The Massachusetts Elderly Nutrition Program offers meals in a group setting that provides a place for seniors to socialize and enjoy a nutritious meal. The meals are served at sites such as Council on Aging (COAs), community centers, and housing complexes. An increasing amount of sites now cater to a variety of diverse and ethnic populations. It should be noted that all seniors, regardless of ethnicity or diversity are welcome and encouraged to dine at any site.

# Chinese Meal Site

**Target Population(s):** Chinese (Primary language: Cantonese) (open to all seniors)

**Goal:** The goal for this site is to provide a social setting for the Chinese community in Quincy, MA. The three sites offered in Quincy are also aimed at providing solutions for general needs of the elderly community. All locations are localized so that people can get to one of the three sites, which are within a two-mile proximity.

**Description:** A meal is offered three days during the mid-week, (Wednesday – Thursday), and take place different locations.

Although each setting and environment is different, every location offers its own, unique component to the meal service. Chinese meals are served at all locations. Tai Chi takes place on the ground floor of the Quincy Building over the summer months. Exercises are done on 12th floor during the winter months.

**Setting:** Each site is open to the Chinese community for the majority of the morning, before lunch is served, and is a central location for socialization in the Cantonese-speaking Chinese community. Since all three sites are walking distance from each other; it is common for patrons to travel amongst sites throughout the week. Staff and volunteers speak Cantonese at each site.

**Promotional/Outreach:** Community speakers provide information in Chinese regarding physical and mental health, as well as managing finances.

**Partnerships:** All services are organized through South Shore Elder Services, while community partners provide facilities.

**Cost/Source of Funding:** Voluntary donations and federal and state sources are used to fund these gatherings.
**Challenges/Barriers**

Since the meal is at three different sites, transportation in the wintertime can be tricky for patrons. The meal service, however, offers some transportation for those who request it. The need for staff speaking other dialects of Chinese would also allow the program to expand throughout the Chinese community.

Chinese Meal Site

Target Population(s): Chinese (open to all seniors)

Goal: Started as a project aimed at decreasing the problem of isolation in Chinese elders living in South Shore neighborhoods. This site has become a multi-cultural social network where Chinese elders have integrated with members of other elder communities.

Description: The authentic Chinese meal is offered on the 1st Monday of each month, 11AM-1PM. Menus are planned in collaboration with a nutritionist, a member of the Chinese community, and contracted through a local Chinese restaurant. Approximately 30 people attend this event. Nutrition education is offered and translated into Chinese. Different forms of exercise are offered. Bilingual volunteers oversee the ethnic menu and are funded by the COA to pick up the meals from the restaurant.

Setting: Meals are held at the newly built Senior Center in the Sharon Council on Aging (COA) building. This bi-monthly event is well-appreciated by the Chinese community in Sharon, MA and surrounding communities. Attendees usually come early on the day of the meal to use the senior center for socializing. Chinese music and entertainment is also available on these days.

Promotional/Outreach: Several speakers have come in to explain health services, government programs, and rights offered to the elderly population in the US that may not be apparent to recent migrants. This event is promoted through the Sharon COA newsletter.

Partnerships: All services are organized through HESSCO Elder Services, while the Sharon Council on Aging provides the facilities.
**Cost/Source of Funding:** Voluntary donations and federal and state sources are used to fund the monthly gatherings. There is a voluntary donation of $2.50 suggested per meal.

**Challenges/Barriers:** There is a need for more Chinese-speaking volunteers and different modes of transportation for elderly to access this site.

**Evaluation:** Mainly informal, evaluations are done by word-of-mouth to program managers and volunteers during the events.
