RE: Authorization to Proceed with Contract No. P17-3142-C32A
"Replacement Roofing at DCR Facilities, Eastern MA"

Dear Mr. Trask:

The following is provided as formal authorization to proceed with Contract No. P17-3142-C32A", Replacement of Roofs, at DCR facilities, Eastern MA" as described in your proposal dated November 8, 2017.

The Project consists of furnishing all labor, materials, tools, permits, fees and incidentals for repair and/or replacement of Flat, Asphalt Shingle, Slate and Standing Seam Roofing Systems at DCR facilities in Eastern Massachusetts.

The work also provides all equipment, services and accessories necessary to finish and install the work. Authorization is effective as of the date signed below and to be completed within 730 days, there is no additional work shall be undertaken without written approval prior to commencement. Project is provided on a not-to-exceed basis by utilizing the proposed cost of \$1,423,500.00.

Department oversight will be provided by Hai Van Ha, DCR Project Manager, and any questions concerning the above can be directed to his attention at 617-626-4946.

Sincerely,

Robert Lowell
Acting Chief Engineer
