It continues to serve as an advisory board to the SMHPC, and has been key in the development of the Department of Mental Health’s (DMH) Transition Age Youth (TAY) Initiative.

Under the YDC, there is the Statewide Young Adult Council (SYAC) was created in 2006, under the YDC per the request of young adults who wanted a venue that was young-adult driven by and for young adults receiving mental health services from all over the Commonwealth of Massachusetts.
