CERTIFICATE OF COVERAGE

Unum Life Insurance Company of America (referred to as Unum) welcomes you as a client.

This is your certificate of coverage as long as you are eligible for coverage and you become insured. You will want to read it carefully and keep it in a safe place.

Unum has written your certificate of coverage in plain English. However, a few terms and provisions are written as required by insurance law. If you have any questions about any of the terms and provisions, please consult Unum’s claims paying office. Unum will assist you in any way to help you understand your benefits.

If the terms and provisions of the certificate of coverage (issued to you) are different from the policy (issued to the policyholder), the policy will govern. Your coverage may be cancelled or changed in whole or in part under the terms and provisions of the policy.

The policy is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments. When making a benefit determination under the policy, Unum has discretionary authority to determine your eligibility for benefits and to interpret the terms and provisions of the policy.

For purposes of effective dates and ending dates under the group policy, all days begin at 12:01 a.m. and end at 12:00 midnight at the Policyholder’s address.

CLAIM INFORMATION
LONG TERM DISABILITY

WHEN DO YOU NOTIFY UNUM OF A CLAIM?

We encourage you to notify us of your claim as soon as possible so that a claim decision can be made in a timely manner. You must provide telephonic or written notice of a claim within 30 days of the date your disability begins. In addition to notifying us of the claim, we must receive proof of your claim.

Important Information About Proof of Your Claim
IF YOU DO NOT GIVE US PROOF OF YOUR CLAIM WITHIN 180 DAYS OF THE DATE YOUR DISABILITY BEGINS, YOUR CLAIM MAY BE DENIED FOR LATE FILING.

You must send Unum a complete set of claim forms no later than 180 days after the date your disability begins. Unum can only review your claim if it receives a complete set of claim forms. Providing Unum completed claim forms constitutes filing and initial proof of your claim. If it is not possible to send Unum this initial proof of your claim within 180 days of the date your disability begins, you must send it to Unum as soon as it is possible to do so, but in no event more than 18 months after the date your disability begins. If you have been disabled for more than 18 months, Unum will only review your claim if you were prevented from filing the claim by your legal incapacity.

You can report a claim and request a set of claim forms from Unum by calling (877) 226-8620. If you do not receive the claim forms from Unum within 15 days of your request, do not wait. You can obtain the claim forms online at www.mass.gov/gic/ltd.

HOW DO YOU FILE A CLAIM?

You and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

Your proof of claim, provided at your expense, must show:

- that you are under the regular care of a physician;
- the appropriate documentation of your monthly earnings;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation; and
- the name and address of any hospital or institution where you received treatment, including all attending physicians.

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof, provided at your expense, must be received within 45 days of a request by us.
In some cases, you will be required to give Unum authorization to obtain additional medical information and to provide non-medical information as part of your proof of claim, or proof of continuing disability. Unum will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

**TO WHOM WILL UNUM MAKE PAYMENTS?**

Unum will make payments to you.

**WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?**

Unum has the right to recover any overpayments due to:

- fraud;
- any error Unum makes in processing a claim; and
- your receipt of deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.
GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage for which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your waiting period.

WHEN DOES YOUR COVERAGE BEGIN?

Employees eligible for coverage prior to July 1, 2007
You pay 100% of the cost of your coverage. You will be covered at 12:01 a.m. on the latest of:

- the date you are eligible for coverage, if you apply for insurance before that date and had been covered under your Employer's prior carrier plan at any time prior to July 1, 2007, and had not been previously declined with evidence of insurability; or
- the October 1, 2007 following the date you apply for insurance prior to July 1, 2007, and had not been covered under your Employer's prior carrier plan just prior to July 1, 2007, and had not been previously declined with evidence of insurability; or
- the October 1, 2007 following the date you apply for insurance prior to July 1, 2007, if Unum approves your evidence of insurability had you been previously declined by your Employer's prior carrier plan and Unum approves your application prior to October 1, 2007; or
- beyond October 1, 2007, upon Unum's approval date should you apply for insurance prior to July 1, 2007, and the approval of your evidence of insurability, for whatever reason, is after October 1, 2007 had you been previously declined by your Employer's prior carrier plan.

Employees first eligible for coverage on or after July 1, 2007
You pay 100% of the cost of your coverage. You will be covered at 12:01 a.m. on the latest of:

- the date you are eligible for coverage, if you apply for insurance on or before that date;
- the date you apply for insurance, if you apply within 31 days after your eligibility date; or
- the date Unum approves your application, if evidence of insurability is required.
All Employees
Evidence of insurability is required if you:

- are a late applicant, which means you apply for coverage more than 31 days after the date you are eligible for coverage; or
- voluntarily cancelled or declined your coverage and are reapplying.

An evidence of insurability form will be requested by your Employer and mailed directly to you from Unum.

**WILL MY POLICY PREMIUM PAYMENTS CHANGE?**

Premium payments are subject to change and all negotiations will be handled solely through Unum and the Policyholder.

**AS A NEW APPLICANT, WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?**

If you are absent from work due to injury, sickness or approved leave of absence, your coverage will begin on the date you return to active employment.

**ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?**

If you are on an approved leave of absence (including a military leave), and if premium is paid, you will be covered for up to 12 months following the date your approved leave of absence begins.

All policy provisions (including exclusions and limitations) while on an approved leave of absence will apply.

**ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE NOT WORKING DUE TO A PLANT CLOSING?**

If you are not working due to a plant closing (as defined in Section 71A of Chapter 151A of the Massachusetts Insurance Statutes), and if premium is paid, you will be covered up to 90 days from the date you were no longer in active employment. If you become covered under any other group disability plan, your coverage under this policy or plan will end.

**WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?**

Any change in coverage:

a. due to a change in monthly earnings will take effect on the later of:
   - the first day of the second month following the change; or
   - when the Policyholder can make the applicable payroll deduction.

b. due to a plan change will take effect immediately.

Any decrease in coverage will not affect a payable claim that occurs prior to the decrease.
You must be in active employment or on a covered approved leave of absence. If you are not in active employment due to injury or sickness, any increase, decrease or additional coverage due to a change in items a. or b. will begin on the date you return to active employment.

**WHEN DOES YOUR COVERAGE END?**

Your coverage under the policy or a plan ends on the earliest of:

- the date the policy or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment except as provided under the covered approved leave of absence and plant closing provisions, or as noted below.

If you end employment, coverage will be extended for 31 days. But if you become eligible for any other group disability insurance or any other arrangement, this extension of coverage will end.

Unum will provide coverage for a payable claim which occurs while you are covered under the policy or plan.

**WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?**

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required.

**HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?**

Unum considers any statements you or your Employer make in a signed application for coverage a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application as a basis for doing this. No statement of the Employer will be used to void the Policy after it has been in force for 2 years, except in the case of fraud.

If the Employer gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

**HOW WILL UNUM HANDLE INSURANCE FRAUD?**

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to
focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as providing false material information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law; including but not limited to, fines, denial or termination of insurance benefits, recovery of any amounts paid, civil damages, criminal prosecution and confinement in state prison. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

**DOES THE POLICY REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?**

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

**DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?**

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum, nor will Unum be deemed an agent of your Employer.
LONG TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- you are limited from performing the material and substantial duties of your regular occupation due to your sickness or injury; and
- you have a 20% or more loss in your indexed monthly earnings due to the same sickness or injury.

After 24 months of disability payments, you are disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any gainful occupation for which you are reasonably fitted by education, training or experience.

You must be under the regular care of a physician for your disability in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner and/or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

INDEXED MONTHLY EARNINGS means your monthly earnings adjusted on each anniversary of benefit payments by the lesser of 10% or the current annual percentage increase in the Consumer Price Index. Your indexed monthly earnings may increase or remain the same, but will never decrease.

The Consumer Price Index (CPI-U) is published by the U.S. Department of Labor. Unum reserves the right to use some other similar measurement if the Department of Labor changes or stops publishing the CPI-U.

Indexing is only used as a factor in the determination of the percentage of lost earnings while you are disabled and working and in the determination of gainful occupation.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your elimination period. The elimination period begins on the day you become disabled. Unum will treat your disability as continuous if your disability stops for 45 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period. Any increases you may receive in your monthly earnings during a possible return to work period will not be taken into consideration when determining your monthly benefit.
Your elimination period is 90 days.

**CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?**

Yes. If you are working while you are disabled, the days you are disabled will count toward your elimination period.

**WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?**

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment monthly for any period for which Unum is liable. If you are disabled for less than 1 month, we will send you 1/30th of your payment for each day of disability.

**HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?**

We will follow this process to figure your payment:

1. Multiply your monthly earnings by 55%.
2. The maximum monthly benefit is $10,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

Your **monthly payment** is the greater of:

- the amount figured in Item 4; or
- $100; or
- 10% of your gross disability payment.

**WILL UNUM EVER PAY MORE THAN 100% OF MONTHLY EARNINGS? (TOTAL BENEFIT CAP ALSO FOUND ON B@G-LTD-2)**

The total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 100% of your monthly earnings. However, if you are participating in Unum's Rehabilitation and Return to Work Assistance program, the total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 110% of your monthly earnings.

**WHAT ARE YOUR MONTHLY EARNINGS?**

"Monthly Earnings" means the monthly wage or salary that you were receiving from your Employer on the date of disability. It includes:

1. employee contributions made through a salary reduction agreement with your Employer to an IRC Section 401(k), 403(b), 501(c)(3), 457 deferred compensation plan, or any other qualified or non-qualified employee Retirement Plan or deferred compensation arrangement; and
2. amounts contributed to your fringe benefits according to a salary reduction arrangement under an IRC Section 125 plan.

It does not include commissions, bonuses, overtime pay, shift differential, or retroactive salary adjustments while receiving disability benefits under this plan or
your Employer’s contribution on your behalf to a retirement plan or deferred compensation arrangement; or any other extra compensation.

WHAT WILL WE USE FOR MONTHLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED APPROVED LEAVE OF ABSENCE?

If you become disabled while you are on a covered approved leave of absence, we will use your monthly earnings from your Employer in effect just prior to the date your absence begins.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?

We will send you the monthly payment if you are disabled and your monthly disability earnings, if any, are less than 20% of your indexed monthly earnings, due to the same sickness or injury.

If you are disabled and your monthly disability earnings are from 20% through 80% of your indexed monthly earnings, due to the same sickness or injury, Unum will figure your payment as follows:

During the first 12 months of payments, while working, your monthly payment will not be reduced as long as disability earnings plus the gross disability payment does not exceed 100% of indexed monthly earnings.

1. Add your monthly disability earnings to your gross disability payment.
2. Compare the answer in Item 1 to your indexed monthly earnings.

If the answer from Item 1 is less than or equal to 100% of your indexed monthly earnings, Unum will not further reduce your monthly payment.

If the answer from Item 1 is more than 100% of your indexed monthly earnings, Unum will subtract the amount over 100% from your monthly payment.

After 12 months of payments, while working, you will receive payments based on the percentage of income you are losing due to your disability.

1. Subtract your disability earnings from your indexed monthly earnings.
2. Divide the answer in Item 1 by your indexed monthly earnings. This is your percentage of lost earnings.
3. Multiply your monthly payment by the answer in Item 2.

This is the amount Unum will pay you each month.

Unum may require you to send proof of your monthly disability earnings at least quarterly. We will adjust your payment based on your quarterly disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records which we believe are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30 of your payment for each day of disability.
HOW CAN WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings routinely fluctuate widely from month to month, Unum may average your disability earnings over the most recent 3 months to determine if your claim should continue.

If Unum averages your disability earnings, we will not terminate your claim unless the average of your disability earnings from the last 3 months exceeds 80% of indexed monthly earnings.

We will not pay you for any month during which disability earnings exceed 80% of indexed monthly earnings.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME? (Offsets)

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive under:
   - a workers’ compensation law.
   - an occupational disease law.
   - the Railroad Retirement Act.
   - any other act or law with similar intent.

2. The amount that you receive or are entitled to receive as disability income payments under any:
   - state compulsory benefit act or law.
   - automobile liability insurance policy.
   - other group insurance plan.

3. The amount that you, your spouse and your children receive or are entitled to receive as disability payments because of your disability under:
   - the United States Social Security Act.
   - the Canada Pension Plan.
   - the Quebec Pension Plan.
   - any similar plan or act.

4. The amount that you receive as retirement payments or the amount your spouse and children receive as retirement payments because you are receiving retirement payments under:
   - the United States Social Security Act.
   - the Canada Pension Plan.
   - the Quebec Pension Plan.
   - any similar plan or act.

5. The amount that you receive as disability income payments under any governmental retirement plan or system as a result of your job with your Employer, such as, any Public Employee Retirement System Plan, any State Teacher’s Retirement System Plan, or any plan provided as an alternative.
Disability payments under a governmental retirement plan or system will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

6. The amount that you:

- voluntarily elect to receive as retirement payments under your Employer's retirement plan.
- receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

7. The amount that you receive under Title 46, United States Code Section 688 (The Jones Act).

8. The amount that you receive under the mandatory portion of any "no fault" motor vehicle plan.

9. The amount that you receive under a salary continuation, accumulated sick leave, or vacation pay plan.

10. The amount you receive from a military pension and disability income plans.

With the exception of retirement payments, Unum will only subtract deductible sources of income which are payable as a result of the same disability.

We will not reduce your payment by your Social Security retirement income if your disability begins after age 65 and you were already receiving Social Security retirement payments.

**WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME? (Offsets)**

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) and 403(b) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans

**WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME RESULTS IN A ZERO BENEFIT? (Minimum Benefit)**

The minimum monthly payment is the greater of:

- $100; or
- 10% of your gross disability payment.

Unum may apply this amount toward an outstanding overpayment.

**WHAT HAPPENS WHEN YOU RECEIVE A COST OF LIVING INCREASE FROM DEDUCTIBLE SOURCES OF INCOME?**

Once Unum has subtracted any deductible source of income from your gross disability payment, Unum will not further reduce your payment due to a cost of living increase from that source.

**WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?**

When we determine that you may qualify for benefits under Item(s) 1, 2 and 3 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Long Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1, 2 and 3 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum’s payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a monthly basis over the time period for which the sum was given. If no time period is stated, we will use a reasonable one.
HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each month up to the maximum period of payment. Your maximum period of payment is based on your age at disability as follows:

<table>

- during the first 24 months of payments, when you are able to work in your regular occupation on a part-time basis but you choose not to;
- after 24 months of payments, when you are able to work in any gainful occupation on a part-time basis but you choose not to;
- if you are working and your monthly disability earnings exceed 80% of your indexed monthly earnings, the date your earnings exceed 80%;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan, unless you are eligible to receive benefits under Unum’s Rehabilitation and Return to Work Assistance program;
- the date you fail to submit proof of continuing disability;
- after 12 months of payments if you are considered to reside outside the United States or Canada. You will be considered to reside outside these countries when you have been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits;
- the date you die.

WHAT DISABILITIES HAVE A DEFINED PAY PERIOD UNDER YOUR PLAN?

Disabilities due to mental illness have a maximum pay period of up to 36 months per each occurrence due to the same sickness or injury; however, payments will continue if one or both of the following occurs:

1. If you are admitted for participation in a partial or day treatment program in a hospital or institution licensed to provide care and treatment for a mental illness due to a psychiatric or psychological condition for at least 5 hours per day and at least 4 days per week.

2. If you are confined to a hospital or institution licensed to provide care and treatment for a mental illness due to a psychiatric or psychological condition.
Unum will continue to send you payments for the duration of your admission and/or confinement.

If you become reconfined at any time during the recovery period and remain confined, Unum will send payments during that additional confinement.

The lifetime cumulative maximum benefit period for all disabilities due to alcoholism or drug abuse (substance abuse or dependency) is 36 months. Only 36 months of benefits will be paid for any combination of such disabilities even if the disabilities:

- are not continuous; and
- are not related.

Unum will continue to send you payments beyond the 36 month period if you meet one or both of these conditions:

1. If you are confined to a hospital or institution licensed to provide care and treatment for a mental illness due to a psychiatric or psychological condition at the end of the 36 month period, Unum will continue to send you payments during your confinement.
   
   The cost of the treatment program must be borne by you, or another group plan of your Employer (such as a group health plan or Employee Assistance Program) if one is available and covers this type of treatment.
   
   If you become reconfined at any time during the recovery period and remain confined, Unum will send payments during that additional confinement.

2. In no event will monthly payments be issued beyond the earliest of:

   - 36 months; or
   - the maximum period of payment; or
   - the date you refuse to participate in an appropriate, available treatment program, or the date you leave the treatment program prior to completion; or
   - the date you complete the initial treatment plan, exclusive of any aftercare or follow-up services.

Unum will not apply the mental illness limitation to dementia if it is a result of:

- stroke;
- trauma;
- viral infection;
- Alzheimer’s disease; or
- other conditions not listed which are not usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs, or other similar methods of treatment.

**WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?**

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- attempt to commit or commission of a crime.
- commission of a crime for which you have been convicted.
- pre-existing condition (see "WHAT IS A PRE-EXISTING CONDITION?" below).

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated if the period of confinement exceeds 30 days.

WHAT IS A PRE-EXISTING CONDITION?

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 6 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage unless you have been treatment free for 6 consecutive months after your effective date of coverage.

ARE YOU SUBJECT TO A PRE-EXISTING CONDITION IF YOU ENROLL FOR COVERAGE DURING AN OPEN ENROLLMENT PERIOD?

The following applies if you become insured during the open enrollment period beginning on April 1, 2019 and ending on June 14, 2019:

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 6 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage unless you have been treatment free for 6 consecutive months after your effective date of coverage.

WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME WITH THE POLICYHOLDER AND YOUR DISABILITY OCCURS AGAIN?

If you have a recurrent disability while your coverage is in force under the policy, Unum will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- your prior claim ended when you returned to work for your Employer and your earnings from your Employer exceeded 80% of your monthly earnings;
- you were continuously insured under the plan for the period between the end of your prior claim and your recurrent disability; and
- your recurrent disability occurs within 6 months from the end of your prior claim.

Your recurrent disability will be subject to the same terms of the plan as your prior claim and will be treated as a continuation of that disability.
Any disability which occurs after 6 months from the date your prior claim ended will be treated as a new claim. The new claim will be subject to all of the policy provisions, including the elimination period.

If you become entitled to payments under any other group long term disability plan, you will not be eligible for payments under the Unum plan.

**RECURRENT DISABILITY** means a disability which is:

- caused by a worsening in your condition; and
- due to the same cause(s) as your prior disability for which Unum made a Long Term Disability payment.

**WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME FOR AN EMPLOYER OTHER THAN THE POLICYHOLDER AND YOUR DISABILITY OCCURS AGAIN?**

If you have a recurrent disability, Unum will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- you were continuously working full time for the period between the end of your prior claim and your recurrent disability; and
- your recurrent disability occurs within 6 months from the end of your prior claim.

However, you will have to complete another elimination period if your recurrent disability occurs more than 6 months and less than 12 months after the end of your prior claim.

Your recurrent disability will be subject to the same terms of the plan as your prior claim and will be treated as a continuation of that disability.

If you become entitled to payments under any other group long term disability plan, you will not be eligible for payments under the Unum plan.

Unum will not cover a recurrent disability that occurs more than 12 months after the end of your prior claim under the plan.
LONG TERM DISABILITY
OTHER BENEFIT FEATURES
SURVIVOR BENEFIT

WHAT BENEFITS WILL BE PROVIDED TO YOU OR YOUR FAMILY IF YOU DIE OR ARE TERMINALLY ILL? (Survivor Benefit)

When Unum receives proof that you have died, we will pay your eligible survivor a lump sum benefit equal to 3 months of your net disability payment if, on the date of your death:

- your disability had continued for 90 or more consecutive days and you had satisfied the elimination period; and
- you were receiving or were entitled to receive payments under the plan.

If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no payment will be made.

However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

You may receive your 3 month survivor benefit prior to your death if you have been diagnosed as terminally ill.

We will pay you a lump sum amount equal to 3 months of your net disability payment if:

- you have been diagnosed with a terminal illness or condition;
- your life expectancy has been reduced to less than 12 months; and
- you are receiving monthly payments.

Your right to exercise this option and receive payment is subject to the following:

- you must make this election in writing to Unum; and
- your physician must certify in writing that you have a terminal illness or condition and your life expectancy has been reduced to less than 12 months.

This benefit is available to you on a voluntary basis and will only be payable once.

If you elect to receive this benefit prior to your death, no 3 month survivor benefit will be payable upon your death.

CONTINUITY OF COVERAGE

WHAT IF YOU ARE NOT IN ACTIVE EMPLOYMENT WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)

When the plan becomes effective, Unum will provide coverage for you if:

- you are not in active employment because of a sickness, injury or a covered approved leave of absence or FMLA as defined in the prior policy; and
- you were covered by the prior policy.

Your coverage is subject to payment of premium.

Your payment will be limited to the amount that would have been paid by the prior carrier. Unum will reduce your payment by any amount for which your prior carrier is liable.

**WHAT IF YOU HAVE A DISABILITY DUE TO A PRE-EXISTING CONDITION WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)**

Unum may send a payment if your disability results from a pre-existing condition if, you were:

- in active employment and insured under the plan on its effective date; and
- insured by the prior policy at the time of change.

In order to receive a payment you must satisfy the pre-existing condition provision under:

1. the Unum plan; or
2. the prior carrier’s plan, if benefits would have been paid had that policy remained in force.

If you do not satisfy Item 1 or 2 above, Unum will not make any payments.

If you satisfy Item 1, we will determine your payments according to the Unum plan provisions.

If you only satisfy Item 2, we will administer your claim according to the Unum plan provisions. However, your payment will be the lesser of:

a. the monthly benefit that would have been payable under the terms of the prior plan if it had remained in force; or
b. the monthly payment under the Unum plan.

Your benefits will end on the earlier of the following dates:

1. the end of the maximum benefit period under the plan; or
2. the date benefits would have ended under the prior plan if it had remained in force.

**REHABILITATION AND RETURN TO WORK**

**HOW CAN UNUM’S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM HELP YOU RETURN TO WORK?**

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will determine whether you are eligible for this program, at our sole discretion. In order to be eligible for rehabilitation services and benefits, you must be medically able to engage in a return to work program.
Your claim file will be reviewed by one of Unum’s rehabilitation professionals to determine if a rehabilitation program might help you return to gainful employment. As your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work program.

We will make the final determination of your eligibility for participation in the program.

We will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you.

The rehabilitation program may include at our sole discretion, but is not limited to, the following services and benefits:

- coordination with your Employer to assist you to return to work;
- adaptive equipment or job accommodations to allow you to work;
- vocational evaluation to determine how your disability may impact your employment options;
- job placement services;
- resume preparation;
- job seeking skills training; or
- education and retraining expenses for a new occupation.

**WHAT ADDITIONAL BENEFITS WILL UNUM PAY WHILE YOU PARTICIPATE IN A REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?**

We will pay an additional disability benefit of 10% of your gross disability payment to a maximum benefit of $1,000 per month.

This benefit is not subject to policy provisions which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income. However, the Total Benefit Cap (found on B@G-LTD-2 and LTD-BEN-2) will apply.

In addition, we will make monthly payments to you for 3 months following the date your disability ends if we determine you are no longer disabled while:

- you are participating in the Rehabilitation and Return to Work Assistance program; and
- you are not able to find employment.

This benefit payment may be paid in a lump sum.

**WHEN WILL REHABILITATION AND RETURN TO WORK ASSISTANCE BENEFITS END?**

Benefits for the Rehabilitation and Return to Work Assistance program will end on the earliest of the following dates:

WHAT ADDITIONAL BENEFIT IS AVAILABLE FOR DEPENDENT CARE EXPENSES TO ENABLE YOU TO PARTICIPATE IN UNUM’S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?

1. are incurring expenses to provide care for a child under the age of 15; and/or
2. start incurring expenses to provide care for a child age 15 or older or a family member who needs personal care assistance.

The payment of the Dependent Care Expense Benefit will begin immediately after you start Unum's Rehabilitation and Return to Work Assistance program.

Our payment of the Dependent Care Expense Benefit will:

1. be $350 per month, per dependent; and
2. not exceed $1,000 per month for all dependent care expenses combined.

To receive this benefit, you must provide satisfactory proof that you are incurring expenses that entitle you to the Dependent Care Expense Benefit.

Dependent Care Expense Benefits will end on the earlier of the following:

1. the date you are no longer incurring expenses for your dependent;
2. the date you no longer participate in Unum's Rehabilitation and Return to Work Assistance program; or
3. any other date payments would stop in accordance with this plan.

This benefit is not subject to policy provisions, except for the Total Benefit Cap (found on B@G-LTD-2 and LTD-BEN-2), which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income.

WHAT EXCLUSIONS AND LIMITATIONS APPLY TO DISABILITY PLUS?

You will not receive this benefit for a loss resulting from one of the following conditions, if the loss exists on the effective date of your coverage under this rider:

Additional Claim and Appeal Information

COMMONWEALTH OF MASSACHUSETTS

The following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).
Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

**APPEAL PROCEDURES**

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations applicable to ERISA plans. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker’s subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.

To the extent the Additional Summary Plan Description Information included with your certificate of coverage or policy conflicts with these new requirements, these new rights and procedures will apply.

These new rights and procedures include:

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons, the plan will provide, in the non-English language(s), a statement of how to access oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of the basis for disagreeing or not following the views of: (1) health care professionals who have treated you or vocational professionals who have evaluated you; (2) the advice of medical or vocational professionals obtained on behalf of the plan; and (3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan relied upon in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of any applicable contractual limitations period that applies to your right to bring legal proceedings and the calendar date on which that period expires.

Should the plan fail to establish or follow ERISA required disability claims procedures, you may be entitled to pursue legal remedies under section 502(a) of the Act without exhausting your administrative remedies, as more completely set forth in section 503-1(l).
