General instructions

- Please print clearly and answer all questions completely. There are a few sections where you may be instructed to skip some questions. Other than those exceptions, blank or incomplete answers will slow down the processing of your application.
- You can download pages for additional persons at www.mass.gov/masshealth. Be sure to tell us how each person is related to each other person. We need this information to determine eligibility.
- It is not necessary to send blank pages for Step 2 if you do not have that many people in your household. Please make sure that you indicate in Section 1 the number of people applying, and send all other sections even if they are blank or partially blank.
- MassHealth or the Massachusetts Health Connector will send a Request for Information notice if we need any additional information or proof to make an eligibility decision. If we send a Request for Information notice, the individual has 90 days to send the requested proof. MassHealth may provide provisional benefits during this 90-day period to eligible applicants under age 21 and to those individuals who self-attest to pregnancy, HIV positive status, or breast or cervical cancer. **MassHealth benefits may not be provided to an individual age 21 or older until all income in the MAGI household is verified, unless that person is pregnant, has HIV, or is in active treatment for breast or cervical cancer.**

TELL US ABOUT YOUR HOUSEHOLD.

Who do you need to include on this application?

Tell us about all the household members who live with you. If you file taxes, we need to know about everyone on your tax return. You do not need to file taxes to get MassHealth, the Health Safety Net, or the Children's Medical Security Plan, if you qualify.

DO Include

- Yourself and your spouse (if married)
- Your natural, adoptive, or step children younger than age 19

We use SSNs to check income and other information to see who is eligible for help with health coverage costs. A social security number is required if a person is applying for MassHealth Premium Assistance. If someone needs help getting an SSN, call

the Social Security Administration at (800) 772-1213 (TTY: (800) 325-0778), or go to socialsecurity.gov. Please see the Member Booklet for more information.

STEP 6

READ AND SIGN THIS APPLICATION

On behalf of myself and all persons listed on this application, I understand, represent, and agree as follows.

1. MassHealth may require eligible persons to enroll in available employer-sponsored health insurance if that insurance meets the criteria for MassHealth payment of premium assistance.
2. Employers of eligible persons may be notified and billed in accordance with MassHealth regulations for any services that hospitals or community health centers provide to such persons that are paid for by the Health Safety Net.
3. I may have to pay a premium for health coverage for myself and others listed on this application. Failure to pay any premium due may result in the state deducting the amount owed from the tax refunds of responsible persons. If I am a certain American Indian or Alaska Native, I may not have to pay premiums for MassHealth.
4. MassHealth has the right to pursue and get money from third parties who may be obligated to pay for health services provided to eligible persons enrolled in MassHealth programs. Such third parties may include other health insurers, spouses, or parents obligated to pay for medical support, or individuals obligated to pay under

accident settlements. Eligible persons must cooperate with MassHealth in establishing third-party support and obtaining third-party payments for themselves and anyone whose rights they can legally assign. Eligible persons may be exempted from this obligation if they believe and tell MassHealth that cooperation could result in harm to them or anyone whose rights they can legally assign.

5. A parent and/or guardian of minor children must agree to cooperate with state efforts to collect medical support from an absent parent unless they believe and tell MassHealth that cooperation will harm the children or the parent or guardian.
6. Eligible persons who are injured in an accident, or in some other way, and get money from a third party because of that accident or injury must use that money to repay MassHealth or the Health Safety Net for certain services provided.
7. Eligible persons must tell MassHealth or the Health Safety Net, in writing, within 10 calendar days, or as soon as possible, about any insurance claims or lawsuits filed because of an accident or injury.
8. The status of this application may be shared with a hospital, community health center, other medical provider, or federal or state agencies when necessary for treatment, payment, operations, or the administration of the programs listed above.

9. To the extent permitted by law, MassHealth may place a lien against any real estate owned by eligible persons or in which eligible persons have a legal interest. If MassHealth puts a lien against such property and it is sold, money from the sale of that property may be used to repay MassHealth for medical services provided.
10. To the extent permitted by law, and unless exceptions apply, for any eligible person age 55 or older, or any eligible person for whom MassHealth helps pay for care in a nursing home, MassHealth will seek money from the eligible person's estate after death.
11. Eligible persons must tell the health care program(s) in which they enroll about any changes in their or their household's income or employment, household size, health insurance coverage, health insurance premiums, and immigration status, or about changes in any other information on this application and any supplements to it within 10 calendar days of learning of the change. Eligible persons can make changes by calling (800) 841-2900, TTY: (800) 497-4648 for people who are deaf, hard of hearing, or speech disabled. A change in information could affect eligibility for such persons or for persons in their household.
You can also report changes in any of the following ways.
 - Sign on to your account at MAhealthconnector.org. You can create an online account if you do not already have one.

- Send the change information to Health Insurance Processing Center
P.O. Box 4405
Taunton, MA 02780.
 - Fax the change information to (857) 323-8300.
12. MassHealth, the Massachusetts Health Connector, and the Health Safety Net will obtain from eligible persons' current and former employers and health insurers all information about health insurance coverage for such persons. This includes, but is not limited to, information about policies, premiums, coinsurance, deductibles, and covered benefits that are, may be, or should have been available to such persons or members of their household.
13. MassHealth, the Massachusetts Health Connector, and the Health Safety Net may get records or data about persons listed on this application from federal and state data sources and programs, such as the Social Security Administration, the Internal Revenue Service, the Department of Homeland Security, the Department of Revenue, and the Registry of Motor Vehicles, as well as private data sources, including financial institutions, 1) to prove any information given on this application and any supplements, or other information given once a person becomes a member, 2) to document medical services claimed or provided to such persons, and 3) to support continued eligibility.

14. In connection with the eligibility and enrollment process, MassHealth, the Massachusetts Health Connector, and the Health Safety Net may send notices that contain personal information about persons listed on this application to other persons on this application, or otherwise communicate such information to such persons.
15. Under federal law, discrimination is not permitted on the basis of race, color, national origin, sex, age, sexual orientation, gender identity, or disability. I can file a complaint of discrimination by going to www.hhs.gov/ocr/complaints/index.html.
16. I agree to allow the Massachusetts Health Connector to use income data, including information from tax returns, to determine my eligibility in future years. Review the Health Connector Privacy Policy for more information about how the Health Connector uses your tax information. The Massachusetts Health Connector will send me a notice and let me make changes to my eligibility application. I understand that if I am eligible for an Advance Premium Tax Credit (APTC) and/or ConnectorCare, these payments will be made directly to my selected insurance carrier(s). Acceptance of APTC and/or ConnectorCare may impact my annual tax liability. I will be given the option to apply all, some, or none of any APTC amount I may be eligible for to my monthly premium.

AUTHORIZED REPRESENTATIVE DESIGNATION FORM

Commonwealth of Massachusetts | EOHHS

You can submit this form if you would like to designate an authorized representative to act on your behalf. If an authorized representative signed your application for you, or if you are an authorized representative applying on behalf of someone else, you must submit this form for the application to be processed.

You do not need to fill out this form if you live in an institution and want copies of eligibility notices sent to you and to your spouse who still lives at home. We will do that automatically.

Note: An authorized representative has the authority to act on an applicant's or member's behalf in all matters with MassHealth and the Health Connector, and will receive personal information about the applicant or member until we receive a cancellation notice terminating their authority, or upon the death of the applicant or member. Their authority will not automatically terminate once we process your application.

You can choose someone to help you.

You may choose an authorized representative to help you get health care coverage through programs offered by MassHealth and the Health Connector. You can do this by filling out this form (the Authorized Representative Designation Form). You or a representative can sign for yourself and for any of your dependent children under the age of 18 for whom you are the custodial parent. You are not required to have a representative in order to apply for or receive benefits.

Who can help me?

1. An authorized representative can be a friend, family member, relative, or other person or organization of your choosing who agrees to help you. It is up to you to choose an authorized representative if you want one. Neither MassHealth nor the Health Connector will choose an authorized representative for you. You must designate in writing (fill out Section I, Part A) the person or organization who you want to be your authorized representative. Your authorized representative must also fill out Section I, Part B. We sometimes refer to this person or organization as a “Section I authorized representative.”
2. If you cannot designate an authorized representative in writing and you do not have an existing authorized representative or other person who is authorized by law

to act on your behalf, a person (not an organization) who certifies that he or she will act responsibly on your behalf can be your authorized representative if that person fills out Section II of this form. We sometimes refer to this person as a “Section II authorized representative.”

3. An authorized representative can also be someone who has been appointed by law to act on your behalf, or on behalf of the estate of an applicant or member who has died. This person must fill out Section III and either you or this person must submit to us, together with this form, a copy of the applicable legal document stating that this person has authority to represent you, or the estate of a deceased applicant or member. We sometimes refer to this person as a “Section III authorized representative.”
4. Section III authorized representative may be a legal guardian, conservator, holder of power of attorney, or health care proxy, or, if the applicant or member has died, the personal representative of the estate.

What can an authorized representative do?

A Section I or II authorized representative may

- fill out your application or renewal forms;
- fill out other MassHealth or Health Connector eligibility or enrollment forms;
- give proof of information reported on these forms;

- report changes in income, address, or other circumstances;
- get copies of all of your MassHealth and Health Connector eligibility and enrollment notices; and
- act on your behalf in all other matters with MassHealth and the Health Connector.

What a section III authorized representative is authorized to do for you (or for the Estate of a deceased applicant or member) will depend on the wording of the legal appointment.

Please note: Eligibility notices may include information about other members of an applicant's or member's household. If there are multiple people in your household we may not be able to send copies of some of your notices to your authorized representative unless each household member has also designated the same authorized representative by completing a separate Authorized Representative Designation form.

How does an authorized representative designation end?

If you decide that you no longer want a **Section I** or **Section II** authorized representative, you must notify us at the time you want the designation to end by mail, fax, or phone. See our contact information below. If you mail or fax this notice to us, the notice must include your name, address, and date of birth, the name of your authorized representative, a statement that the designation has ended and your signature or, if you cannot provide written notice, the signature of someone acting on your behalf (in the case of a **Section II** authorized representative only).

In addition, if your authorized representative notifies us that such person or organization is no longer acting on your behalf, we will no longer recognize the person or organization as your authorized representative.

The authority of a **Section I** or **Section II** authorized representative will end upon the death of the applicant or member.

A **Section III** authorized representative's designation ends when his or her legal appointment ends. The authorized representative must notify us as instructed above.

In addition, an authorized representative's designation for a minor child ends on the child's 18th birthday.
