Re: Request for Information

Dear Ms. Irving,

This letter is to inform you that the Department of Public Health ("Department") has reviewed the additional or revised information submitted for The Leonard J. Irving Center, Inc.'s Siting Profile (Application 1 of 1). The Siting Profile requires the following information before the Department may complete its evaluation:

1. The applicant indicated in its cover letter that it has resubmitted its Siting Profile to clarify the actual up to date intentions for the siting of the Leonard J. Irving Center, however the Siting Profile that was submitted is an incomplete application. Please note that when resubmitting a Siting Profile for updated locations, the applicant must resubmit the Siting Profile in full, including the required attachments. Specifically, the applicant did not submit the following:

a. Evidence of interest in the properties as required in Section B of the Siting Profile; and

b. The submitted letter of non-opposition states that the Attleboro Municipal Council is not opposed to the RMD located at 76 Frank Mossberg Drive, Attleboro, but it does not mention the site at 70 Frank Mossberg Drive. Please explain why.

2. Please explain the proposed locations of the RMD and whether they are located in existing buildings or in the same building. Please also submit a map of the sites.

If the applicant has been requested to resubmit their response to a question, please do so using the page on the application form for that particular question, and include an initialed attestation at the bottom of the page. The applicant need not resubmit the entire application and may submit only the page for the particular question that needs to be submitted.
Please remember to type all responses in the information or materials resubmitted to the Department, other than any required signatures, as well as include the name of the Applicant Corporation and the number of the application (e.g., Application 1 of 1) at the top of each page of the resubmitted information or materials.

Please resubmit the additional or revised information as outlined above, via U.S. mail or hand-delivery, to:

Department of Public Health
Medical Use of Marijuana Program
RMD Applications
99 Chauncy Street, 11th Floor
Boston, MA 02111

Upon receipt, the Department will review the information and will notify the applicant if it will proceed or if further information is required.

If you have questions or need assistance, you may contact the Department at 617-660-5370 or RMDapplication@state.ma.us.
