(b) The division may obtain additional ride data from a transportation network company for purposes of congestion management, including, but not limited to:

(1) the total number of transportation network drivers that utilized the transportation network vehicle's digital network within specified geographic areas and time periods as determined by the division;

(2) the total time spent and total miles driven by transportation network drivers in such geographic areas or time periods as determined by the division: (i) while en route to pick up a rider; (ii) while engaged in a prearranged ride; and (iii) while logged into a digital network for purposes of accepting a prearranged ride, but not en route to pick up a passenger or engaged in a prearranged ride.

The division shall promulgate regulations prior to obtaining data pursuant to this subsection.

(c) On an annual basis and not later than June 30, the division shall post on its website in aggregate form, the total number of rides provided by all transportation network companies that originated in each city or town, the cities or towns where the rides originating in each city or town terminated, and the average miles and minutes of the rides that originated in each city or town and terminated in each other respective city or town.

(d) The division may, for purposes of congestion management, transportation planning or emissions tracking, enter into confidential data sharing agreements to share anonymized and aggregated data received by the division pursuant to this section with the Executive Office of Technology Services and Security, Executive Office of Energy and Environmental Affairs, Massachusetts Department of Transportation, the Massachusetts Port Authority, the Massachusetts Bay Transportation Authority, the Massachusetts Department of Environmental Protection, a city or town that receives a disbursement from the Transportation Infrastructure Enhancement Trust Fund established in section 8 of chapter 187 of the acts of 2016, a

Massachusetts regional transit authority formed pursuant to section 3 of chapter 161B of the General Laws, a Massachusetts regional planning agency, and a Massachusetts metropolitan planning organization. The division shall prescribe the form and content of a confidential data sharing agreement, and the manner of transmitting the information. Any confidential data sharing agreement shall specify that the information provided by the division shall be aggregated and anonymized and may be used only for the purposes set forth in said agreement. Any data received by an entity from the division through a confidential data sharing agreement as described in this subsection shall not be considered a public record as defined in clause Twenty-sixth of section 7 of chapter 4, and shall not be disclosed to any person or entity other than those listed or described in the confidential data sharing agreement.

(e) Notwithstanding subsection (d) of section 12, a state or municipal government agency or transportation planning entity may disclose conclusions and analysis derived from the information and data received pursuant to a confidential data sharing agreement.

(f) Any violation of the terms of a confidential data sharing agreement by any of the entities listed in subsection (d) of section 12 may result in the division declining to enter into future confidential data sharing agreements with the violating entity.

SECTION 15. Section 8 of chapter 187 of the acts of 2016 is hereby amended by striking out subsection (c) and inserting in place thereof the following subsection:-

(c) The division shall: (i) proportionately distribute $\frac{1}{2}$ of the amount received from the fund to a city or town based on the number of rides from the previous calendar year that originated within that city or town to address the impact of transportation network services on municipal roads, bridges and other transportation infrastructure or any other public purpose substantially related to the operation of transportation network services in the city or town

including, but not limited to, the complete streets program established in section 1 of chapter 90I of the General Laws and other programs that support alternative modes of transportation and if the amount of the distribution to a city or town is \$25,000 or less, the chief executive officer as defined in section 7 of chapter 4 of the General Laws, may expend such funds for these purposes without further appropriation; (ii) distribute $\frac{1}{4}$ of the amount collected to the Massachusetts Development Finance Agency established in section 2 of chapter 23G of the General Laws to provide financial assistance to small businesses operating in the taxicab, livery or hackney industries to encourage the adoption of new technologies and advanced service, safety and operational capabilities and support workforce development; and (iii) distribute $\frac{1}{4}$ of the amount collected to the Commonwealth Transportation Fund established in section 2ZZZ of chapter 29 of the General Laws.

SECTION 16. Said section 8 of said chapter 187 is hereby further amended by striking out subsection (d) and inserting in place thereof the following subsection:-

(d) (i) By December 31 of each year in which a city or town receives a disbursement of more than \$25,000 from the Transportation Infrastructure Enhancement Trust Fund, that city or town shall submit a report to the director of the division that details the projects and the amount used or planned to be used for transportation-related projects as described in subsection (c).

(ii) By December 31 of the year in which a city or town receives a cumulative total of more than \$25,000 in disbursements from the Transportation Infrastructure Enhancement Trust Fund since its last report to director of the division, that city or town shall submit a report to the director of the division that details the projects and the amount used or planned to be used for transportation-related projects as described in subsection (c) for each disbursement from

Transportation Infrastructure Enhancement Trust Fund since the city or town's last report to the director of the division.

(iii) For a city or town whose cumulative total disbursements from the Transportation Infrastructure Enhancement Trust Fund have not exceeded \$25,000 in the five years since its last report to the director of the division, that city or town shall submit a report to the director of the division by December 31 of the fifth year since its last report to the director of the division. That report shall detail the projects and the amount used or planned to be used for transportation-related projects as described in subsection (c) for each annual disbursement from Transportation Infrastructure Enhancement Trust Fund since the city or town's last report to the director of the division.

(iv) The division shall withhold future disbursements from the Transportation Infrastructure Enhancement Trust Fund from any city or town that does not comply with the reporting requirements of this subsection (d). The withheld funds shall be disbursed when the city or town complies with the requirements of this subsection (d).

(v) On an annual basis, the director shall compile the reports and post the projects and amounts of money used on the website of the division.

SECTION 17. Section 9 of said chapter 187 is hereby amended by striking out said section and inserting in place thereof the following section:-

Section 9. Section 8 is hereby amended by striking out subsection (c) and inserting in place thereof the following subsection:-

(c) The division shall: (i) proportionately distribute $\frac{1}{2}$ of the amount collected to a city or town based on the number of rides from the previous calendar year that originated within that city or town to address the impact of transportation network services on municipal roads, bridges

and other transportation infrastructure or any other public purpose substantially related to the operation of transportation network services in the city or town including, but not limited to, the complete streets program established in section 1 of chapter 90I of the General Laws and other programs that support alternative modes of transportation and if the amount of the distribution to a city or town is \$25,000 or less, the chief executive officer as defined in section 7 of chapter 4 of the General Laws, may expend such funds for these purposes without further appropriation; and (ii) distribute $\frac{1}{2}$ of the amount collected to the Commonwealth Transportation Fund established in section 2ZZZ of chapter 29 of the General Laws.
