**Contract Summary**

This is a Statewide Contract for a GPO for Medical Commodities & Equipment. This contract covers a Group Purchasing Organization (GPO) agreement for Medical Commodities and Equipment with sole Contractor, Managed Healthcare Associates (MHA), whose GPO membership includes over 9,000 healthcare facilities such as hospitals and nursing homes. The GPO realizes savings and efficiencies by aggregating purchasing volume and using that leverage to negotiate discounts with manufacturers, distributors and other vendors of healthcare supplies. Please see item 1 under Additional Information below for more information on a GPO. MHA supports the Commonwealth by using their contracts to establish the acquisition prices for medical commodities purchased from distributors who committed to work with a GPO through SWC HSP40 for Medical Commodities and successor contracts; and by allowing direct purchases of equipment from manufacturers using the GPO’s contracts through a Department of Public Health (DPH) contract.

**UPDATES:**

Additional Information/FAQs

Geographical Service Area
The Contractor will be able to provide the requested service(s) throughout the Commonwealth.

Group Purchasing Organization (GPO)
GPO savings and efficiencies are realized by aggregating purchasing volume and using that leverage to negotiate discounts with manufacturers, distributors and other vendors of health supplies such as pharmaceuticals, biologics, medical/surgical equipment, laboratory supplies, and capital equipment. GPO’s actively negotiate contracts with manufacturers on behalf of their members, and/or provide their members access to the purchasing contracts of other GPO’s.

MHA is not itself a vendor on this contract, but through MHA the Commonwealth can access MHA’s national contract pricing. Their role is further explained in “Using the Contract”.

All term leases, rentals, maintenance or other agreements for services entered into during the duration of this Contract and whose performance and payment time frames extend beyond the duration of this Contract shall remain in effect for performance and payment purposes (limited to the time frame and services established per each written agreement). No written agreement shall extend more than five (5) years beyond the final termination date of this Statewide Contract. No new leases, rentals, maintenance or other agreements for services may be executed after the Contract has expired.
