*The earliest filing date is either 45 days (if first notice) or 30 days (if second notice) from the date of the notice.

If the end date falls on a weekend or holiday, it will roll over to the next business day.

**"Lapse date" refers to the date on which the advance notification lapses (90 days from the date of the notice).

If lapsed, the Proponent will need to circulate another

***"DGA" refers to the "designated geographic area" around the project site over which MEPA EJ protocols will apply.

The advance notices listed above were sent to MEPA-EJ@Mass.Gov on the notice date.

Please refer to the MEPA website for more information about MEPA EJ protocols:
