**Net Metering Single Parcel Rule Multiple Technologies and Rooftop Cap Exempt Blanket Exception
Signature Form**

Instructions:

This document must be completed and included as an attachment in the Multiple Technologies and Rooftop Cap Exempt Blanket Exception application. The host customer of each facility seeking to qualify for a Blanket Exception must sign this form.

Affirmation:

I affirm that I have a positive duty to ascertain the accuracy of the statements made in this application, including all attachments. I personally reviewed the statements set forth in the Multiple Technologies and Rooftop Cap Exempt Blanket Exception Form and affirm that they are true and correct. I further affirm that I understand if I receive an exception from the Department of Public Utilities, it is the host customer's sole responsibility to ensure that the proposed facilities comply with all applicable rules, regulations, and tariffs. I understand that this form, if granted, does not guarantee that the facilities will receive permission to interconnect from the distribution company, nor does it guarantee that the facilities will receive one or more cap allocations from the System of Assurance of Net Metering Eligibility if a facility requires a cap allocation. I also understand that failure to comply with applicable rules, regulations, and tariffs may result in a loss of a Blanket Exception, cap allocation, place on the System of Assurance waiting list, and/or net metering services.

Facility 1:

I affirm that I have read and understood the affirmation statement above and I am the host customer of Facility 1.
