I. NOMINATIONS

All nominations for the annual Massachusetts Firefighter of the Year Awards must be submitted on the official form included with this package and must be from the head of the department. All paid, call, or volunteer firefighters are eligible to receive an award. Only those incidents that occurred between July 1, 2018 and June 30, 2019 are eligible. Nominations must include the following:

- A brief narrative of the incident signed by the head of the department;
- Supporting documents such as testimonials, photos, or affidavits.

The head of the department will be asked to attend the meeting of the Heroic Awards Selection Committee to provide a brief overview of the incident and answer any questions the committee might have. The Events Coordinator will contact the chief with the date and a specific time.

Nominations are accepted on a rolling basis but must be postmarked by July 12, 2019 and sent to Firefighter of the Year, c/o Kerry Weihl, Department of Fire Services, P. O. Box 1025, Stow, MA 01775.

II. AWARD CRITERIA

Everyday firefighters put their lives on the line to protect the public they serve. However, at times some of them truly go above and beyond the call of duty, and it is those acts that we want to learn about and highlight in our awards ceremony. The Heroic Awards Committee is also looking for those unsung heroes working within their communities to make it safer. Nominations may be made to recognize individuals and companies for performance in any of the following areas (keeping in mind that firefighter safety should not have been unnecessarily compromised to affect the rescue, unless the potential benefit exceeded the actual/perceived risk):

a) Emergency Response – Fire incidents including rescue of victims, incidents involving hazardous materials, vehicle extrication and rescue, rescue from heights or depth, confined space rescue, water or ice rescue.

b) Norman Knight Award for Excellence in Community Service - Exemplary programs and/or actions including fire prevention, fire investigation, training, public fire education, or other innovative community service programs.

Please note: all nominees must be members of the fire service. Civilians that work with the department are not eligible for this award program.
