

Massachusetts Trial Court Office of Court Interpreter Services (OCIS)

List of Interpreters Available for Out-of-Court Assignments

The Office of Court Interpreter Services (OCIS) recruits and trains professional interpreters who provide interpreting services to the Trial Court throughout the Commonwealth. This specialized training leads to two levels of accreditation, screened and certified. Generally, interpreters begin working for OCIS as screened interpreters and, upon accumulation of interpreting expertise, progress toward the higher accreditation level of certified. Certification is most often achieved by passing written and oral exams. In some languages there are no certified interpreters. Many of our certified interpreters are also qualified to interpret in the federal courts.

As the sole public accrediting authority for spoken language court interpreters in the Commonwealth, OCIS maintains a list of interpreters to facilitate access to the courts for Limited English Proficient (LEP) individuals. In addition, OCIS provides general access to interpreter services by making this list public so it can be used by attorneys and other legal or law-related entities that seek assistance in obtaining qualified interpreters. To arrange interpreters for non-court-ordered events for individuals who are deaf or hard of hearing, contact the Massachusetts Commission for the Deaf and Hard of Hearing (www.mass.gov/mcdhh).

The list includes both staff interpreters and per diem interpreters. Staff interpreters are state employees, while per diem interpreters are independent contractors. This list is not intended as a complete list of all OCIS interpreters or as a source for official confirmation of an interpreter's certification status. Please contact OCIS if you need additional information. If you have questions about the accreditation status of an interpreter (for example, if you require a certified interpreter for a particular assignment), please be sure to confirm that information with our office by emailing languageaccess@jud.state.ma.us.

By creating this list and allowing staff interpreters to be included in it, the Trial Court is in no way taking a position on whether any or all "outside work by staff interpreters" is in conflict with or prohibited by the State Ethics Law (Massachusetts General Laws Chapter 268A), the Trial Court Policies and Procedures Manual, and/or any applicable Collective Bargaining Agreements. Further, please be advised that Massachusetts General Laws Chapter 66 § 10 forbids the Trial Court from disclosing the home address and home telephone number of staff interpreters. (*Staff interpreters will be notated in bold text*)

Pursuant to the [Standards and Procedures](#) of the Office of Court Interpreter Services, all interpreters, staff and per diem, must assess a variety of concerns about potential conflicts of interest each time they consider taking on an assignment. Interpreters must be diligent in these assessments, which can result in their inability to work on your cases in or out of court.

Please be advised that interpreters are required to disclose any previous involvement with a case before proceeding to interpret in the same matter in court. This disclosure does not necessarily disqualify an interpreter from continuing to provide services in a particular case. Rather, it serves to inform the Court and to maintain the integrity of the court interpreter's primary role as an impartial officer of the court. For additional information about interpreter standards of practice, see Section 4 of the Standards and Procedures of the Office of Court Interpreter Services.

Please note that interpreter participation in this list is voluntary. Interpreters are not required to take out-of-court assignments. Also, there may be additional resources in your area who choose not to be listed here. This list is updated quarterly, so be sure to check for new postings regularly. The County/State notation listed by each interpreter refers only to the interpreter's area of residence; it does not mean they are only available to take on assignments in those regions. Please contact them directly regarding their availability. Again, if you have any questions regarding this list please contact the office at interpreter.requests@jud.state.ma.us.
