THE MASSACHUSETTS STATE HOUSE BATTLE FLAG COLLECTION

The Commonwealth’s Battle Flag Collection is composed primarily of colors carried by Massachusetts troops during armed conflict. Among these are over 300 flags issued to regiments of infantry, cavalry, light battery and heavy artillery during the Civil War. Originally displayed in Doric Hall where glass enclosed cases were constructed specifically to house these precious relics of the War of the Rebellion. Since that time, flags dating from ca. 1780 through the war in Iraq, as well as reproduction and service flags have been invested. Because of their fragile condition, all of the battle flags were removed in 1987 and are now held in storage. Images and histories are available upon request.
