# Instructions for filling out the Application For Compliance Decals

Follow the procedures below. The numbers of these procedures correspond to the numbered items on the *Application For Compliance Decals*.

- (a)** Enter your last, first, and middle name as it appears on your driver's license, AND  
**(b)** Enter the corporate name as it appears on your Section Five Registration and on any IRS form that contains your EIN or FID.
- (a)** Enter your driver's license number or the words "no license" AND **(b)** Enter the Employer Identification Number (EIN) or Federal Identification Number (FID) as it appears on any IRS document you have.
- Enter the address of the business as it appears on your Section Five Registration.
- Select the appropriate Section Five Registration type.
- Enter the registration number.
- Enter the following vehicle information for each vehicle. (For vehicles that are titled, use the information that appears on the title.)

**VIN:** Enter the 17-character vehicle identification number for automobiles and trucks. For other vehicles, enter the first 17 characters of the manufacturer's vehicle identification number.

**Title Number:**

Enter up to eight digits for the title number as issued by the Massachusetts Registry of Motor Vehicles, if applicable.

**Year:** Enter the year of manufacture (for example, 1983, 1988)

**Make:** Enter the make code (for example, chev, ford). This is a maximum of four characters.

**Model:** Enter the model name or number. This is a maximum of five characters.

**Body Style:**

Enter the two-character body style. Select the appropriate style from the attached list and write in a description.

**Horsepower:**

Enter the horsepower.

**Gross Vehicle Weight:**

Enter the weight in whole pounds.
