The Board participated in the annual trade show of the Plumbing, Heating and Cooling Contractors of Massachusetts at the Royal Plaza Trade Center at the Best Western Motel in Marlborough, Massachusetts. A quorum was present, however, no deliberations or decisions were necessary. Open to the general public, the trade show hosted the Board members in a question and answer seminar from 8:00 a.m. to 10:00 a.m. During this period, the Board members entertained approximately 60 questions from the audience which ranged from apprenticeship requirements, acceptable materials, permits, the jurisdictional limits of the gas code, licensing requirements, and other assorted matters. The Board members and staff took turns answering these questions as they were asked, however, the Board members did not deliberate on the answers with each other nor were any votes taken.
