HOW DBEs CAN GET INVOLVED

GLXC sends out Notice of Interest (NOI) emails to all MassUCP DBE Certified firms for each contract opportunity available on the Project. NOIs describe the specific scopes of services GLXC is seeking and provides instruction on how you can let us know if your firm is interested and capable. All you need to do is respond to the NOI to be considered.

You can also email Joe Hernandez, GLXC DBE Program Manager, at joe.hernandez@glxconstruct.com with any questions.
