

**APPLICATION FOR FIVE-YEAR
DCR HUNTING PERMIT
WACHUSETT RESERVOIR WATERSHED LANDS**

Designated public water supply lands of the Department of Conservation and Recreation in the Wachusett Reservoir watershed both west and east of Interstate 190 are open for public hunting on a permit only basis. Permits are in addition to a valid Massachusetts Hunting License and a Hunter Safety Certificate, if required by the Division of Fisheries and Wildlife. Individuals interested in hunting on these lands should **completely fill out the bottom half of this form in ink and return it along with a self-addressed stamped #10 envelope (so that the hunting map can be included).** **Incomplete applications and applications without a self-addressed stamped envelope will not be processed.**

Mail your completed form and self-addressed stamped envelope to:

Department of Conservation and Recreation
Division of Water Supply Protection
Office of Watershed Management
Wachusett/Sudbury Operational Section
180 Beaman Street
West Boylston, MA 01583

THERE IS NO FEE ASSOCIATED WITH THIS PERMIT.

NOTE: This permit will not authorize hunting in the designated "Reservoir Zone" around Wachusett Reservoir. A separate permit, selected by annual lottery, is required to hunt in that area.
