmen's Union (Union) is an employee organization within the
meaning of Section 1 of the Law.

3. The Union is the exclusive bargaining representative for patrol officers.

4. On October 13, 2015, the parties signed an MOA of which states, in relevant part:

The parties agree that in exchange for officers carrying AED equipment in their
cruisers, thirty-five thousand dollars ($35,000) will be allocated every year in the
budget for supplementary overtime (this fiscal year will be designated as a line
item by the Mayor in the current budget, starting in the next fiscal year it will be a
separate line item). The regular patrolmen overtime list will be used. Which
shifts/work is determined to warrant supplementary overtime will be data driven.
The parties will meet monthly to discuss and agree on the process and
determinations of the supplementary overtime.

¹ The City did not file a brief.
5. The separate line item referred to in paragraph 4 was the subject of ongoing discussions between the City and the Union through November 2016.

6. City failed to create the separate line item referred to in paragraph 4.

II. EXHIBITS

1. Memorandum of Agreement dated October 2015 (Referenced in paragraph 4 above).

2. August 2016 emails between the City and the Union.

3. November 2016 emails between the City’s Mayor and the Chief of Police.

**Supplementary Facts**

1. By email dated August 11, 2016 to City Mayor Dean Mazzarella (Mazzarella), Union President Richard Woodward (Woodward) stated:

   I have been hounding the chief about seeing the separate line item for the incident based overtime for local 364. It was clearly stated at negotiations the line item would be created for fyl (sic) 16. To date I am being told that it has not been created as of yet. Local 364 would like the line item created per collective bargaining agreement 2015-2018. I am contemplating filing a grievance on the issue which I think should be unnecessary.

2. By email dated August 15, 2016 to Woodward, Mazzarella responded:

   I will have John move it to a separate account.

3. By email dated November 7, 2016 to Mazzarella, Interim Police Chief Michael Goldman (Goldman) wrote:

   Just a heads up that the union is making noise about removing the AED’s from the cruisers as they obviously feel that the City hasn’t held up their end.

---

2 The supplementary facts come from various exhibits that the parties submitted, listed in Item II above.

3 The record does not identify John’s last name or position. I note that the Union asserts in its brief that he is John Richards, City Comptroller.
4. By email to Goldman dated November 7, 2016, Mazzarella responded:

This is not a case of the funds not being in place. This is a case of it not being listed in a line item. To remove the units for that reason would not be reflective of the essence of our agreement. Furthermore, I don't see why we can't resolve this by just creating that item by line.

5. In an email to Mazzarella dated November 7, 2016, Goldman responded:

Mayor, Just keeping you abreast of the latest developments. I don't want anyone to be blindsided. It should never have come to this period and of course it can be resolved by moving the money. Their frustration and mine is that the request has been ongoing since July. John's statement that it is all in one org is exactly contrary to what the city agreed. You and I were both in the meeting when that was settled. John has taken what was for one of the first times in my memory a smooth negotiation and one that had been settled amicably and fairly fast and now sowed the seeds of distrust again. Sorry but that's my take on it.

6. In an email to Goldman dated November 7, 2016, Mazzarella responded:

Totally get it.

Opinion

Section 6 of the Law requires public employers and unions that represent their employees to meet at reasonable times to negotiate in good faith regarding wages, hours, standards of productivity and performance, and any other terms and conditions of employment. The statutory obligation to bargain in good faith includes the duty to comply with the terms of a collectively bargained agreement. Commonwealth of Massachusetts, 26 MLC 165, 168, SUP-3972 (March 13, 2000) (citing City of Quincy, 17 MLC 1603, MUP-6710 (March 20, 1991)); Massachusetts Board of Regents of Higher Education, 10 MLC 1196, SUP-2673 (September 8, 1983). A public employer's deliberate refusal to abide by an unambiguous collectively bargained agreement constitutes a repudiation of that agreement in violation of the Law. Town of Falmouth, 20 MLC 1555, MUP-8114 (May 16, 1994), aff'd sub nom., Town of Falmouth v. Labor
Relations Commission, 42 Mass. App. Ct. 1113 (1997). If the evidence is insufficient to find an agreement or if the parties hold differing good faith interpretations of the language at issue, the Commonwealth Employment Relations Board (CERB) will conclude that no repudiation has occurred. Commonwealth of Massachusetts, 18 MLC 1161, 1163, SUP-3439, SUP-3556 (October 16, 1991).

The issue before me is whether the City repudiated the October 13, 2015 MOA by refusing to allocate $35,000 in supplementary overtime in a separate line item in the budget. The Union argues that the City entered into a collective bargaining agreement, the MOA, in which it agreed to allocate $35,000 in a separate line item for supplementary overtime and that the City, to date, has failed and refused to create that separate line item. The Union contends that the agreement is unambiguous and that the City’s failure to abide by its terms constitutes a repudiation of that agreement. The City, while offered the opportunity, did not file a brief in this matter. Consequently, it has offered no defense or explanation for the allegations lodged against it.

The parties stipulated that they agreed upon a MOA that included the provision on supplementary overtime. They further stipulated that the City failed to create the separate line item referred to in the provision.

I turn first to consider the supplementary overtime provision of the MOA. The CERB gives effect to the clear meaning of the bargained-for language and does not inquire into the parties’ intent where the words of the agreement are unambiguous. Boston School Committee, 22 MLC 1365, 1376, MUP-8125 (January 9, 1996)(citing City of Worcester, 2 MLC 1281, 1285, MUP-2260 (January 8, 1976)).
The parties stipulated that they reached agreement on the MOA. The MOA states, in pertinent part:

The parties agree that in exchange for officers carrying AED equipment in their cruisers, thirty-five thousand dollars ($35,000) will be allocated every year in the budget for supplementary overtime (this fiscal year will be designated as a line item by the Mayor in the current budget, starting in the next fiscal year it will be a separate line item). The regular patrolmen overtime list will be used. Which shifts/work is determined to warrant supplementary overtime will be data driven.

Reading this paragraph carefully, giving its words their plain and normal meaning, I conclude that this provision is unambiguous. It states that, after the first year, the City will create a separate line item in the budget each year for the $35,000 in supplementary overtime. By this provision in the MOA, the City agreed to allocate the funds for supplementary overtime into a separate line item in the budget. The City admits that it did not do so. Though given the opportunity, the City has offered no defense for this refusal. Thus, the City admits that it failed to abide by an unambiguous term of the collectively bargained agreement, the MOA. Accordingly, by failing to abide by the unambiguous bargained-for language in the supplementary overtime provision of the MOA, I find that the City has repudiated the agreement.

Conclusion

The City of Leominster violated of Section 10(a)(5), and, derivatively, 10(a)(1) of the Law by repudiating the October 13, 2015 Memorandum of Agreement which, inter alia, requires the City to allocate $35,000 in a separate line item in the budget for supplemental overtime each year.

Remedy

The Union also seeks an Order, pursuant to the MOA, requiring the City to determine which shifts/work are determined to warrant supplementary overtime. I note
that this proposal reflects a provision in the MOA stipulated by the parties, but it was not specifically addressed in the stipulation of facts. However, I conclude that this provision flows naturally from the MOA. It is a natural consequence of allocating funds to have a determination as to who is going to share in those funds. Thus, having funded the supplementary overtime account, the City must then determine what shifts/work are eligible to receive payment from the account. Moreover, I note that the City, though given the opportunity, failed to file a brief or to raise any defense in this matter. Accordingly, I shall grant the Order as proposed by the Union.⁴

ORDER

WHEREFORE, based on the foregoing, IT IS HEREBY ORDERED that the City of Leominster shall:

1. Cease and desist from:

   a. Failing to bargain in good faith with the Union by repudiating the collective bargaining agreement by refusing to implement the provision in the October 15, 2015 Memorandum of Agreement concerning supplementary overtime.

   b. In any like or related manner, interfering with, restraining, or coercing and employees in the exercise of their rights guaranteed under the Law.

---

⁴ The Union has requested that the DLR retain jurisdiction of this case to address any remedial matters. Section 16.08 of the DLR’s Rules and Regulations governs compliance with the DLR’s Orders and sets forth the procedures for the enforcement of the Orders of the DLR. Consequently, there is no need to rule upon the Union’s request as the appropriate procedures are already in place. Also, while the Union in its brief stated that the provision concerning the creation of a line item regarding supplementary overtime should be effective stating July 1, 2018, I believe this to be in error. As I read the MOA, it requires that this provision be effective on the next fiscal year. Accordingly, I have ordered that the City implement this provision effective with the next fiscal year, which begins on July 1, 2017.
2. Take the following affirmative action that will effectuate the purposes of the Law:

   a. Adhere to the terms of the October 13, 2015 Memorandum of Agreement.

   b. Add a new line item to the Police Budget starting with the fiscal year beginning on July 1, 2017 in the amount of $35,000 for supplementary overtime.

   c. Pursuant to the Memorandum of Agreement, determine which shifts/work warrant supplementary overtime based on data.

   d. Post in all conspicuous places where members of the Union's bargaining unit usually congregate, or where notices are usually posted, including electronically, if the Employer customarily communicates with these unit members via intranet or email, and display for a period of thirty (30) days thereafter, signed copies of the attached Notice to Employees.

   e. Notify the DLR in writing of the steps taken to comply with this decision within ten days of the receipt of the decision.

SO ORDERED.
