- Discussion on AAB forms and applications
- Discussion of AAB Forms and Applications

Quasi-Judicial Session, Pursuant to G.L. c. 30A, § 18

Advisory Opinion

- Group 1 and Group 2A bathtub and shower reinforcement. Prefabricated units with built-in structural reinforcement in the fiberglass. If the built-in structural reinforcement provides structural reinforcement in the ranges specified by 521 CMR, would this be equivalent to having blocking? Or would blocking be required in addition to the prefab unit regardless. Thomas A. Svirsky, Cosentini Associates, 101 Federal Street, Suite 600, Boston
- Group 1 Bathroom Design, Larry Braman, City of Cambridge, 521 CMR 42.3

Affidavit

Hearings
