**Pricing Options**

**Obtaining Quotes**

Commonwealth Agencies are required to obtain quotes from multiple Statewide Contractors prior to issuing a Purchase Order for goods. This will be done by issuing Closed Bids in COMMBUYS to awarded Contractors. Contractors will be required to use COMMBUYS to submit quotes in response to said Closed Bids. Purchase orders under this contract will be based on awarded Quotes.

**Purchase Options**

The purchase options identified below are the only acceptable options that may be used on this contract:

Purchases made through this contract will be direct, outright purchases

**Product/Service Pricing and Finding Vendor Price Files**

Product pricing may be found by visiting the [vendor information](#) page, where links to all the vendors MBPO’s are provided.
Setting up a COMMBUYS Account
COMMBUYS is the Commonwealth’s electronic Market Center supporting online commerce between government purchasers and businesses. If you do not have one already, contact the COMMBUYS Help Desk to set up a COMMBUYS buyer account for your organization: (888)-627-8283 or COMMBUYS@state.ma.us.

When contacting a vendor on this statewide contract, always reference OFF40 to receive contract pricing.

Quick Search in COMMBUYS
Log into COMMBUYS, and use the Search box on the COMMBUYS header bar to locate items described on the MBPO or within the vendor catalog line items. Select Contract/Blanket or Catalog from the drop-down menu.

How to Purchase From the Contract
• Select items from a PunchOut catalog and purchase through COMMBUYS

PunchOut catalogs offer the convenience of selecting Statewide Contract products from a vendor’s e-commerce website. The PunchOut or Government to Business (G2B) catalogs are available via COMMBUYS only (login to COMMBUYS and select the settings option in the upper right hand corner [ ] and choose the G2B PunchOut option). Once a vendor is selected in COMMBUYS, you are taken to the vendor’s e-commerce site. After shopping is complete on the vendor’s e-commerce site, selected items are pulled back into COMMBUYS, summarized on a COMMBUYS release Requisition, and are ready to submit for approval. Once approved, it is released to the vendor for processing and fulfillment.

For a description of how to complete this purchase in COMMBUYS, visit the Job Aids for Buyers webpage and select either:

➢ The Quick Reference Guide (QRG) section and choose the QRG – Buyer PunchOut Ordering job aid
➢ The COMMBUYS Purchase Orders section and choose the How to Purchase from a G2B PunchOut job aid.

• Solicit quotes and select and purchase quoted item in COMMBUYS

This COMMBUYS functionality provides a mechanism to easily obtain quotes, as specified by the Contract. The buyer would create a Release Requisition, and then convert it to a Bid. After approval by the buyer approving officer, the bid is then sent to selected vendors to request quotes. Commonwealth Agencies are required to obtain quotes from multiple Statewide Contractors prior to issuing a Purchase Order for goods. This will be done by issuing Closed Bids in COMMBUYS to awarded Contractors. Contractors will be required to use COMMBUYS to submit quotes in response to said Closed Bids. Purchase orders under this contract will be based on awarded Quotes.

For a description of how to complete this purchase in COMMBUYS, visit the Job Aids for Buyers webpage, and select:
The COMMBUYS Purchase Orders section, and choose the How to Create a Solicitation Enabled Bid Using a Release Requisition job aid or one of the quick reference guides.

- Directly purchase a non-fixed price item ($0 line item) through COMMBUYS

How to place an order: Once a product and price is determined, the ordering process is as follows:

1. Initiate a new requisition
2. Search for an item or item category in the Item Description field in the Advanced Search box on the Items tab. Enter "OFF40" in the Contract Description field
3. Select the vendor you will be placing an order with
4. Select the appropriate catalog line
5. If using a zero-dollar line (such as a general category line), enter the total price with discount factored in (reference Price Sheet on vendor MBPO Attachments tab for discounts). Otherwise you may choose specific product line items with associated contract pricing.
6. Attach the vendor quote and/or a detailed order summary
7. Submit for approval

Obtaining Quotes

Contract users should always reference OFF40 when contacting vendors to ensure they are receiving contract pricing. Quotes, not including construction services, should be awarded based on best value.

For a full description of how to complete a quote in COMMBUYS visit the Job Aids for Buyers webpage, and select:

- The COMMBUYS Purchase Orders section, and choose the How to Create a Solicitation Enabled Bid Using a Release Requisition job aid.

Quotes Including Construction Services

Please note specific requirements that apply for quoting construction services, depending upon the scope of your bid:

- Where the construction services are less than $10,000: Select a vendor based on sound business practices, consistent with your entity's procurement policies and procedures.
- For construction services valued from $10,000-$50,000: Must solicit a minimum of three quotes and receive two written responses; award to lowest responsible bidder.

Prevailing Wage Requirements

The buyer has a legal obligation to request a prevailing wage schedule from the Department of Labor Standards (DLS) at www.mass.gov/dols. Questions regarding the Prevailing Wage Law may be answered by
accessing the DLS website or by calling the DLS Prevailing Wage Program at (617) 626-6953. For this contact, Prevailing wage may apply to services purchased under this contract, such as installation or movement of equipment.

If prevailing wage is required, make sure to include this information in your quotes or bids so vendors know to include prevailing wage.

**Instructions for MMARS Users**
MMARS users must reference the MA number in the proper field in MMARS when placing orders with any contractor.

**Contract Exclusions and Related Statewide Contracts**
Leasing is not available on this contract. Leases may be procured through ITC49 IT Asset Leasing. TELP-eligible leases may be procured through PRF54. Please see the Contract User Guides for these statewide contracts in order to understand how they may be used with this statewide contract.

**Emergency Services**
Many statewide contracts are required to provide products or services in cases of statewide emergencies. [ML-801 CMR 21](#) defines emergency for procurement purposes. Visit the [Emergency Contact Information for Statewide Contracts](#) list for emergency services related to this contract.

**Shipping/Delivery/Returns**

**Shipping, Delivery and Acceptance:** Delivery must be F.O.B. Destination, freight prepaid, with all product costs (including all delivery expenses) included with Contractor’s response to Purchasing Entity’s request for quote. F.O.B. destination shall mean inside delivery to the ordering entity’s requested destination. Freight charges, if any, must be identified at the time of the quote response. Freight charges identified after the quote is accepted will not be paid. Freight charges must be no more than the actual freight charge paid by the Contractor.

The Contractor must be responsible for the delivery of products in first class condition at the point of delivery, and in accordance with good commercial practice. Partial shipments may be made only with the express written permission of the Purchasing Entity.

All Bidders must agree to deliver items within five to fourteen calendar days of receipt of an order if the item ordered is an in-stock product. If the product is out-of-stock or a customized order, the delivery date must be mutually agreed upon with the Purchasing Entity. If the Vendor finds that any order cannot be delivered at the agreed upon delivery date, the Vendor must notify the Purchasing Entity of the projected delivery date at time of order or within twenty-four (24) hours of receipt of an order.
Product returns: A Purchasing Entity is allowed a period of 30 calendar days after the receipt of an order to make any returns. The 30 day return policy is a requirement unless the Vendor at time of order clearly states in writing to the Purchasing Entity that an item is not returnable. All items being returned by Purchasing Entity must be in their original packaging and in saleable condition.

Geographical Service Area
All vendors on this contract have been awarded statewide coverage.

Other Discounts
- Prompt Pay Discounts: A discount given to the buyer if paid within a certain time period. These discounts may be found in the Vendor List and Information section below. All discounts offered will be taken in cases where the payment issue date is within the specified number of days listed by vendor and in accordance with the Commonwealth’s Bill Paying Policy. Payment days will be measured from the date goods are received and accepted / performance was completed OR the date an invoice is received by the Commonwealth, whichever is later to the date the payment is issued as an EFT (preferred method) or mailed by the State Treasurer. The date of payment “issue” is the date a payment is considered “paid” not the date a payment is “received” by a Contractor.

If the Needed Product Can Not be Found
If a product cannot be found in the vendor’s catalog, price sheet or PunchOut, it is recommended to contact the vendor directly to inquire if it is available for purchase on this contract. If the product meets the scope of the product category, the vendor may be able to add it to their product offerings with approval from the SSST.

Performance and Payment Time Frames Which Exceed Contract Duration
All term leases, rentals, maintenance or other agreements for services entered into during the duration of this Contract and whose performance and payment time frames extend beyond the duration of this Contract shall remain in effect for performance and payment purposes (limited to the time frame and services established per each written agreement). No written agreement shall extend more than 12 months beyond the current contract term of this Statewide Contract as stated on the first page of this contract user guide. No new leases, rentals, maintenance or other agreements for services may be executed after the Contract has expired.
