

Submitting a School Bus and School Pupil (7D) Application and Renewal Application Online

Beginning August 1, 2020, the RMV will only accept School Bus and 7D applications and renewals online. Paper applications will no longer be accepted.

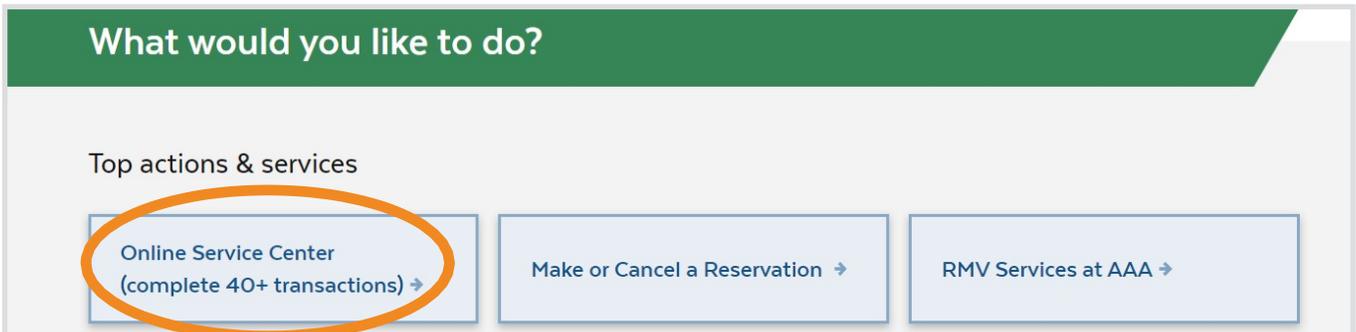

We understand that some applicants may not have an email address. However, it's important to safeguard your personal information and for security reasons, no one should access another person's driver's record to process a transaction or inquire about information.

The following instructions will help guide you through the new application submission process. Let's get started.

2. Scroll down the page and click the "Online Service Center" button.

6. For security purposes, the RMV requires “two-factor authentication” to ensure that anyone accessing their myRMV account verifies their identity.

You must “authenticate” your identity by selecting a verification process in which the RMV will send you an authentication code. You can use email, text message, and/or a third-party authentication app. Once you set up preferred method(s), you will enter a code provided to you each time you log in.

Protect your myRMV account with two-step verification

We've updated our security with a new two-factor authentication and verification system to better protect your myRMV account. Please select at least one of the three options below. (You can provide info for all three.) Once it's set up, we'll send you a unique security code which you'll need to enter to verify your identity each time you log in to your myRMV account.

7. Enter the security code you received through an email, text message, or by a third-party authentication app.

If you are having trouble authenticating or receiving your code, please call the RMV Contact Center at 857-368-8000.

8. Answer the required questions on the next several pages about your address, driver's license, contact and employer information, as well as medical, training, and CORI documentation.

9. Organize your documents, ensure all forms are completed and signed where required, and get ready to upload and submit your application to the RMV.

If your documents are not in an electronic format, you will need to scan them; a scanner is preferred versus submitting documents using a cell phone.

- 7D applicants are required to upload the following documents:
 - Medical
 - CORI Authorization
 - School Pupil (7D) Training page (filled out by Instructor)

Note: 7D certificates are valid for one year from their date of issue. If you are over the age of 70, insulin-dependent diabetic, or have a cardiac defibrillator, 7D certificates are valid for six months from their date of issue.

- For both School Bus and 7D applicants:
 - Out-of-state license holders require an additional certified driver's record and a certified CORI check from the state where applicant was previously licensed.

10. Prior to completing your application, you must pay the appropriate application fee using a credit card, debit card, or checking account.
