INSTRUCTIONS FOR ACCESSING BUAR'S VIRTUAL PUBLIC MEETING

Due to ongoing public health concerns related to the COVID-19 pandemic, BUAR’s meetings are being held virtually through publicly-available internet-based “Zoom” technology, as an alternative means of meeting authorized by Governor Baker’s March 12, 2020 “Order Suspending Certain Provisions of the Open Meeting Law” (MGL c. 30A, s. 20) and extended by his signing into law “An Act Relative to Extending Certain COVID-19 Measures Adopted During the State of Emergency” (MGL c. 20, s. 20). A quorum of Board members attending virtually will be required, and votes will be taken through roll call, as is required by MGL c. 30A, ss. 18-25. To prevent inappropriate intrusions into Board business, all public participants without business before the Board on the agenda will be muted and their chat and video functions disabled. For security purposes, the “share screen” feature will not be used during the meeting. Public participants with business before the Board on the agenda who wish to speak will be unmuted when the Board takes up their business. The Board reserves the right to table any agenda-related question for a future meeting discussion. Other questions that are raised that are not agenda-related will automatically be tabled for a future meeting discussion if the Board determines appropriate. If at any time there appears to be a security compromise or other intrusion or disruption of the meeting, the Board’s Director will immediately end the meeting and the agenda will be taken up at the next scheduled Board meeting. If technical difficulties arise that prevent Board members from being able to attend or that prevent the meeting from achieving a quorum or continuation of the meeting, the Board will close the meeting and the agenda will be taken up at the next scheduled Board meeting.
