

Electric Vehicle Infrastructure Coordinating Council

Meeting agenda

June 22, 2023, 1:00–3:30 p.m.

via Zoom

Zoom link: <https://zoom.us/j/95426403404>

Meeting goals:

1. Approve meeting minutes from June 1 meeting
2. Provide a brief update on baseline data collection efforts
3. Briefly go over findings on driver experience data
4. Provide an overview of the challenges and solutions to improve charging station uptime and reliability
5. Provide time for public discussion / comment

Clock	Mins	Agenda item	Lead	Materials
1:00	10	Call to order Meeting attendance Review and approve meeting minutes	MJ	Meeting agenda Meeting minutes of June 1, 2023
1:10	10	Presentation: data findings to date on driver experience	JH	
1:20	30	Presentation and discussion: common challenges of EV driving experience and reliability of EV charging stations	JH	
1:50	60	Discussion and recommendations for policies to improve station uptime and reliability: <ul style="list-style-type: none">• What can we do to ensure the reliability of charging infrastructure?• What regulations may be useful to put in place for charging services?• What other entities, if any, have regulatory language we can use as a starting point (e.g., gas stations)?• What are common issues EV drivers experience that may be barriers to adoption?• What standards should we apply for registration, inspection (annual?), and compliance (spot checks)?• How might the recent GM/Ford agreement with Tesla affect EV charging reliability, accessibility, and costs?	JH	
2:50	30	Public comment	JH	
3:20	10	Meeting wrap-up	MJ
