Dear Owner/Contractor Applicant:

An "Owner/Contractor" is defined as any person who is not a manufacturer, dealer, or repairer who owns a fleet of ten (10) or more vehicles, special mobile equipment, mobile construction cranes, or a combination thereof, that is used or leased exclusively in the Owner/Contractor's principal business. The Owner Contractor must also maintain an establishment with facilities for the repair, alteration, or equipment of such vehicles or trailers.

"Special Mobile Equipment" is defined as a motor vehicle that is principally designed to conduct excavation or lift building materials at a public or private construction site and is operated on a way for the sole purpose of transportation to or from the construction site and has a gross vehicle weight of at least 12,000 pounds. This definition shall not include a motor vehicle that is designed to carry passengers, or any load, on a way.

Trucks, including pickup trucks, and trailers not meeting the above requirement can not be operated with an Owner/Contractor plate.

It will be necessary for you to furnish copies of the following documents in order to obtain Owner/Contractor plates:

1. Business certificate from the city or town in which you are doing business.
2. Corporation papers from the Secretary of State, Department of Corporations and Taxation (if applicable).
3. Federal Identification Number/Employer Identification Number (FID/EIN)* from the Department of the Treasury, Internal Revenue Service. If you currently have an FID/EIN, please enclose a copy of one of the following most common forms of proof of an FID/EIN:
   - Any pre-printed IRS correspondence that includes corporation name, address, and FID/EIN number
   - Federal Tax Deposit Coupon Form 8109
   - Form 147C
   - Notice of New Employer Identification Number Assigned Form 5372
   - CP575 Notice (issued by the IRS). This is a letter sent to a customer to confirm issuance of an FID number.
   - Certificate of Exemption Form ST-2 (issued by DOR)

Note: If your business is unincorporated (e.g. a sole proprietor or general partnership), then the pre-printed IRS correspondence must list the owner information in this sequence: the individual's name, business name, and address.

4. A list of all authorized users who will have access to the Section 5 plates and a photocopy of a valid driver's license for each authorized user.
5. Photos of exterior business signs, as well as the posted business hours and the building's interior office.
6. Photocopies of the titles of all vehicles or pieces of equipment that are listed on the attached fleet survey sheet.
7. A floor plan: a diagram of the property you will use to conduct business, which will give a lay out of building and display area.

Please complete the enclosed questionnaire and return it to this office. A return envelope is provided for your convenience. Your request will be referred for investigation and you will be notified of the result.

* If you do not have an FID/EIN, you can obtain one from the Internal Revenue Service at 1-800-829-4933.

**Note:** The business name or corporation name must be spelled exactly the same on all of the above documents.

**NOTE:** Compliance Decals: Except for a ‘Dealer,’ a general registration holder must have a ‘Compliance Decal’ affixed to each motor vehicle or trailer he or she owns (or leases) that is operated with the assigned General Registration Number Plate. The presence of the Compliance Decal indicates the sales tax (M.G.L. c. 64H) has been paid and that title (M.G.L. c.90D) has been obtained. You will be asked to provide tax and title documentation for each vehicle before any plates can be assigned.
