   DiGregorio states the system for biological sampling collection we currently use is JBTRS. The JSMACSS sample collection process will model the JBTRS and expand to include chemical samples. It will remain in compliance with NFPA472. There will be a written and a practical portion.

Agenda Item #4 Old Business:
►a. Vehicle Locations.
   DiGregorio states the only change is that 32 will not be moving to Stow Fire Department. Chief Bailey asked if it is a possibility we may not find a home for 32? DiGregorio states it is a possibility, but we have emailed all the Chiefs in District 3 Hazmat looking for a home.

►b. Status of appointed.
i. D3 member Michael Kilgallen – Active member passed medical and is doing great.

► c. Discuss the requalification process.
DiGregorio states we are still in line for the online requalification process to begin soon.

► d. Fentanyl
Director DiGregorio states the Hazmat office is sending a weekly report to EOPPS every Wednesday by noon for white powder calls.

Agenda Item #5 Any matters not reasonably anticipated by the Chair:
1. No additional matters to discuss.
