**Contractor Work Permit**

The Contractor Work Permit must be signed by the Facility Manager before an agency may have materials delivered or work begun by an outside contractor.

Agencies must have a permit from DCAMM to make any changes to their work spaces. Contractors are not allowed into DCAMM buildings without a signed copy of this permit. Contractors and agencies must follow all contractor work permit stipulations. Original and copies (as well as related drawings, floor plans, and charts) must be received by DCAMM two weeks prior to beginning the project.

See next page for Contractor Work Permit:
Emergencies

DCAMM Security and Life Safety Department establishes fire and emergency response plans, including evacuation plans and procedures. The Security and Life Safety Department also organizes evacuation teams, which are set up by either Agency or floor to function as organizers to facilitate the safe evacuation of those who work in, or visit DCAMM facilities. Evacuation teams, which are picked by DCAMM, consist of a Team Leader, Assistant Team Leader, Area Monitor, Stairwell Monitor, and Handicap (HP) Assistant. Evacuation Team Leaders (ETLs) provide team profile information (number of team members, evacuation routes, number of persons requiring assistance, etc.), which DCAMM maintains and distributes as necessary for both operational and training purposes. The Security and Life Safety Department holds evacuation team meetings and training sessions throughout the year.

Emergency Procedure Plan

STATE TRANSPORTATION BUILDING EMERGENCY PROCEDURES PLAN

Reporting a FIRE – Options:

1. Locate the nearest Fire Pull Station and pull the lever down completely.

   *This is the fastest and most direct method* to ensure that all emergency response agencies, emergency teams, and building occupants are immediately notified of an emergency. Pull Stations are located at key points throughout the building. *Take the time to become familiar with their locations.*

   **OR**

2. Call Security at 617-973-7120. Give Security the following information: Address, Floor, Tenant and Location of fire or smoke if known.

   **OR**

3a. Call 911. Give the Operator the following information: Address, Floor, Tenant and Location of fire or smoke if known.

   **AND**

3b. Immediately call Security and inform them a 911 call has been placed giving them the same information supplied to 911 Operator.

REPORTING OTHER TYPES OF EMERGENCIES:

In the event of any other type of Emergency (i.e. medical, bomb threat, etc.) alert the proper authority and await further instruction:

Fire and Alarm System Information

At the State Transportation Building the DCAMM Management Team and DCAMM Life Safety Division have worked closely with all Agencies located in the building to build an effective Fire and Emergency Response Plan. Within each Agency are Emergency Team Leaders who serve in this capacity. These Emergency Team Leaders are trained tenant agency personnel familiar with the Occupant Emergency Plan. They appoint agency personnel to various Evacuation Team positions, assist DCAMM with fire safety issues on their floors, advise and direct tenants during fire drills and actual emergencies and keep current records of personnel who may need assistance during an evacuation.

All tenants of a work area are required to obey the direction of their Emergency Team Leaders during an emergency situation and adhere to the Occupant Emergency Plan. Emergency Team Leaders are responsible for the entire floor, not just the agency/area in which they work. If for any reason an Emergency Team Leader leaves his or her position in state government or transfers to another location, it is the Agency’s responsibility to inform DCAMM of his or her departure. DCAMM Building Management and Life Safety personnel meet routinely with Emergency Team Leaders and hold a full evacuation fire drill not less than once a year.

Upon employment your Emergency Team Leader will review with you all pertinent information and responsibilities associated with the plan as it relates to your individual Agency, floor and to the overall building.

While full or partial evacuation of a building is sometimes necessary, evacuation is not always the only, or even proper, response in an emergency. Decisions regarding when and how much of the building to evacuate are highly dependent upon the nature of the emergency.

The State Transportation Building, comprised of eight stories, is considered a “high rise” Building. Therefore, the activation of the Fire Alarm System at the STB will almost always require the evacuation of the fire floor as well as the floor above and the floor below the fire floor. Most other emergencies will not require an immediate evacuation.

In the event of an emergency the alarm system warning sequence is as follows:

- The entire building will get an “alert” signal of four “bong type” tones followed by a message there is an emergency in the building. This message will be repeated a minimum of three times while the specific nature of the emergency is determined. This is not a notice to evacuate your area. Its purpose is to alert you to the possibility of further warnings or announcements.
If the emergency involves your floor the system will sound a second alarm. This is the evacuation signal. It will be repeated over and over again and you will see both visual (strobe lights) and audio (horn) activated on your floor. This second alarm is a notice to evacuate your floor. Follow the directions given by your Emergency Team Leaders and Building Security and Staff in the common areas. This alarm will continue to sound until deactivated by the Boston Fire Department and the building deemed safe to reenter.

**Photo Identification and Access Cards**

The DCAMM Life Safety Officer or designee shall issue security access badges when authorized in writing by an agency representative to all employees working at the facility except for DOT and MBTA employees. These employees are issued badges from within their individual Agency only.
State Transportation Building Key Management

All State Transportation Building tenant agencies are requested to supply DCAMM with a key for access to their office areas to ensure quick response to fire, leaking water, or personal safety of any agency employee.

Lockouts:

DCAMM will assist a tenant who is locked out of his/her office if the following conditions are met:

1. There is staff on duty in the building of the request. DCAMM will not pay staff overtime or request an employee to return to work to unlock an agency door.

2. The employee presents an employee photo identification card to the DCAMM staff member providing access. DCAMM will not unlock a door, until it is determined that the person is approved access in that area.

3. The employee acknowledges in writing that authorization was given to open the agency’s door.
Law Enforcement Access

Please use web-based form at:

https://www.mass.gov/forms/law-enforcement-access-form-dcamm-managed-buildings
State Transportation Building Lost and Found

To report lost property, contact the Security Office at (617) 973-7120.

Please bring found items to the Security Office at (617) 973-7120.
Modification of Office Space

Any agency wishing to modify or renovate office space must notify DCAMM in advance and receive written approval from DCAMM on the Contractor Work Permit Form prior to beginning any such project. The notification shall include scope of work, the hours during which work will be performed, and the names of the contractors performing the work. Outside contractors hired by agencies to perform services must show written proof of DCAMM approval and workers must have CORI’s performed prior to the project commencing. For major renovations the tenant must obtain a building permit from the Department of Public Safety at (617) 727-3200 and an electrical permit. DCAMM is not responsible for providing materials or labor for any modification or renovation of office space.

Terms and Conditions for Renovating or Modifying Office Space by outside vendors:

- All approved construction shall be performed in a professional manner with only first-class materials.
- Quality control is the responsibility of the applicant and subject to review and inspection by DCAMM.
- The applicant shall redo or replace at its own expense any work not approved by DCAMM due to material or workmanship.
- All work is to be performed in a manner causing a minimum of inconvenience to the facility’s employees and the public.
- The applicant shall not allow the accumulation of debris in or about the work site.

Site clean-up and restoration is the responsibility of the Contractor and is subject to final review for approval by DCAMM.
Mother’s Lactation Room

The Mother’s Lactation Room is located on the second floor of the STB. Please visit the Building Management Office, Suite 2180, for information regarding use.
Parking Garage

There is a two level Parking Garage at the State Transportation Building. The Garage is managed by Pilgrim Parking and is open 24/7.

Garage passes are issued by individual Agencies.

Public parking is available at $23.00 per day.

Bicycle parking is available on the upper level of the garage.
Posting Notices or Posters

No posted material shall be affixed to walls, doors, or elevators at the STB without the DCAMM Management Office review and approval. No political campaign materials shall be displayed or posted in the State Transportation Building.
Prohibited and Dangerous Items

Prohibited Items

The following items are not permitted inside the Building:

- Dangerous Weapons: Only sworn Federal, State, County and Municipal law enforcement officers duly authorized to carry a weapon may do so while inside the Building.
- Cut fresh Christmas trees, wreaths etc.
- Open flames
- Smoking
- Pets or other animals with the exception of service animals
- Appliances, such as portable heaters*

* Should an exception to this policy be requested, a Portable Space Heater Request and Approval Form must be submitted to DCAMM. Requests may come from an individual or from an agency ADA Liaison for an individual’s reasonable accommodation. Please note: The request must be approved by the requestor’s supervisor prior to submittal.

Dangerous Items

The following are not permitted inside the Building by anyone other than sworn police officers of the Commonwealth of Massachusetts or federal law enforcement officers:

- Firearms of any kind (see details below)
- Explosive devices of any kind
- BB or pellet guns
- Knives with blades greater than 3” long
- Mace, pepper spray or other chemical agents
- Stun guns or other device for directing an electrical charge at persons.
- Other dangerous items, as determined by security officials or facility staff (see below)

Other Dangerous Items:

Building Security Staff have sole discretion to disallow any other item that may, in their opinion, present a threat to the safety and security of the building or its occupants.

Items determined to be dangerous by authorized officials, as noted above, will not be permitted into the Building. At the discretion of the screening personnel on duty such items may, at the exclusive risk of the item’s owner, be put aside at a nearby location and reclaimed by the owner after exiting the facility. Neither DCAMM, nor any of the agencies noted above, assume any responsibility for items left pursuant to this policy. The Massachusetts State Police will respond to all incidents where a concealed weapon is not declared yet disclosed during a security
inspection. The Massachusetts State Police reserve the right to ask for and view the owner’s permit to carry said weapon. Individuals in possession of firearms who are unable to produce a valid permit for that weapon are subject to arrest and confiscation of the weapon in accordance with Massachusetts’ law.

All inappropriate comments compromising the safety and security of the Building and/or personnel will be taken seriously and referred to the MA State Police for action.

Only state employees carrying a valid state employee identification card may be allowed to bypass a security checkpoint.
Property Removal

The State Transportation Building uses Property Removal Passes for removal of equipment from the building. Any occupant removing equipment (furniture, computers, etc.) from floors 2-8 must present a signed property removal pass to security. Property removal passes must have an authorized agency signature to be valid. Property removal passes are required 24 hours per day and need to be signed prior to any equipment leaving the building. Failure to show a signed Property Removal Pass can result in the equipment not being allowed to leave the building.

Please use the property removal pass on the next page:

Security

It is the policy of the Division of Capital Asset Management and Maintenance (DCAMM) to provide a safe and secure working environment for employees and visitors to DCAMM facilities, through the prohibition of carriage of weapons or other dangerous items inside these facilities and to screen those entering the facilities to prevent the unauthorized conveyance of dangerous weapons into the facilities.

The Security Department:

• Manages Building Visitors and Customers
• Manages security cameras which monitor the building and grounds 24/7
• Establishes and implements Security and Safety policies and procedures
• Provides Emergency Response Planning
• Manages contracts for Security Services and Security Equipment Maintenance and Repair
• Provides Photo ID/Access Cards for employees
• Maintains Key Control
• Manages building Parking Operations

In addition, all visitors and vendors must stop at the Security Desk located in the main entry of the State Transportation Building. Vendors must notify Security of any delivery, also sign in and out at the main entrance Security Desk. Any Contractor services scheduled to come to the building must receive approval from DCAMM prior to any delivery; provide maintenance, installation or services to building. Contractors will also be required to sign in and out at the main entrance Security Desk and may not gain access to User Agency premises unless they are greeted and accompanied by an employee of DCAMM or User Agency.

To contact the Security Department, email them at: security.dcamm@mass.gov
For more urgent issues, contact the Security Director at (617) 727-4100.
