MASSACHUSETTS HEALTH CONNECTOR | Who Can Use This Application

This is your application for health coverage if you live in Massachusetts, your income is at or below 400% of the federal poverty level, and you

- are 65 years of age or older;
- are not otherwise eligible for MassHealth;
- are not getting Medicare; and
- do not have access to an affordable health plan that meets the minimum value requirement.*

* Minimum value requirement means that the health insurance plan pays at least 60% of the total health insurance costs of the average enrollee. The Health Connector uses Modified Adjusted Gross Income (MAGI) rules to determine eligibility. See the Senior Guide for more information.
The following MUST be sent with the application when applying for MassHealth, the Health Safety Net, and the Massachusetts Health Connector.

**SOCIAL SECURITY NUMBER (SSN)**

You must give us an SSN or proof that one has been applied for for every household member who is applying, unless one of the following exceptions applies.

- You or any household member has a religious exemption as described in federal law.
- You or any household member is eligible only for a nonwork SSN.
- You or any household member is not eligible for an SSN.

Unless an exception applies, we need SSNs for all persons applying for health coverage. An SSN is optional for persons not applying for health coverage, but giving us an SSN can speed up the application process. We use SSNs to check income and other information to see who is eligible for help with health coverage costs. If someone does not have an SSN or needs help getting one, call the Social Security Administration at (800) 772-1213, TTY: (800) 325-0778, or go to www.socialsecurity.gov. Please see the Senior Guide for more information.

**PROOF OF INCOME, ASSETS, AND INSURANCE**

We will attempt to verify some of this information through electronic data matches and will notify you if we need further proof. It may speed up the processing of your application if you send proof of these items with it.

- Proof of all current income before deductions, such as copies of pay stubs or pension check stubs (You do not have to send proof of social security or SSI income, but you must fill out the social security and SSI income information, if applicable.)
- Proof of all assets, such as bank accounts and life insurance policies
- Copies of your current health insurance premium bills (such as Medex) if you are applying for long-term-care services in a medical facility. (You do not have to send copies of your Medicare cards.)
- Policy numbers for any current health coverage
- Information about any other health insurance available to your household

**PROOF OF CITIZENSHIP/NATIONAL STATUS**

We will try to verify this information through electronic data matches. We will notify you if we need further proof. It may speed up the processing of your application if you send proof of these items with it.

- Proof of U.S. citizenship/national status and proof of identity, such as U.S. passports or U.S. naturalization papers. You can also prove U.S. citizenship with a U.S. public birth certificate. You can also prove identity with a driver’s license or some other form of government-issued card. We may be able to prove your identity through the Massachusetts Registry of Motor Vehicles records if you have a Massachusetts driver’s license or a Massachusetts ID card. Once you give MassHealth proof of your U.S. citizenship/national status and identity, you will not have to give us this proof again. You must give us proof of identity for all household members who are applying.

Seniors and disabled persons who get or can get Medicare or Supplemental Security Income (SSI), or disabled persons who get Social Security Disability (SSDI), do not have to give proof of their U.S. citizenship/national status and identity. (See Section 9 in the Senior Guide for complete information about acceptable forms of proof.)

- A copy of both sides of all immigration cards (or other documents that show immigration status) for you or your spouse if you or your spouse are not U.S. citizens/nationals and are applying for MassHealth (except for MassHealth Limited), the Health Safety Net, or the Health Connector plans.

For more information on immigration statuses and document types, please see page 20.

**WHY WE ASK FOR THIS INFORMATION**

We ask about income and other information to let you know what coverage you qualify for and if you can get any help paying for it. We will keep all the information you provide private and secure, as required by law. To view the Health Connector’s privacy policy, go to mahealthconnector.org. To view MassHealth’s privacy policy, go to www.mass.gov/service-details/masshealth-member-privacy-information.

When we get your filled-out, signed, and dated application, we will review it. If we need more information, we will write or call you. Once we get all needed information, we will make a decision about your eligibility. We will send you a written notice about this decision. If you are determined eligible for MassHealth, show this notice right away to any health care provider if you already paid for medical services that would be covered by MassHealth during your eligibility period. If the health care provider determines that MassHealth will pay for these services, the provider will refund what you paid.

If you need more information about how to apply, or if you need another copy of Supplement C: Personal-Care Attendant for your spouse who is also applying, call us at (800) 841-2900, TTY: (800) 497-4648. This application is available in Spanish. Please call the number above to request one.

If you have any questions about any form or the information you need to send, please call us at (800) 841-2900, TTY: (800) 497-4648.

☐ MassHealth or the Health Safety Net (HSN)
   (If living at home, or in a rest home, an assisted living facility, a continuing care retirement community, or life care community, fill out this application and any supplements that apply to you or any household member.) MassHealth will check if anyone applying for health coverage on this application is eligible for MassHealth or the HSN.

   Spouse: __________________________

☐ Health Connector Programs
   Health coverage through the Massachusetts Health Connector is not MassHealth. If you have Medicare, you will not be eligible for any cost sharing or Advance Premium Tax Credits, and you cannot purchase a plan through the Health Connector, unless you were enrolled in a Health Connector plan when you became eligible for Medicare. The only time you should apply for Health Connector programs if you have Medicare is if you are not enrolled in Medicare yet but would have to pay for your Medicare Part A premium. In this case, you may be eligible for a Health Connector plan.

1. MassHealth may require eligible persons to enroll in available employer-sponsored health insurance if that insurance meets the criteria for MassHealth payment of premium assistance.

2. Employers of eligible persons may be notified and billed in accordance with MassHealth regulations for any services that hospitals or community health centers provide to such persons that are paid for by the Health Safety Net.

3. I may have to pay a premium for health coverage for myself and others listed on this application. Failure to pay any premium due may result in the state deducting the amount owed from the tax refunds of responsible persons. If I am a certain American Indian or Alaska Native, I may not have to pay premiums for MassHealth.

4. MassHealth has the right to pursue and get money from third parties who may be obligated to pay for health services provided to eligible persons enrolled in MassHealth programs. Such third parties may include other health insurers, spouses, parents obligated to pay for medical support, or individuals obligated to pay under accident settlements. Eligible persons must cooperate with MassHealth in establishing third-party support and obtaining third-party payments for themselves and anyone whose rights they can legally assign. Eligible persons may be exempted from this obligation if they believe and tell MassHealth that cooperation could result in harm to them or anyone whose rights they can legally assign.

5. A parent and/or guardian of minor children must agree to cooperate with state efforts to collect medical support from an absent parent unless they believe and tell MassHealth that cooperation will harm the children or the parent or guardian.

6. Eligible persons who are injured in an accident, or in some other way, and get money from a third party because of that accident or injury must use that money to repay MassHealth or the Health Safety Net for certain services provided.

7. Eligible persons must tell MassHealth or the Health Safety Net, in writing, within 10 calendar days, or as soon as possible, about any insurance claims or lawsuits filed because of an accident or injury.

8. The status of this application may be shared with a hospital, community health center, other medical provider, or federal or state agencies when necessary for treatment, payment, operations, or the administration of the programs listed above.

9. To the extent permitted by law, MassHealth may place a lien against any real estate owned by eligible persons or in which eligible persons have a legal interest. If MassHealth puts a lien against such property and it is sold, money from the sale of that property may be used to repay MassHealth for medical services provided.

10. To the extent permitted by law, and unless exceptions apply, for any eligible person age 55 or older, or any eligible person for whom MassHealth helps pay for care in a nursing home, MassHealth will seek money from the eligible person’s estate after death.

11. Eligible persons must tell the health care program(s) in which they enroll about any changes in their or their household’s income or employment, household size, health insurance coverage, health insurance premiums, and immigration status, or about changes in any other information on this application and any supplements to it within 10 calendar days of learning of the change. Eligible persons can make changes by calling (800) 841-2900, TTY: (800) 497-4648 for people who are deaf, hard of hearing or speech disabled. 14. In connection with the eligibility and enrollment process, MassHealth, the Massachusetts Health Connector, and the Health Safety Net may send notices that contain personal information about persons listed on this application to other persons on this application, or otherwise communicate such information to such persons.

15. Under federal law, discrimination is not permitted on the basis of race, color, national origin, sex, age, sexual orientation, gender identity, or disability. I can file a complaint of discrimination by going to www.hhs.gov/ocr/office/file.

You can submit this form if you would like to designate an authorized representative to act on your behalf. If an authorized representative signed your application for you, or if you are an authorized representative applying on behalf of someone else, you **MUST** submit this form for the application to be processed.

You do not need to fill out this form if you live in an institution and want copies of eligibility notices sent to you and to your spouse who still lives at home. We will do that automatically.

**Note:** An authorized representative has the authority to act on an applicant’s or member’s behalf in all matters with MassHealth and the Health Connector, and will receive personal information about the applicant or member until we receive a cancellation notice terminating their authority, or upon the death of the applicant or member. Their authority will not automatically terminate once we process your application.

**You can choose someone to help you.**

You may choose an authorized representative to help you get health care coverage through programs offered by MassHealth and the Health Connector. You can do this by filling out this form (the Authorized Representative Designation Form). You or a representative can sign for yourself and for any of your dependent children under the age of 18 for whom you are the custodial parent. **You are not required to have a representative in order to apply for or receive benefits.**

**Who can help me?**

1. An authorized representative can be a friend, family member, relative, or other person or organization of your choosing who agrees to help you. It is up to you to choose an authorized representative if you want one. Neither MassHealth nor the Health Connector will choose an authorized representative for you. You must designate in writing (fill out Section I, Part A) the person or organization who you want to be your authorized representative. Your authorized representative must also fill out Section I, Part B. We sometimes refer to this person or organization as a “Section I authorized representative.”

2. If you cannot designate an authorized representative in writing and you do not have an existing authorized representative or other person who is authorized by law to act on your behalf, a person (not an organization) who certifies that he or she will act responsibly on your behalf can be your authorized representative if that person fills out Section II of this form. We sometimes refer to this person as a “Section II authorized representative.”

3. An authorized representative can also be someone who has been appointed by law to act on your behalf, or on behalf of the estate of an applicant or member who has died. This person must fill out Section III and either you or this person must submit to us, together with this form, a copy of the applicable legal document stating that this person has authority to represent you, or the estate of a deceased applicant or member. We sometimes refer to this person as a “Section III authorized representative.”

4. A **Section III** authorized representative may be a legal guardian, conservator, holder of power of attorney, or health care proxy, or, if the applicant or member has died, the personal representative of the estate.

**What can an authorized representative do?**

A **Section I** or **II** authorized representative may

- fill out your application or renewal forms;
- fill out other MassHealth or Health Connector eligibility or enrollment forms;
- give proof of information reported on these forms;
- report changes in income, address, or other circumstances;
- get copies of all of your MassHealth and Health Connector eligibility and enrollment notices; and
- act on your behalf in all other matters with MassHealth and the Health Connector.

What a **Section III** authorized representative is authorized to do for you (or for the estate of a deceased applicant or member) will depend on the wording of the legal appointment.

Please note: Eligibility notices may include information about other members of an applicant’s or member’s household. If there are multiple people in your household we may not be able to send copies of some of your notices to your authorized representative unless each household member has also designated the same authorized representative by completing a separate Authorized Representative Designation Form.

How does an authorized representative designation end?

If you decide that you no longer want a Section I or Section II authorized representative, you must notify us at the time you want the designation to end by mail, fax, or phone. See our contact information below. If you mail or fax this notice to us, the notice must include your name, address, and date of birth, the name of your authorized representative, a statement that the designation has ended and your signature or, if you cannot provide written notice, the signature of someone acting on your behalf (in the case of a Section II authorized representative only).

In addition, if your authorized representative notifies us that such person or organization is no longer acting on your behalf, we will no longer recognize the person or organization as your authorized representative.

The authority of a Section I or Section II authorized representative will end upon the death of the applicant or member.

A Section III authorized representative’s designation ends when his or her legal appointment ends. The authorized representative must notify us as instructed above.
