EXECUTIVE ORDER #444 SUNSHINE POLICY QUESTIONS AND ANSWERS

WHAT IS THE SUNSHINE POLICY?

The Sunshine Policy was authorized by Executive Order 444 issued by Governor Romney on January 9, 2003. The Executive Order requires **anyone seeking employment** with the Commonwealth to disclose the names of all immediate family members, and those related to the immediate family by marriage, who are employees or elected officials of the Commonwealth.

- “Immediate family” means spouse, child, parent, and sibling; and the spouse’s child, parent and sibling.
- “Employees and elected officials of the Commonwealth” means an employee or elected official of any branch of state government (judicial, legislative, executive, higher education and state authorities); both regular employees and contract employees are included.

This "sunshine disclosure" is intended to ensure that the citizens of our Commonwealth have full confidence in their government and its hiring process. The disclosure will not be used to exclude any qualified applicant seeking a position within the Executive Branch from receiving full consideration based on the merits of his/her credentials and the requirements of the job.

Executive Order 444 also requires the official with whom such information has been filed to make those disclosures for applicants who are hired available for public inspection. In the case of the Executive Branch, this official would be the Agency Head.

In addition to the disclosures, the Sunshine Policy requires that Agency Heads:

- Establish internal controls that ensure close review of all steps in the hiring process, validation that the candidate selected was the most qualified, and determination that there was no undue influence exerted by the named family members in the process.
- Ensure that no employee is supervised, directly or indirectly, by an immediate family member.
- Ensure that employees excuse themselves from participation in any part of the hiring process for individuals who are members of their immediate family.

Who Must Make Disclosures?

- The disclosures are required of all candidates for Executive Branch positions who are hired into those positions on or after January 9, 2003. Retroactive disclosure for hiring transactions completed prior to January 9, 2003 is not required.
- The following individuals do **not** have to make disclosures, although they are still bound by the provisions of this policy that forbid the supervision by or of family members and involvement in the selection process of family members, as well as other provisions of the State Ethics Commission statutes that apply to state employees:
 - State employees whose hire occurred before January 9, 2003.
 - State employees who on or after January 9, 2003 are promoted, demoted or transferred to any Executive Branch position as a result of a posting waiver rather than in response to a job posting.*
 - State employees who apply for a position within their own agencies (whether the position was posted externally or internally).*

*Those state employees who apply for a management position at M V or above must disclose, without exception.

- The public disclosure provision applies to those applying for both regular and contract positions. It does not apply to independent contractors or those applying for seasonal positions.
- In addition to public disclosures, Agency Heads must report disclosures to the Chief Human Resources Officer, HRD for candidates for Managers V and above only, using the Notice of Intent to Hire (NIH) system.

COMMONWEALTH OF MASSACHUSETTS MA DOC APPLICATION FOR EMPLOYMENT

How are Disclosures Made?

- Consistent with the Human Resources Division's (HRD's) Model Hiring Plan, all candidates subject to disclosure who have reached the final candidate pool for a position within the state must complete and submit the Application for Employment form prior to the interview.

The Application for Employment may be customized by adding pages to it, but may not involve removal of any information contained in it unless it is designated as an "insert" to the application. The exception to the use of this form is candidates for State trooper positions, for which there is a more extensive application form used by the Department of State Police.

The Contract Employee Disclosure form is required of all contract employees seeking possible contract positions with the state.

- Both the Application for Employment and Contract Employee Disclosure forms have been revised to include the disclosure of the named relative's relationship, in addition to the named relative's job title and state agency where the named relative is employed.

What Records Must Be Kept and for How Long?

- Applications should be kept active for at least 30 days. The department will have the discretion to determine the length of time beyond 30 days that the application form is active. Application forms that have reached an inactive status (as determined by the department) must be kept on file for a minimum of two years, in accordance with the Secretary of State's current disposal schedule.
- When a candidate is hired, the candidate's application form should be kept in his/her personnel file. Confidential medical/Affirmative Action /ADA information should be given to the designated agency person who keeps those types of records.

What if the Person I Am Hiring Has a Concern About the Policy?

- If a potential new hire or contract employee has a concern about the language or intent of this policy, the Agency Head should discuss this issue with the Chief Human Resources Officer, HRD before proceeding with the hiring process.

Who do I Go To for Answers to My Questions?

- If you are an employee or candidate, please speak to the agency's HR Director about this policy.

RE: Process for Requesting ADA Reasonable Accommodation due to Disability

The State Office of Diversity and Equal Opportunity and the Massachusetts Office on Disability have issued guidelines to all executive branch departments concerning policies and legal rights for persons with disabilities. These guidelines outline the implementation of Executive Order 526 and the American with Disabilities Act (ADA) regulations. Each agency is required to make a reasonable accommodation to the known physical and/or mental limitations of an otherwise qualified applicant or employee with a disability in order to assist the employee with their ability to perform the essential functions of their position.

Accordingly, through the work of the Department of Correction's Office of Diversity such as the Affirmative Action Plan we strive to inform all employees of the existence and importance of non-discrimination and equal access policies and procedures in all aspects of employment, programs, services and activities for people with disabilities. Attached to this memo is a copy of the forms including steps job applicants/employees must follow to request an ADA reasonable accommodation.

The purpose for an ADA reasonable accommodation is to provide employees the opportunity to seek an accommodation regardless whether she/he has self-identified as a person with a disability. Any Department of Correction employee can contact the Department ADA Coordinator for further information at the DOC Office of Diversity and Equal Opportunity located at 50 Maple Street, Milford, MA 01757 or call directly at (508) 442-3646.

To be completed by the employee:
A. Questions to help determine the nature of the request.
 A reasonable accommodation is any change in the work environment that helps an employee perform the essential functions of their job or to enjoy the benefits and privileges of employment. To be eligible for a reasonable accommodation you must establish the connection between your disability related limitations and the specific request you are making. If you have a disability that limits the ability to do the essential/core functions of your job, your employer must provide a reasonable accommodation, unless the accommodation requested poses an undue hardship. Additionally once an accommodation has been provided you must be capable of performing the essential functions of your job.

1. What limitation(s) due to a disability do you have that interferes with your job performance?

2. What job functions are you having trouble performing because of the limitation(s)?

3. Describe how this limitation(s) interferes with your ability to perform the job function(s)?

To be completed by the medical provider:
 You have been asked to complete this form on behalf of your patient who requested a disability related workplace accommodation from their employer. The employer seeks verification that your patient has: 1) a disability as defined by the ADA (See B below) and that: 2) their disability results in the functional limitations described in A above (See C below).

B. Questions to verify disability.
 For reasonable accommodation under the ADA, an employee has a disability if he or she has an impairment that substantially limits one or more major life activities. The following questions may help determine whether the employee has a disability as defined by the ADA.

Note: The questions should be answered based on what limitations the employee has when his or her condition is in an active state and what limitations the employee would have if no mitigating measures were used. Mitigating measures include things such as medication, medical supplies, equipment, hearing aids, mobility devices, the use of assistive technology, reasonable accommodations or auxiliary aids or services, prosthetics, and learned behavioral or adaptive neurological modifications. Mitigating measures do not include ordinary eyeglasses or contact lenses. The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as provided by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. “Genetic information,” as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
